Regular Agenda

6. Second Reading by Title Only and Adoption of an Ordinance Changing the Regular Election from November of Odd-Numbered Years to the Statewide General Election in November of Even-Numbered Years and Amending Chapter 2.04 of the Fairfax Town Code Pertaining to Municipal Elections and decreasing the term of each municipal officer to be elected in 2017 and in 2019 by 12 months to transition the election schedule- Town Manager

Town Manager Toy presented the staff report. There were no questions from the Council, but Councilmember Coler made a statement regarding her reasons for voting against the ordinance, noting that the vast majority of agencies in Marin had extended their terms for one year, and stating that holding elections in 2017 and 2019 for 3-year terms was fiscally irresponsible.

M/S, Lacques/Goddard, Motion to waive the second reading and read by title only and adopt the Ordinance Changing the Regular Election from November of Odd-Numbered Years to the Statewide General Election in November of Even-Numbered Years and Amending Chapter 2.04 of the Fairfax Town Code Pertaining to Municipal Elections and decreasing the term of each municipal officer to be elected in 2017 and in 2019 by 12 months to transition the election schedule.
