STAFF REPORT

TO: Mayor and Town Council

FROM: Garrett Toy, Town Manager *GT*

SUBJECT: Adopt a Resolution Approving the List of Projects Funded by SB 1: The Road Repair and Accountability Act for Fiscal Year 2019-20

RECOMMENDATION

Adopt a resolution approving the list of projects funded by SB 1: The Road Repair and Accountability Act

DISCUSSION

Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide. The California Transportation Commission (CTC) requires communities to submit an annual list by May 1st of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA) created by SB 1. The approval of the project list must be done by resolution and cannot be approved as part of the adopted budget. The list must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement. CTC indicates there is flexibility to modify the list during the fiscal year. The CTC does allow subsequent submittals prior to August 1, 2019. However, the review period for August 1st submittals is significantly shortened and a community runs the risk of not having a project approved and funding denied for FY19-20.

The attached resolution, which includes the project list, meets the CTC requirements. We re-listed the projects from FY18-19 and did not add any new projects. The Five-Year Capital Improvement Program already includes all these projects. While the RMRA funds are insufficient to cover all these project costs, the CTC does allow communities to advance funds for projects and be reimbursed from future RMRA funds. This project list will be incorporated into the Town's proposed FY19-20 Capital Improvement Program and discussed as part of the budget approval process.

FISCAL IMPACT

The Town will receive an estimated \$133,196 in RMRA funding in Fiscal Year 2019-20. For FY18-19, the Town received \$127,963.

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our Town are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, this is the third year in which the Town is receiving SB 1 funding and will enable the Town to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the Town must approve by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, these guidelines set May 1, 2019 as the deadline for all cities and counties to submit their FY 2019–20 SB 1 project lists to become eligible for SB 1 funds; and

WHEREAS, the Town will receive an estimated \$133,196 in RMRA funding in Fiscal Year 2019-20 from SB 1; and

WHEREAS, the Town Council has discussed the proposed projects on the list at various Council meetings and/or included the project(s) in the Town's adopted Five Year Capital Improvement program; and

WHEREAS, the Town can amend the SB 1 project list via resolution at any time if needed; and

WHEREAS, without revenue from SB 1, the Town's roads would continue to deteriorate due to the lack of funding to repair and maintain our street infrastructure,
