What is your vision for the Town of Fairfax? The Town of Fairfax has long protected its
cultural identity and communal spirit. This is in large part due to its communit
leaders and their careful balance of development and open space. I hope to contin
to uphold and defend the integrity of this community and oversee the restorativ
and regenerative management and conservation of open spaces for the betterment

Briefly explain your interest in serving on this Board, Commission, or Committee. After the recent
Federal election many of my peers were distraught. I vowed to continue to play
a larger role in my lifelong duty as "citizen." In joining this committee, I believe
I will continue to take steps in honing my skills as a civil servant - a career
path I am dedicated to. Open space has played an important role in
my life and the person I have become. It would be an honor
to serve this community and volunteer my time to the conservation,
preservation, and restoration of our natural resources.

I attended a meeting of the committee to which I am applying on (date) 6/27-17.
