DEPT

715 MISCELLANEOUS

Measure A funds are generated from a 1/4 cent sales tax passed in November 2012 to care for Marin's existing parks and open spaces, support regional community parks projects and programs, and further farmland preservation. 15% of the revenue generated is available to the cities and towns to enhance and manage their parks, nature preserves, recreation programs, and vegetation to reduce wildfire risk. A Measure A committee consisting of councilmembers and representatives of FOSC, PARC and the Volunteer Board make annual workplan recommendations to the council for the use of funds. The council must approve and submit a workplan to the county each year.

NOTES:

The County requires that Measure A funds be spent from within a single fund and not transferred to different funds for expenditure on a project. For example, the funds allocated to open space/parkland acquisition cannot be transferred to the Open Space Fund. The funds must remain in Fund 23 until expended. Monies not spent in FY17-18 will need to be reallocated /carried to the next fiscal year. As a result, there are currently \$30,000 allocated to open space / parkland activity which includes funding from the prior three years.

FUND DEPT 48 LEASE AGREEMENT 716 DEBT SERVICE

On January 18,2017, the Town entered into a lease financing agreement with Capital One Public Funding, LLC to refinance a significant portion of its Unaccrued Actuarial Liaibility (UAL) owed to CalPERS for Miscellaneous and Safety pensions. The Lease was in the amount of \$3,860,000 which covered payoff in full of the Town's Retirement Side Funds and Pre-2013 UAAL for both Miscellaneous and Safety employees. The lease was put out through a placement agent to competitive bid to institutional buyers and the successful proposal gave a rate of interest for the 20 year lease of 5.40%, taxable (because the proceeds benefit private parties). In comparison to what the Town was projected to pay to CalPERS, the Town will receive a Net Present Value Savings of 17.32%, or a total of \$653,340. The annual savings for each of the first 5 years will be approximately \$78,000, and annual savings in the following 16 years will range between \$28,207 and \$52,463 for a total of \$1,023,550 in savings. Payments began June, 2017.

MEASURE A WORKPLAN

MEASURE A – PARKS is detailed in Fund 23 (on page 67)

DESCRIPTION:

Measure A is the one-quarter of one-percent sales tax approved by County voters in 2012. As a condition of receiving the funds, the Town must submit a work plan to the County of Marin detailing the proposed uses of the funds. The attached work plan contains the list of eligible uses.

Each year the Town's Measure A Advisory Committee (members listed below) meets to recommend allocations for the upcoming year. For FY17-18, the County estimates Fairfax will receive approximately \$60,000 in Measure A sales tax revenue. We estimate a fund balance reserve of \$3,000 and, thus, the Committee had approximately \$63,000 to allocate.

At its May 25th budget workshop, the Town Council reviewed the recommendations of the Measure A Advisory Committee which are as follows:

	P	roposed		en e	And the Carl Constitution of the Constitution
Proposed by Measure A Committee	F	Y17-18	Ca	rry Over	Total
Parkland/Open Space Acquisition*	\$	10,000	\$	20,000	\$ 30,000
Maint/Repair Ped Trail Improvements*	\$	15,000	\$	15,000	\$ 30,000
Replace Pavilion Lighting *			\$	6,000	\$ 6,000
Construction of Bicycle Pump Track*	\$	4,000	\$	6,000	\$ 10,000
Women's Club Improv. (stage, roof, lighting)*	\$	5,000	\$	20,000	\$ 25,000
Replace Peri Park Equipment	\$	29,000	\$	_	\$ 29,000
Total	\$	63,000	\$	67,000	\$ 130,000

The asterisk (*) denotes the project was funded in previous years. The Committee does recommend that funds unspent for projects in previous years continue to be carried over to FY17-18 for those projects. The County requires the work plan to include both carryover funds and new funds.

Should a project be delayed/canceled or priorities changed, the Council can reallocate funds at any time by amending its work plan and submitting it to the County for approval.

The Measure A Advisory Committee consists of:

- Two Councilmembers: Barbara Coler and David Weinsoff
- Fairfax Open Space representative: Ray Burgarella
- Fairfax Parks and Rec Commission representative: Monty Stephens
- Fairfax Volunteer Board representative: Marcia Custer

PAVEMENT MANAGEMENT PLAN

The Pavement Management Program (PMP) is a strategy designed to assist the Town with the maintenance and rehabilitation of its roads. The PMP focuses on maintenance treatments to extend the life cycle of roads. The PMP is developed based on a software system designed to take into account the overall condition of the Town's road network and annual street capital budget. The PMP recommends the most cost effective approach for the Town to undertake to maintain its roads.

The following list identifies the road sections and maintenance treatment for the Town to undertake based on a budget of \$200,000 which also includes design costs. The list is intended to be guide for staff as field conditions may dedicate revisions to the type of road treatment (e.g., slurry seal, asphalt overlays) and which portions of the road to repair.
