New Business

- 1. Proposal for new exhibit at Parkade-** Zoe Vavrek and Sierra Sabec attended the meeting to submit a proposal for a new exhibit at the Parkade Public Art station. The title of their presentation is “Shatter Your Perception of “Beauty”. They are part of a Body Positive Club at Drake High School that teaches people how to connect to their innate body wisdom so they can have more balanced, joyful self-care, and a relationship with their whole selves that is guided by love, forgiveness, and humor. The project will take 3 months to make. It will consist of a mosaic with a broken mirror adhered to a wooden black frame. They will make sure the exhibit is safe and it will include the mission statement of the group, as well of examples of the “My Beauty is” project. **ACTION ITEM: Sam made a motion to support the installation of the art exhibit at the parkade; Sisi seconded, all Commissioners voted in favor of the project.**
- 2. Proposal for new exhibit at Parkade-** Peaceman attended the meeting to discuss repairing the deck of the art exhibit space while the area is in between exhibits. He will do this when Sam takes down his Statue of Liberty display next week.
- 3. Other business-** Monty announced he will be stepping down from PARC. The group wished him well and expressed that he will be truly missed.
