What is your vision for the Town of Fairfax? For Fairfax to be a leader in environmental protection of its local ecology, including rare and endangered species. For the Town to excel at promoting citizen environmental awareness, and engagement with nature. For the Town to optimize protection of Open Space and Conservation Easements.

Please describe possible areas of conflict of interest. None to my knowledge.

Briefly explain your interest in serving on this Board, Commission, or Committee. The preservation of open space, and the identification and protection of the flora and fauna unique to Fairfax are important to me. I would like to become a member of the FOSC in order to help protect and increase Open space and to help develop public awareness of the value of our unique local ecology. I am a former Planning Commissioner for the Town of San Anselmo, and I have an extensive environmental background, from which to draw, in service of the Fairfax Open Space Committee.
