

ORDINANCE NO. 834

**AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF FAIRFAX
AMENDING AND RESTATING FAIRFAX MUNICIPAL CODE, TITLE 17 ("ZONING"), CHAPTER
17.110 ("MEDICAL MARIJUANA DISPENSARIES") AND REPEALING ARTICLE III ("MEDICAL
MARIJUANA CULTIVATION") OF CHAPTER 17.138, TO ADOPT ZONING STANDARDS AND
RESTRICTIONS FOR COMMERCIAL CANNABIS USES AND CANNABIS CULTIVATION FOR
PERSONAL USE**

WHEREAS, in 1996 the voters of the State of California approved the Compassionate Use Act ("CUA") (Health and Safety Code §11362.5) to enable persons residing in California who are in need of marijuana/cannabis for medical purposes to possess and cultivate it without fear of criminal prosecution under specified circumstances; and

WHEREAS, in 2004 the State enacted the Medical Marijuana Program Act ("MMPA") (Health and Safety Code § 11362.7 et seq.), to clarify the scope of the Compassionate Use Act, including the circumstances under which qualified patients and their primary caregivers could associate collectively or cooperatively to cultivate marijuana/cannabis for medical purposes without being subject to criminal prosecution; and

WHEREAS, in 2011, the Town of Fairfax approved Ordinance No. 759 adopting zoning regulations for medical marijuana dispensaries consistent with the CUA and MMPA; and

WHEREAS, the Town of Fairfax is home to the first cannabis dispensary in the country ever to receive a permit to sell medical marijuana; and

WHEREAS, in 2015, the State enacted the Medical Cannabis Regulation and Safety Act ("MCRSA," previously known as the Medical Marijuana Regulation and Safety Act), which adopted comprehensive regulations and licensing for the commercial medical cannabis industry; and

WHEREAS, in 2016, California voters approved Proposition 64, the Control, Regulate and Tax Adult Use of Marijuana Act ("AUMA"), which legalized the non-medical use of marijuana by adults over 21 years of age, and created comprehensive regulations and licensing for the adult-use commercial cannabis industry; and

WHEREAS, on June 27, 2017, the State approved Senate Bill 94, which repealed MCRSA, amended the MMPA, and consolidated the State licensing schemes applicable to both medical and adult-use commercial cannabis activity under a single regulatory framework titled the "Medicinal and Adult-Use Cannabis Regulation and Safety Act" ("MAUCRSA"); and

WHEREAS, the MAUCRSA recognizes, preserves and does not supersede or limit the authority of a local jurisdiction to adopt and enforce local ordinances that regulate state licensed cannabis businesses, including, but not limited to, local zoning and land use requirements, business license requirements, or to completely prohibit the establishment or operation of one or more types of businesses licensed under MAUCRSA within the local jurisdiction (Business and Professions Code, § 26200); and

WHEREAS, the MAUCRSA restricts the location of a commercial cannabis business premises within a 600-foot radius of a school providing instruction in kindergarten or any grades 1 through 12, day

care center, or youth center that is in existence at the time the license is issued, unless a licensing authority or a local jurisdiction specifies a different radius (Business and Professions Code, § 26054); and

WHEREAS, MAUCRSA provides that any standards, requirements, and regulations regarding health and safety, environmental protection, testing, security, food safety, and worker protections established by the State shall be the minimum statewide standards, and a local jurisdiction may establish additional standards, requirements, and regulations (Business and Professions Code, § 26201); and

WHEREAS, the Town Council of the Town of Fairfax recognizes the ongoing potential for adverse impacts on the health, safety, and welfare of its residents and business from primary and secondary effects associated with commercial cannabis business activities, such as increased traffic and parking impacts, offensive odors, increased youth exposure and normalization, increased risk of theft or other crimes, negative impacts on nearby businesses, nuisance problems, and increased DUI incidents, and that there is a need to adopt local zoning regulations to avoid or mitigate adverse impacts on the community which may arise from commercial cannabis activity; and

WHEREAS, the AUMA, as amended by the MAUCRSA, legalizes cultivation of not more than six living cannabis plants by persons 21 years of age or older for personal use; and

WHEREAS, the AUMA, as amended by the MAUCRSA, provides that a local jurisdiction shall not completely prohibit personal cultivation of cannabis inside a private residence or inside an accessory structure to a private residence that is fully enclosed and secure, but that a local jurisdiction may completely prohibit personal cultivation of cannabis outdoors (Health and Safety Code, § 11362.2); and

WHEREAS, numerous court decisions confirm that a municipality has authority to regulate medical marijuana activities, including personal cultivation of medical marijuana under the CUA and the MMPA (*Kirby v. County of Fresno* (2015) 242 Cal.App.4th 940, 964-967; see also, *City of Riverside v. Inland Empire Patients Health and Wellness Center, Inc.* (2013) 56 Cal. 4th 729; *Maral v. City of Live Oak* (2013) 221 Cal.App.4th 975); and

WHEREAS, the outdoor cultivation of cannabis unregulated by local law poses a risk of adverse effects to the public health, safety and welfare due to the potentially high cash value of the plants and the potential creation of strong odors, aesthetic impacts, noise from equipment and other impacts that can be detectable beyond the property boundaries; and

WHEREAS, the indoor cultivation of cannabis has potential adverse effects to the health and safety; including structural damage due to increased moisture and excessive mold growth and a risk of fire and electrocution due to improper wiring or equipment; and

WHEREAS, on November 1, 2017, the Town Council adopted Urgency Ordinance No. 809 pursuant to Government Code Section 65858, establishing a forty-five (45) day moratorium on all commercial cannabis uses to the extent allowed by law in light of the passage of the AUMA and MAUCRSA; and

WHEREAS, the Town Council extended the moratorium for the full two years authorized under Government Code Section 65858 pursuant to Urgency Ordinance Nos. 812 and 820, to allow the Town to complete its study of potential cannabis regulations; and

WHEREAS, the Town Council, Planning Commission and Town staff have conducted numerous meetings, community outreach, and analyses to determine what types of commercial cannabis uses should be

allowed to establish in the Town and what appropriate regulations should be required, if any, in light of the passage of the AUMA and MAUCRSA; and

WHEREAS, as a result of that study, and in accordance with Business and Professions Code, Sections 26054 and 26200, this Ordinance effects zoning regulations, including buffers for sensitive uses, for the physical establishment of certain commercial cannabis retail uses within Fairfax, while prohibiting all other commercial cannabis uses at this time (including all commercial cultivators, manufacturers, testing laboratories, distributors and microbusinesses), to meet the unique local needs of the community and to protect the public health, safety, and welfare; and

WHEREAS, the Town Council of the Town of Fairfax has determined that reasonable regulations regarding the establishment and operation of cannabis delivery-only retailers (also known as non-storefront retailers) and medicinal cannabis storefront retailers in the Town, subject to a commercial cannabis business permit, will provide an appropriate balance between the Town's interests in fostering retail commercial activities and lawful community access to cannabis, while also protecting the public health, safety, and welfare of Fairfax residents; and

WHEREAS, it is also the desire of the Town Council to update the Town's regulations applicable to cultivation of cannabis for personal medical use and for personal adult-use for consistency with AUMA, as amended by MAUCRSA, and to protect the public health, safety, and welfare; and

WHEREAS, nothing in this Ordinance shall be construed to allow any activity relating to cannabis that is otherwise not expressly allowed in the Fairfax Municipal Code or is illegal under State law, or allow persons to engage in conduct that endangers others or causes a public nuisance; and

WHEREAS, nothing in this Ordinance shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. 841 or to permit any activity that is prohibited under said Act except as mandated by State law; and

WHEREAS, the Town Council directed the Planning Commission to consider zoning amendments to address commercial cannabis uses on August 15, 2018; and

WHEREAS, the Planning Commission held eight public hearings, and ultimately voted on April 11, 2019 against the proposed zoning text amendments; and

WHEREAS, the Town Council held a study session on May 1, 2019 and a duly noticed public hearing on June 5, 2019 concerning proposed commercial cannabis regulations, and has received public comment on the matter; and

NOW, THEREFORE, the Town Council of the Town of Fairfax does ordain as follows:

Section 1. **Recitals.** The above recitals are true and correct and are hereby incorporated into this Ordinance.

Section 2. **Code Amendment.** Chapter 17.110, entitled "Medical Marijuana Dispensaries" of Fairfax Municipal Code, Title 17 ("Zoning") is hereby amended and restated as set forth in full on Exhibit "A," attached hereto and incorporated herein by reference.

Section 3. **Code Repeal.** Article III, entitled “Medical Marijuana Cultivation,” of Fairfax Municipal Code, Title 17 (“Zoning”), Chapter 17.138 (“Regulations Applying In Multiple Zoning Districts”) is hereby repealed.

Section 4. **General Plan Consistency.** The Town Council finds and determines that the amendments to the Town’s zoning code would, in fact, conform to the Town’s General Plan on the basis of the following:

- (a) The Ordinance permits limited numbers of certain commercial cannabis retail uses in existing commercial zones. This Ordinance is consistent with Fairfax General Plan Land Use Element Goal LU-5 to “manage future growth while preserving the area’s natural resources” and with Policy LU-5.1.1, which provides that “[n]ew and renewed development shall occur primarily as infill development;” and
- (b) By allowing local cannabis retailers and mitigating the need for residents to utilize cannabis retailers located in other jurisdictions, the Ordinance is also consistent with Fairfax General Plan Conservation Element, Program CON-1.3.1.4: Educate citizens on primary means to reduce GHG emissions, such as transportation choices and supporting the local economy, including locally-grown foods and local businesses, to reduce GHG emissions; and
- (c) The Ordinance allows cannabis retailers to provide cannabis deliveries in Town. This is consistent with Fairfax General Plan Circulation Element Goal C-6, which seeks to “promote less reliance on single-occupant vehicles” because private delivery services can potentially reduce the need for “errand-running” trips, thereby potentially reducing traffic congestion (General Plan, p. C-3); and
- (d) The Ordinance permits personal cultivation of up to six plants of medical or adult-use cannabis per private residence pursuant to State law, subject to reasonable regulations to minimize potential adverse impacts to surrounding neighbors and the general public. Additionally, the Ordinance limits the number of commercial cannabis retail locations to two and limits storefront retailers to medical-use sales only. No other community in Marin County provides for adult-use cannabis storefront retailers and allowing adult-use storefront retailers in Fairfax could create undue traffic, parking impacts and strain on town’s resources and quality of life. By addressing potential neighborhood and community impacts, this Ordinance is consistent with Fairfax General Plan Land Use Element Goal LU-7 to “preserve community and neighborhood character” and with Objective LU-7.2 to “[p]reserve, maintain, and enhance in a sustainable manner, the existing character, scale, and quality of life in Fairfax’s residential neighborhoods;” and
- (e) By limiting the wattage of indoor grow lights and prohibiting the use of gas products in connection with personal cannabis cultivation, the Ordinance is also consistent with Fairfax General Plan Safety Element, Goal S-3, to minimize risk due to fires, and Objective S-3.1.1 to protect people and property from risks associated with urban and wildland fire.

Section 5. **Severability.** If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The Town Council hereby declares that it would have passed this Ordinance and each and every section,

subsection, sentence, clause or phrase not declared invalid or unconstitutional without regard to whether any portion of the Ordinance would be subsequently declared invalid or unconstitutional.

Section 6. CEQA. The Town Council hereby determines that this Ordinance is exempt from environmental review under the California Environmental Quality Act ("CEQA") (California Public Resources Code §21000 et seq.) pursuant to State CEQA Guidelines Section 15061(b)(3) and Business and Professions Code Section 26055(h), each as separate and independent bases. This Ordinance is exempt under the general rule that CEQA only applies to projects, which have the potential for causing a significant effect on the environment. Pursuant to State CEQA Guidelines, Section 15061(b)(3) it can be seen with certainty that the Ordinance will not have a significant effect on the environment because it would permit limited numbers of certain cannabis retailers in zones where medical marijuana dispensaries and other similar uses are currently permitted, and because it would impose reasonable regulations on personal cultivation of cannabis that was legalized under State law. With respect to personal cannabis cultivation, this Ordinance also qualifies for the Class 3 and Class 4 exemptions because the amendments authorize indoor cultivation in existing structures and, for outdoor cultivation, only minor private alterations in the condition of land, water, and/or vegetation akin to new gardening on private residential property. Additionally, Business & Professions Code Section 26055(h) provides that CEQA does not apply to the adoption of an ordinance by a local jurisdiction that requires discretionary review and approval of permits to engage in commercial cannabis activity that includes applicable environmental review. The Town Council hereby directs the Town Manager or his/her designee to prepare and file a Notice of Exemption within five business days following adoption of this Ordinance.

Section 7. Effective Date; Posting. This Ordinance shall be effective 30 days following its adoption by the Town Council. Copies of this Ordinance shall, within fifteen days after its passage and adoption, be posted in three public places in the Town of Fairfax, to wit: 1. Bulletin Board, Town Hall Offices; 2. Bulletin Board, Fairfax Post Office; 3. Bulletin Board, Fairfax Women's Club building.

Section 8. Filing with State Licensing Authorities. The Town Clerk shall submit a copy of this ordinance to the Bureau of Cannabis Control as provided by Business and Professions Code, Section 26055.

The foregoing Ordinance was introduced at a regular meeting of the Town Council on the 7th day of August 2019, and duly adopted at the next regular meeting of the Town Council on the 4th day of September 2019, by the following vote, to wit:

- C. This Section is not intended to give any person or entity independent legal authority to operate an adult-use cannabis non-storefront retail delivery service, it is intended only to clarify the zoning restrictions regarding certain existing medical marijuana dispensaries that may conduct adult-use cannabis deliveries in the Town pursuant to this Code and state law. This Section is in addition to any other business license and regulatory requirements imposed on medical marijuana dispensaries and non-storefront retail cannabis delivery services by this Code or other applicable state law.
