#### **RECOMMENDATION**

Discuss/consider Climate Action Committee (CAC) workplan for FY20-21 and direct staff as appropriate

#### **DISCUSSION**

The CAC has prepared a workplan for the Council's consideration. The CAC and staff would like Council direction on CAC's workplan and priorities.

Vice Mayor Ackerman and Councilmember Hellman are the Council's representatives to the CAC. Walt Vernon, the CAC chair, will make a presentation to the Council on the CAC workplan at the meeting. Attached are various documents prepared by the CAC, which offer more detail on their proposed workplan.

#### **FISCAL IMPACT**

The FY19-20 budget allocates \$20,000 in energy improvements for Town owned facilities. Any costs beyond that would best be discussed as part of the FY20-21 budget approval process.
