

# TOWN OF FAIRFAX

## STAFF REPORT

### August 7, 2019

**TO:** Mayor and Town Council

**FROM:** Garrett Toy, Town Manager *GT*

**SUBJECT:** Approve contract with Maggiora & Ghilotti to repair a certain portion of Bolinas Road (approx. location north of Deer Park Villa) in an amount not to exceed \$26,000

---

#### **RECOMMENDATION**

Authorize the Town Manager to execute an agreement with Maggiora & Ghilotti in an amount not to exceed \$26,000 to repair a certain portion of Bolinas Rd. (approx. location north of Deer Park Villa) and allocate a contingency reserve of \$8,000 to cover unforeseen field conditions.

#### **DISCUSSION**

This project is the repaving of the "curve" just north of Deer Park Villa on Bolinas Rd. For the past few years, we were planning to include this work as part of any repaving on Bolinas Rd. required by MMWD's pipeline replacement work. However, MMWD's current project scope does not extend beyond Deer Park Villa on Bolinas Rd. and the work will not entail the entire repaving of Bolinas Rd. We believe it would be more beneficial to repair the portion of the road now as opposed to waiting to determine if any cost savings can be achieved by waiting for MMWD to complete its project. The estimate from Maggiora & Ghilotti was the lowest of three quotes obtained from contractors.

#### **FISCAL IMPACT**

The FY19-20 CIP budget allocates \$100,000 for resurfacing of portions of selected streets including Bolinas Rd. and Sir Francis Drake Blvd (CIP Project 51-810).
