TO: Mayor and Town Council
FROM: Garrett Toy, Town Manager *GT*
SUBJECT: Receive update that the EIR professional services agreement for the Marinda Heights project will be rescheduled for a future meeting to be determined.

In November, staff reported that the agreement with the environmental consultant was tentatively continued to the Council meeting of December 4, 2019. However, the applicant has indicated he is considering revisions to the project description for the EIR. As a result, this matter will be continued to a future meeting to be determined.

Application processing is on hold until approval of an agreement with an environmental consultant.

Staff recommends that persons who wish to receive updates of information, meetings, etc. about the Marinda Heights subdivision sign up via the following link:
