News from around Town...

Happy New Year

2019 has come in with a bang! The storm was so strong last week that the power went out during the Town Council meeting on 1/16/19 after approximately 45 minutes. As a result, the Town Council adjourned the meeting and rescheduled to this evening, [January 23rd at 7pm](#).

The sun is shining this week but as we deal with winter storms we will make sure the new website is a resource with the [Creek Cam](#) and [disaster preparedness](#) information.

Peri Park Fundraiser

Due to wear and tear on our two main structures and various inspection issues, the PARC team has been working hard with local playground designer, Richard Sloan. The goal is to raise enough money to re-build both structures with cedar wood incorporating events and design elements that keep with the character and charm of the current playground.

To achieve these goals, we are needing your support. [Visit our website](#) for a list of ways you can get involved - donate, volunteer and support Peri Park.
