

## OBJECTIVE DESIGN + DEVELOPMENT STANDARDS

# UPDATE ON PLANNED COMMUNITY MEETINGS

What is the Objective Design and Development Standards county-wide effort? Communities in Marin County want to ensure that design guidelines for multifamily housing developments maintain a high quality and will be context sensitive.

In-person meetings were planned on March, 11, 17, 18 and 19. However, out of an abundance of caution, the Marin County Department of Health and Human Services (HHS) is recommending the cancellation or postponement of nonessential indoor gatherings of more than 100 people to prevent the spread of COVID-19, commonly called the novel coronavirus.

The Objective Design and Development Standards team is taking precautions to ensure the health and safety of residents. **For this reason, the following community meetings are canceled:**

San Anselmo - March 11, 2020; Novato - March 17, 2020; San Rafael - March 18, 2020; Corte Madera - March 19, 2020

In place of in-person meetings, we will be hosting a **live online community webinar** to share information about the project objectives, followed by an opportunity to ask questions. The video will be posted to the project website after the webinar, as a resource.
