DISCUSSION

The Council requested monthly updates on the Town's Business Recovery programs. We have the following to report:

- We have issued one Temporary Use Permit (TUP) for the Lodge. We are in discussions with other interested parties.
- We have issued two encroachment permits: Gestalt Haus and Hummingbird. We anticipate issuing several more over the next two weeks.
- Small Business Recovery Grants- We have issued 12 grants. There are a few more in the pipeline.
- We are working to implement the use of the Mono parking lot from Thursday to Sunday.
- We are also working to use the public parking spaces on Bolinas Rd.

This is just the early stage of implementing all the programs. We anticipate having more to report next meeting.
