FAIRFAX TOWN COUNCIL NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Fairfax Town Council at 7:00 p.m., or as soon thereafter as the matter may be heard, on Wednesday, April 3, 2019 at the Fairfax Women's Club, 46 Park Road, Fairfax, to consider the adoption of an increase to garbage fees. The proposed 2019 rates are affected by the crash in the international recycling markets due China's National Sword, resulting in much lower recyclables revenues and higher recycling costs. Other primary impacts include increasing amounts of garbage, large changes in fuel costs, and increases in labor costs.

Any person interested, including all persons owning property in the Town of Fairfax, may appear and be heard as to whether the proposed rates and charges are discriminatory or excessive, or will not be sufficient under Government Code Section 54515, or will not comply with any other provision of Chapter 6 of Part 1 of Division 2 of the Government Code, or on any other matter relating to said proposed increase or the rates or charges proposed therein. This action is exempt from the California Environmental Quality Act per 14 CCR 15061(b)(3), as it can be shown with certainty that the action will have no adverse significant effect on the environment.

If a citizen wishes to challenge the nature of the above actions in court, they may be limited to raising only those issues they or someone else raised at the public hearings described in this notice, or in written correspondence delivered to the Town of Fairfax, at or prior to the public hearing.

A copy of the staff report regarding the proposed fee increase will be available on Friday, March 29, 2019 at Fairfax Town Hall, 142 Bolinas Road, and online at www.townoffairfax.org.

Dated: March 14, 2019

Town Clerk, Fairfax
