

November 5, 2019 Local Elections

WHAT'S NEW AT MARIN'S POLLING PLACES?

People are hearing about Marin's new voting system. Will voters notice a change at the polls?

- Polling place voters will continue to vote on a paper ballot and put their ballot in the same secure ballot box.

NEW There will be no tabulators at polling places. All ballots voted at the polls will be tallied in the Elections Department on election night instead of at polling places.

Election Night Procedures

- After polls close at 8 p.m., the number of ballots cast will be counted and the total recorded before ballots are returned to the Elections Department.

NEW At the Elections Department, staff will tally polling place ballots using high speed tabulators to get results from the polls on election night.

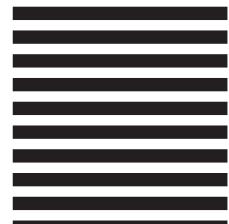

Do you prefer to vote by mail? Complete and return form on other side.
