Shelter in Place submission by Amanda Denny

We know this time has been difficult for so many and want you to know we have been thinking of you all. Based on the latest information from the seven Bay Area Health Officers, the Shelter in Place order will extend until May 31st. We are eventually looking at slowly re-opening our facilities and programs soon thereafter and excited to welcome you back. While Fairfax Festival has been cancelled and all large events, we will be offering Fairfax Theater Company's summer play and our small group camps later in the summer.

All of our programs will follow the new public health guidelines. See [here](#) for some of the changes we are discussing and considering.

ONLINE

Even though our offices and facilities will continue to have limited hours, we do have some online offerings that we hope are helpful. Since our last newsletter update in April, we have added a dance class for seniors with Sisi and FOUR MORE free yoga classes with Tamela. We are exploring offering online classes ongoing as needed.

You can check out our [online classes and resources here](#).

SUMMER

Camps! Sign up today!

We are excited to provide youth and their families this summer with some small group camp options—a new photography for teens camp and our longstanding favorite Camp Fairfax.

We also are implementing a new online registration system this year and it is now live!

Fairfax Theater Company – will be providing entertainment for us this summer with a hybrid performance of a limited live audience

and a radio production whereby folks can tune in and enjoy some creative theater from the comfort of their homes. Stay tuned for more information on the town website and at: www.fairfaxtheatrecompany.com

**We will do our best to include all submissions based on space and quality but cannot guarantee your image will be featured.*
