

PROTECT FAIRFAX CREEKS

Fairfax Women's Club
46 Park Road
Fairfax, Ca

February 18
7:00 to 7:30 p.m.
at start of Planning Commission

Attend a 20 minute informational presentation led by Urban Streams Coordinator, Sarah Phillips, Marin Resource Conservation District, about creek maintenance with practical information about how to protect our creeks, creek bank stabilization, erosion control and permit requirements. You will also learn about capturing rain water for run off control and for re-use in your home and gardens. The Fairfax Planning Commission is co-sponsoring the session and one to follow on grey water systems to assist residents in capturing and conserving water.
