RECOMMENDATION

Commit to plant four trees to endorse this year's California Clean Air Day on October 2, 2019 requested by the California's Clean Air Day Mayors Council.

DISCUSSION

Mayor Coler received a request from the California Clean Air Day Mayor's Council to endorse and pledge the Town of Fairfax's participation in this year's Clean Air Day on October 2, 2019.

The request can be located at the following link: <https://cleanairday.org/about-clean-air-day/mayors-council/>. There were several options to consider for the Town to show its endorsement of this request. The Mayor suggested the Town select the "Planting trees for Clean Air Day" option. In November, we are already scheduled to plant four trees in the downtown area.
