Parkade Project Update

The weather has slightly affected the project schedule. We anticipate that on April 8th the contractor will begin working on the ADA curb ramps at Bolinas and Broadway (in front of the Coffee Roastery) and across the street in front of the Parkade. The Parkade curb ramp will require the closure of the adjacent lane of traffic. We anticipate the work should only take 2-3 days to complete.

On April 15th, the contractor is scheduled to begin work on the curb ramp at Taylor and Sir Francis Drake (Northeast corner) and complete. We anticipate the work should only take 2-3 days to complete.

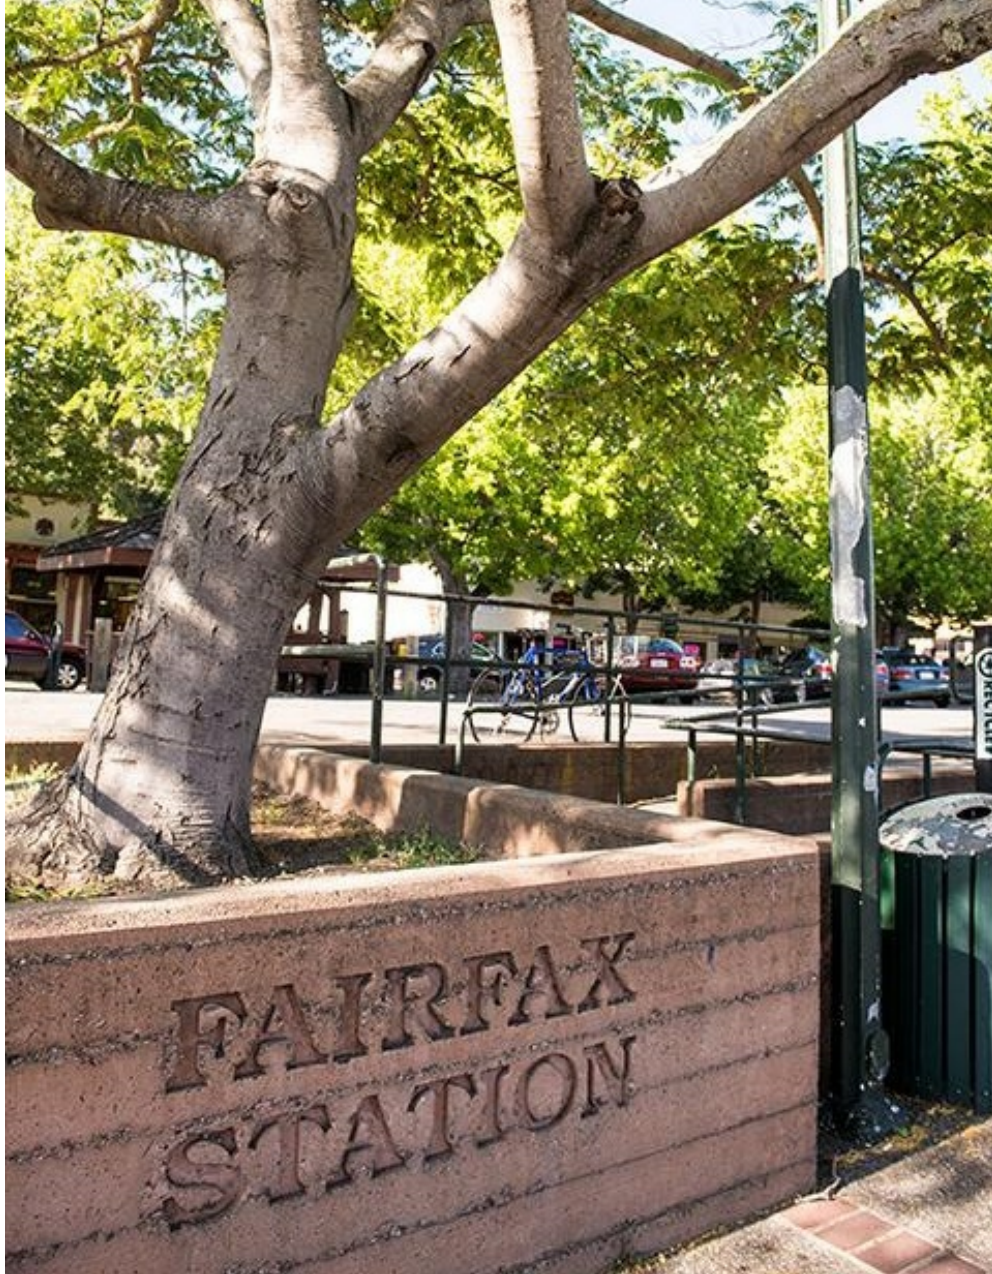

On April 22nd, the contractor is scheduled to begin work on the sidewalk and driveway between Siam Lotus and Peri's Bar. This work will take about a week to complete.

There will be signs detouring pedestrians around the construction areas, as appropriate. The contractor and/or staff will be coordinating its efforts with the impacted businesses and property owners.

Overall, the weather and changes in project design have slightly impacted the project schedule, but we anticipate the project to be completed in early/mid-May. Please note the above work schedule is dependent on the weather.

We apologize for the inconvenience, and thank you for your patience.

Fairfax Women's Club -- 46 Park Road

Join us for a FREE 2-hour seminar on wildfire preparedness for Marin residents.

As Marin residents, we all share responsibility to be prepared for wildfires. Wildfires are a natural part of our environment, and it's imperative that we build our homes, maintain our landscapes, and prepare our families for the next major fire.

Learn about your community's hazard and what you can do about it from the wildfire experts at Ross Valley Fire Department, Marin County Fire Department, and FIRESafe MARIN.

- Are you and your family prepared to safely evacuate when a wildfire strikes?
- Is your home vulnerable to igniting from wildfire embers?
- Does your home have adequate Defensible Space?
- Are you interested in working with neighbors and land managers to reduce fire risk in your community?

This workshop is intended primarily for residents, homeowners, and regular visitors to Marin County, CA. Registration online at www.firesafemarin.org/events is encouraged, but not required.
