Subject: Town Council Meeting item 14

Hello Michele,

Please forward this email to the Council Members and Mr. Toy and make it a part of the public record for the upcoming June 3, 2020 Council meeting.

Thank you .

Deborah

Regarding item 14 on consent calendar

I suggest a 10% reduction in salary for Town staff during this pandemic in order to help offset the loss of income from sales taxes and other sources. U.C. is doing so. The Town of Larkspur is doing so as are other towns. Most of our small business owners are experiencing a much more dramatic loss of income than 10%. Using March payroll as an example we could save \$26,600 every month. Thank you for your consideration.
