

Fairfax Craft Faire 2019

Dear Craft Fair 2019 Participant,

Thank you so much for your participation in the 8th Annual Fairfax Craft Fair. This year promises to be another fun and exciting event, and we are glad to have you all on board!

DATE: Saturday, December 7th

HOURS: 11am to 5pm

The following is some important information for all participants:

- We will only provide a table if you specified that you needed one! If you didn't then we will **not** have any extra to provide you with.
- The tables are 6'x3' and the spaces are 5'x7'
- We **will** be providing chairs.
- The Pavilion is 100 year old building, so, there is no electrical access for vendors.
- Lunch will be sold at the Craft Fair or you can go to one of the local restaurants or grocery stores.

LOCATION:

The Craft Fair is located in the Fairfax Pavilion (just up the hill from the Fairfax Town Hall) and the Fairfax Ball Field. The Pavilion & adjoining ball field are located near the corner of Bolinas Road (142 Bolinas Rd) and Elsie Lane in Fairfax, in Marin County, less than an hours' drive from the Golden Gate Bridge.

SCHEDULE:

FRIDAY, December 6th

The Pavilion will be open from 3pm-5pm for loading in. At the front, side & back of the Pavilion there will be loading zone only-no parking available. We recommend that you come early to make sure you get everything you need. Members of the Craft Fair volunteer staff will be on hand to help locate your table. We will lock the Pavilion at 5pm & have an alarm on the building.

SATURDAY, December 7th

The Pavilion will be open at 9am. You can set up your booth that morning, but please be ready to sell by the 11:00am start time.

PARKING:

The Craft Fair Organizers cannot hold parking spaces for exhibitors.

Saturday morning between 9am - 10am we will hold a few spaces in the Pavilion parking lot on Bank Street for quick unloading and exiting. This lot will not be available to vendors after 10am for parking. It will be only for attendees of the

fair. We want to be sure that shoppers have a place to park so they can shop all day!

Parking for the whole day – We are happy to be able to provide parking passes again this year. We will have them available by download on the website (please do your best to print one before you arrive) or the day of the faire. They are **only** for Vendors and they will allow you to park in a spot designated as 4 hours **for the whole day!** Just place the parking pass in your front windshield and the Fairfax parking attendants will know that you are a vendor at the faire and will not site you.

THE BEST APPROACH:

The best way to get to the Pavilion is from Bank Street/Elsie Lane. From Sir Francis Drake, turn left at the stoplight on Claus Street (across from the old Good Earth/Rhino Gas Station) a quick right on Broadway, and another quick left on Bank Street, just before the Bank of America.

If you are using a navigation system/map type in Elsie Lane, Fairfax, CA and that will give you the most accurate directions
