Briefly describe your employment background. For the last two years
I've been working @ Resource Renewal Institute, a public-into
environmental nonprofit in Mill Valley. Before that I owned and

What is your vision for the Town of Fairfax? The town of Fairfax has
long protected its cultural identity and communal spirit.
This is in large part due to the civic leaders and
their ability to establish meaningful association and community,
competency that leads to strong civic participation and
community resilience

Please describe possible areas of conflict of interest?

None

I want to help connect people
to community and place
through my service on the volunteer
board so that we can maintain
this powerful, unique and caring
community.

Briefly explain your interest in serving on this Board, Commission, or Committee. _____

I am the Open Space Committee liaison to the volunteer board.
On attending my first volunteer board meeting, I learned
that there are several vacancies and, at the same time,
a number of ways these two organizations - the FOSE and
the volunteer board - overlap: creek clean up, trail restoration, etc.
I imagine if I can bring more energy and resources to
the volunteer board we can continue to enhance beautification
projects and community building for the town of Fairfax.
