“I LEARNED SO MUCH AT THE PRESENTATION AND THOUGHT AND THE PRESENTER WAS FANTASTIC. WE ARE ALL SO TIRED BY THE END OF THE DAY AND SHE KEPT US ENGAGED AND CHUCKLING.”

RAISING RESILIENT GIRLS

THE WOMEN'S CLUB
46 PARK ROAD, FAIRFAX, CA

6:30 – 8:00pm | Monday, February 11th

Eager to learn about the pressures that are unique to being a girl in 2017 and how you can help girls?

We invite you to join Girls Leadership's CA Senior Educator, Nancy Sauder, for this acclaimed parent education talk "Raising Resilient Girls." As written up in Parent Magazine, this talk focuses on practical, actionable advice that you can use at home to help support the young girl or girls in your life. She will cover the development of girl dynamics from pre-school through high school.

For over ten years, the national non-profit organization, Girls Leadership, has awakened thousands of girls to a new, bold definition of leadership. Co-founded by bestselling author, Rachel Simmons, and Simone Marean, Girls Leadership believes that leadership is a way of life, which begins in girlhood. We define leadership as a girl's ability to know how she feels, say what she needs, and respond courageously to her mistakes. Girls graduate from our programs more emotionally intelligent, resilient, and confident.
