like to continue with my involvement by being a present and positive addition to the Fairfax Park & Rec Commission. I'd like to make a viable impact to our town's youth, adults, and seniors alike. I had a conversation with Barbara Coker, who I've known for a couple of years now, and she suggested that I look into Parks & Rec as there is an opening on the committee. She mentioned that due to my events background, it might be a good fit. As a relatively new resident of Fairfax (since Oct 2016), I decided that it was time to contribute to our town. I would gladly bring my energy and experience to the Parks & Rec Committee to help shape a positive present and future for all residents.
