**Town of Fairfax Proposed Operating and Capital Budgets for Fiscal Year 2020-21**

Dear Mayor and Town Council:

Given the uncertainty of the long-term fiscal impacts of COVID-19 on the local economy, we have prepared a “baseline” budget for FY20-21. The overall Operating and Capital Budget for Fiscal Year (FY) 2021 is \$13.3M which is approximately \$400,000 less than the adopted FY19-20 budget. The primary difference is due to a large reduction in capital projects.

This Proposed Baseline Operating Budget is in essence a “placeholder” budget, until we have better data on the financial effects of COVID-19. Specifically, the budget does not fund any new programs and only includes known increases for items such as CalPERS retirement, health costs, and employee MOU’s. The budget also eliminates/reduces known one-time expenses from FY19-20 such as lower election costs. We have also made cuts in discretionary expenditures, when appropriate, and have delayed any major vehicle or equipment purchases, unless absolutely necessary. With regard to the Capital Improvement Program (CIP), we only included projects with identified grant funding and any matching requirements. We did not use General Fund reserves to fund capital projects. You may note that this budget has a brief budget message, limited CIP, and does not include a Five-Year forecast.

Our recommendation is that the Town Council conduct a mid-year budget review workshop in Fall 2020 to evaluate revenues and expenditures. In the fall, the Council would, hopefully, be better informed regarding any required budget adjustments, including implementing any priorities and programs or, make additional budget cuts, if warranted. A Five-Year General Fund Forecast and Five-Year CIP would be included as part of this mid-year budget workshop.

For FY20-21, overall General Fund revenues are projected to be approximately \$100,000 less (1.3%) than the adopted FY19-20 budget revenues. We are projecting all revenues to either decrease or remain relatively flat, except for property taxes which will have a modest increase of 4% based on County of Marin projections (property tax is based on assessed value of January 2020) and the Special Municipal Service tax which we have a slight \$5/unit increase. The largest significant drop is a 20% decrease in sales tax which is almost offset by a one-time grant of \$160,000 in State SB2 funds for planning activities and the local portion of the new Marin Wildfire Prevention Authority (MWPA) tax of \$96,000. All other revenues were either keep flat or reduced. For example, TOT (hotel tax) was reduced by 80% and recreation fees were significantly reduced to reflect the affect of COVID-19 on programs.

General Fund operational expenses are estimated to be approximately \$400,000 higher (3.8%) than the adopted FY19-20 budget. Over 80% (\$345,000) of the increase is related to contractual payroll costs, retirement obligations, and health/medical benefits. All other non-personnel costs

increased by less than 2% (approx. \$100,000) compared to FY19-20. The most significant increases can be attributed to a 3% increase approx. (\$70,000) in Fire Services and the expenditure of SB2 funds (\$160,000) for professional services in Planning. The increases in Fire and Planning are partially offset by overall reductions (approx. \$150,000) in “Supplies & Tools” and “Other Operating” expenses across all departments.

Overall, the budget anticipates dipping into General Fund Reserves by approximately \$500,000. The Dry Period Fund (Fund 02) is contributing the lion’s share (\$325,000). It should be noted that this fund was created for this specific purpose. The other General Fund reserves such as the equipment fund were also established to fund expenditures such as vehicle leases and purchases. Over the past several years, we have been building up all General Fund reserves in the event of a major downturn in the economy.

For FY19-20, we estimate budget savings of approximately \$250,000 which will be offset by \$250,000 in reduced General Fund revenues. Approximately \$200,000 of the reduced revenue is due to estimated COVID-19 decreases in sales tax revenues. The ending FY19-20 General Fund reserve balance of approximately \$3,400,000 reflects a temporary transfer of \$600,000 to cover Fund 52- Disaster Fund. The General Fund reserve will be reimbursed when monies are received from FEMA and CalOES. The projected ending fund balance for FY20-21 is approximately \$2,950,000 (26.7%) which meets the Council’s goal of maintain a minimum 25% operating reserve.

### Special Thanks

These are difficult and unique times and, we are figuring this out as we go. It has been challenging to prepare a budget remotely and, I would like to specifically thank the Finance Director, Michael Vivrette, for his efforts to make this work. I would also like to thank Town staff who have been working remotely or on-site during the Shelter-in-Place (SIP) order.

On behalf of Town staff, our “thanks” to all the Fairfax residents for their understanding and patience with the temporary changes to Town operations in response to COVID-19. We are working to prepare for the reopening of Town Hall, our facilities, and Town as a whole, when the SIP is lifted.

We also appreciate the Council’s support during these challenging times and their efforts to develop and implement programs to help residents and businesses in need. That is the essence of the Fairfax way.

Lastly, we all need to remember to *Keep Smiling* ☺

Respectfully Submitted,

GARRETT TOY  
Town Manager

### NOTES:

**Secured & Unsecured Property Taxes** - Homes, businesses, and other taxable real and personal property are subject to levy of property taxes. The fixed statutory rate is 1% of assessed valuation. Assessed value is based on the 1975 property values with subsequent increases limited to 2% or CPI growth, whichever is less. However, when there is a change in property ownership, property renovation or new construction property is reappraised at its full current market value. Property tax is the biggest revenue source for the General Fund.

**Supplemental Property Taxes** Include property taxes apportioned to the City by the County from the 1% Tax Rate of the Supplemental Roll Allocation in accordance with Revenue and Taxation Code 75.50.

**Property Transfer Tax** - The city levies a \$0.55 fee for each \$1,000 value of real property transferred in the City; the County Recorder imposes these fees and remits them to the City. Estimates are based on historical experience.

**Sales taxes** are the General Fund's second largest revenue source. The Town's 1% Bradley Burns Sales Tax is levied on all merchandise. These funds are received directly from the State on a monthly basis. Sales taxes represent approximately 29% of the General Fund revenues. Measure D is the five year 1/2 cent sales tax passed in November, 2012 and expired April 2017. Measure C is the 10 yr renewal and increase of the add-on sales tax from 1/2 cent to 3/4 cent. Revenue estimate are based on projections from Avenu, the Town's sales tax consultant.

**Utility (User) Taxes** -The Municipal Code levies an 4% tax on the value of public utilities services consumed within the Town for electricity, natural gas, and telecommunications subject to a cap of \$360. Revenue is projected to decrease

**Franchise Fees - Garbage, Gas & Electric, Cable,** The Town receives franchise fees from various public utilities and other corporations who furnish gas, electric, water, Cable TV, refuse or similar services to citizens living within town boundaries. The various fees are delineated in franchise agreements and are paid directly to the town by these franchisees. Estimates are based on historical experience considering contract amendments which impact future years.

## ROSS VALLEY FIRE DEPARTMENT

**BACKGROUND:** July 1, 1982, the Fairfax Fire Department merged with the San Anselmo Fire Department to form the Ross Valley Fire Department (RVFD), which is administered under joint powers agreement (JPA) to provide fire protection to Fairfax, San Anselmo, and the unincorporated county area known as Sleepy Hollow. Through June 30, 2010, the Department provided service to Sleepy Hollow through a contract for service with the Town of San Anselmo.

July 1, 2010, the Sleepy Hollow Fire Protection District became a full member of the joint powers agreement. With the addition of Sleepy Hollow, the percentage shares of the Fire Department budget for the three members were set at: Fairfax 30.4%, San Anselmo 52.9%, and Sleepy Hollow 16.7%.

July 1, 2012, the joint powers agreement was amended to include the Town of Ross. With the addition of the Town of Ross the percentage shares of the Fire Department budget for the four members are: Fairfax 23.95%, San Anselmo 41.68%, Ross 21.21% and Sleepy Hollow 13.6%.

**ORGANIZATION:** The JPA is governed by a Board of Directors consisting of eight (8) Directors, two from each agency. An Executive Officers position rotates between the Town Managers of each of the towns. The Executive Officer and the Fire Chief report directly to the Board of Directors.

The department is comprised of the following personnel:

- 1 Fire Chief (shared services model)
- 3 Battalion Chiefs
- 12 Captains
- 15 Engineers
- 1 Administrative Assistant
- 2 Fire Inspectors

Total: 34 full time employees plus volunteers

In FY18-19, the JPA contacted with Marin County Fire to provide the Fire Chief functions under contract with the JPA for a five year term. San Anselmo currently provides the financial services to the JPA under a service agreement.

### **FY2020-21 BUDGET:**

The Ross Valley Fire Department operating budget for FY 2020-21 is approximately \$11.5M. The budget is primarily funded through member contributions (approx. \$10.4M), outside revenues in the form of contracts for service provided to County of Marin, fees for service related to plan checks and inspections, and reimbursement by Ross Valley Paramedic Authority for costs associated with paramedic services.

Overall, the Town's contribution to the JPA will increase by approximately \$74,000 or 3% from \$2,431,154 to \$2,505,148. The Fire budget also includes \$40,000 for the Town's vegetation management program and \$15,000 for annual facility maintenance costs. These two costs are not included in the Town's annual contribution to the JPA.

Additional information regarding the Ross Valley Department is available at [www.rossvalleyfire.org](http://www.rossvalleyfire.org).

**ACTIVITY** 421 ROSS VALLEY FIRE

### ACTIVITY DESCRIPTION

The Fairfax Fire Department was merged with the San Anselmo Fire Department to form the Ross Valley Fire Authority in July 1982. The Sleepy Hollow Fire Protection District subsequently joined, as did the The Town of Ross in July, 2012. The Authority is governed by a eight person board consisting of two representatives from each area. The annual budget is formulated by the Fire Chief and the Executive Officer. Funding for the Ross Valley Fire Dept operation budget is divided between the participating agencies. Fairfax's share is approximately 23.9% of the total. Each town owns and maintains their fire stations and is responsible for budgeting equipment replacement reserves and insurance on the station houses.

## 2020-21 Operating Budget

**FUND** 23 MEASURE A - PARKS  
**DEPT** 715 MISCELLANEOUS

Measure A funds are generated from a 1/4 cent sales tax passed in November 2012 to care for Marin's existing parks and open spaces, support regional community parks projects and programs, and further farmland preservation. 15% of the revenue generated is available to the cities and towns to enhance and manage their parks, nature preserves, recreation programs, and vegetation to reduce wildfire risk. A Measure A committee consisting of councilmembers and representatives of FOSC, PARC and the Volunteer Board make annual workplan recommendations to the council for the use of funds. The council must approve and submit a workplan to the county each year.

## 2020-21 Operating Budget

**FUND 44-46 DEBT SERVICE MEASURE K**  
**DEPT 716 DEBT SERVICE**

The Measure K Debt service fund exists to handle the debt payments on the Measure K General Obligation bonds issued between FY2000-2006 to fund capital improvements to community facilities, streets, and storm drains within the Town. Borrowed funds were spent from the Fund 54 Measure K capital Improvement fund. Revenues are raised property taxes designated for debt service at a rate adopted by council annually sufficient to pay principal and interest on the bond issues. The 2000 series bonds were refinanced in 2008 which provided \$158,050 of additional project funds. The 2002 series bonds were refunded in 2012 which provided \$193,726 of additional capital for Measure K street purposes. The Town refunded the 2006 issue in May, 2016 reducing debt service(interest) costs to ratepayers (See Fund 46). The rate charged to ratepayers will be .0250 per \$100 of Assessed valuation, down 9.1% from .0275 assessed in FY19.

## 2020-21 Operating Budget

**FUND 48 LEASE AGREEMENT**  
**DEPT 716 DEBT SERVICE**

On January 18, 2017, the Town entered into a lease financing agreement with Capital One Public Funding, LLC to refinance a significant portion of its Unfunded Accrued Liability (UAL) owed to CalPERS for Miscellaneous and Safety pensions. The Lease was in the amount of \$3,860,000 which covered payoff in full of the Town's Retirement Side Funds and Pre-2013 UAL for both Miscellaneous and Safety employees. The lease was put out through a placement agent to competitive bid to institutional buyers and the successful proposal gave a rate of interest for the 20 year lease of 5.40%, taxable (because the proceeds benefit private parties). In comparison to what the Town was projected to pay to CalPERS, the Town will receive a Net Present Value Savings of 17.32%, or a total of \$653,340. The annual savings for each of the first 5 years will be approximately \$78,000, and annual savings in the following 16 years will range between \$28,207 and \$52,463 for a projected total of \$1,023,550 in savings. Payments began June, 2017.

# MEASURE A WORKPLAN

TO BE UPDATED AFTER BUDGET HEARING

MEASURE A – PARKS is detailed in Fund 23 (on page 67)

## DESCRIPTION:

Measure A is the one-quarter of one-percent sales tax approved by County voters in 2012. As a condition of receiving the funds, the Town must submit a work plan to the County of Marin detailing the proposed uses of the funds. The attached work plan contains the list of eligible uses.

Each year the Town’s Measure A Advisory Committee (members listed below) meets to recommend allocations for the upcoming year. For FY19-20, the County estimates Fairfax will receive approximately \$63,000 in Measure A sales tax revenue. We estimate the Town will have approximately \$131,000 in carry-over funding for projects. At its May 1<sup>st</sup> meeting, the Town Council approved the recommendations of the Measure A Advisory Committee which are as follows:

MEASURE A PARK FUNDS ALLOCATION Recommended Allocations for FY19-20	A Est. Expenditures FY18-19	B Proposed Carryover FY18-19	C Proposed Allocation FY19-20	D Recommended w/carryover FY19-20

	\$ -	\$ -	\$ -	\$ -
<b>Total</b>	\$ 30,537	\$ 130,899	\$ 62,935	\$ 193,834

The Committee recommended that funds unspent for projects in previous years continue to be carried over to FY19-20 for those projects. The County requires the work plan to include both carryover funds and new funds. Should a project be delayed/canceled or priorities changed, the Council can reallocate funds at any time by amending its work plan and submitting it to the County for approval.

The Measure A Advisory Committee consists of:

- Mayor Barbara Coler and Vice-Mayor Renee Goddard
- Fairfax Open Space representatives: Chance Cutrano, Jack Judkins
- Fairfax Parks and Rec Commission representative: Chris Borjian
- Fairfax Volunteer Board representative: Marcia Custer

## PAVEMENT MANAGEMENT PLAN

The Pavement Management Program (PMP) is a strategy designed to assist the Town with the maintenance and rehabilitation of its roads. The PMP focuses on maintenance treatments to extend the life cycle of roads. The PMP is developed based on a software system designed to take into account the overall condition of the Town's road network and annual street capital budget. The PMP recommends the most cost effective approach for the Town to undertake to maintain its roads.

The following list identifies the road sections and maintenance treatment for the Town to undertake based on a budget of \$200,000 which also includes design costs. The list is intended to be guide for staff as field conditions may dedicate revisions to the type of road treatment (e.g., slurry seal, asphalt overlays) and which portions of the road to repair.
