**Town of Fairfax Proposed Operating and Capital Budgets for Fiscal Year 2020-21**

Dear Mayor and Town Council:

Given the uncertainty of the long-term fiscal impacts of COVID-19 on the local economy, we have prepared a “baseline” budget for FY20-21. The overall Operating and Capital Budget for Fiscal Year (FY) 2021 is approximately \$13.3M of which \$11.1M is for General Fund operations, \$1.2M for capital projects, and \$1M for debt service/other funds.

This Proposed Operating Budget is a baseline budget because it does not fund any new programs and only includes known increases for items such as CalPERS retirement, health costs, and employee MOU’s. The budget also eliminates/reduces known one-time expenses from FY19-20 such as lower election costs. We have also made cuts in discretionary expenditures, when appropriate, and have delayed any major vehicle or equipment purchases, unless absolutely necessary. With regard to the Capital Improvement Program (CIP), we only included projects with identified grant funding and any matching requirements. We did not use General Fund reserves to fund capital projects. You may note that this budget has a brief budget message, limited CIP, and does not include a Five-Year forecast.

Our recommendation is that the Town Council conduct a mid-year budget review workshop in Fall 2020 to evaluate revenues and expenditures. In the fall, the Council would, hopefully, have better data regarding the long term effect of COVID-19 on the economy. At that time, the Council could make any required budget adjustments, including implementing any priorities and programs or, make additional budget cuts, if warranted. A Five-Year General Fund Forecast and Five-Year CIP would be included as part of this mid-year budget workshop.

**REVENUES**

For FY20-21, overall General Fund revenues are projected to be approximately the same as the adopted FY19-20 budget revenues. While we are projecting all revenues, except for property taxes, to either decrease or remain relatively flat, the addition of new one-time and on-going revenues have offset the decreases.

Specifically, Table A below shows the comparison between FY20-21 General Fund (Fund 01) revenue projections and the adopted FY19-20 budget.

**TABLE A- REVENUE COMPARISON**

REVENUE DETAIL	FY 2019-20	FY 2020-21	VARIANCE	In %

Total Investment Earnings	\$ 126,300	\$ 51,300	\$ (75,000)	-59.4%
Total Revenue from other Agencies	\$ 50,700	\$ 207,200	\$ 156,500	308.7%
Total Charges for Current Services	\$ 240,100	\$ 223,000	\$ (17,100)	-7.1%
<b>Grand Total</b>	<b>7,345,300</b>	<b>7,391,300</b>	<b>\$ 46,000</b>	<b>0.6%</b>

*Property taxes* will have a significant increase based on the following:

- Secured and Unsecured property taxes will experience a modest increase of 4% (approx. \$120,000) based on County of Marin projections
- Excess ERAF (Education Revenue Augmentation Fund) is based on the actual amount the Town received in FY19-20. The County indicates for FY20-21 the Town should receive the same or slightly higher amount as FY19-20. The Town received \$570,000 in Excess ERAF for FY19-20 which was \$60,000 higher than estimated.
- Revenues include the new Marin Wildfire Prevention Authority (MWPA) tax of \$192,000. After the first year, this revenue will drop to \$96,000. Half the first year's revenue is a pass thru from MWPA to the Ross Valley Fire Department (RVFD) for regional defensible space inspections/mitigation activities. For the second year, we anticipate the revenue will go directly to RVFD or used by MWPA to provide the same service.
- It should be noted that property tax is based on assessed value of January 2020.

*Sales taxes* are projected to drop by 20% decrease drop to COVID-19. This estimate is based on discussions with our sales tax consultant regarding possible levels of economic recovery.

*User taxes* consists of the Town's utility user tax of 4% and TOT (i.e., Hotel tax). We are projecting a net decrease of \$57,000 (approx. 16%) in these revenues. Over the past years, the utility user tax has been decreasing each year. Due to COVID-19, we anticipate TOT may be reduced by upwards of 80% (\$17,000). TOT only represents a small fraction of Town revenues.

*Franchise Fees* include fees the Town receives for garbage, PG&E, and cable. Overall, we estimate a reduction of \$26,000 (6%) in these revenues. Specifically, the franchise fee with Marin Sanitary Services (MSS) has been reduced by \$25,000 (approx. 11%) to reflect the anticipated loss of commercial revenues to MSS due to COVID-19.

*Fines and licenses* which includes business licenses and parking fines is projected to remain the same as FY19-20.

*Rental and Maintenance* fees for Town facilities are projected to decrease by approximately \$11,000 or 43% due to COVID-19.

*Investment Earnings* reflect the significant drop in the interest rates. We project a 60% or \$75,000 reduction in interest earnings compared to the FY19-20 adopted budget.

*Revenue from other Agencies* reflects a large jump in revenues (net \$157,000) due to a one-time grant of \$160,000 in State SB2 funds for planning activities. Operating expenses also reflect this one-time expenditure.

*Charge for Current Services* are the revenues the Town receives for its services such recreation activities and dispatch services for the Town of Ross and Community College of Marin. These revenues will experience a net reduction of approximately \$17,000 (7%). Specifically, recreations fees are projected to decrease by approximately \$36,000 or 29% due to activity restrictions related to COVID-19. The loss is partially offset by miscellaneous revenues which includes the use of \$20,000 in insurance reserves that is maintained by the Town's insurance pool (Bay Cities Joint Power Insurance Authority) and can be used to help pay for annual insurance premiums. The reserve fund has a maximum limit of \$25,000; \$5,000 will remain in the fund after the use of the \$20,000.

A more detailed comparison of revenues by line item is shown in the expanded Table A following this budget message.

*The "true" impact of COVID-19 on General Fund revenues is an approximate decrease of \$480,000 or 6.6% when compared to the FY19-20 adopted budget (note: add up all the negative revenue numbers). In essence, the increase in property taxes, the new MWPA tax, and the one-time SB2 grant mask the losses of General Fund revenues due to COVID-19.*

## **OTHER GENERAL AND SPECIAL FUNDS**

The other major funds which contribute revenues towards operating expenses include:

*Building & Planning* (Fund 04)- Revenues (\$559,000) are projected to be approximately 18% lower than FY19-20. While Building & Planning fees are slated to increase by a net 15% (i.e., each fee is increased by a different percentage), the increase is offset by a reduction in applications caused by the economic impacts of COVID-19.

*Retirement Fund* (Fund 06)- Revenues are from a Pension Obligation Parcel Tax which was established in the 1960's. Property owners pay \$.091 per \$100 of assessed valuation. This revenue is estimated to increase by 4% or approximately \$80,000 (FY19-20: \$1.631M; FY20-21: \$1.713M). These funds can only be used for retirement related costs.

*Special Police* (Fund 07)- This is the annual COPS grant received from the State. The Town receives approximately \$100,000 every year.

*Measure F/J* (Fund 20)- This is the special municipal service tax of \$195/residential & commercial unit. It can be used for public safety, youth/senior programs, capital projects, and wildfire prevention activities. The estimated amount of approximately \$713,000 remains the same as FY19-20.

*Gas Tax* (Fund 21)- Gas tax revenue collected by the State is distributed to cities/towns based on population. Gas tax can used for road maintenance/repair and capital projects. We projected an

approximate 10% decrease in Gas Tax based on State projections which primarily impacts capital projects.

Overall, the above funds combine to contribute approximately \$3,375,000 in revenue to the General Fund. This amount is approximately the same as in FY19-20.

**EXPENDITURES**

General Fund operational expenses are estimated to be approximately \$436,000 higher (4.1%) than the adopted FY19-20 budget. The increases can be generally categorized as follows:

- Approximately \$206,000 for contractual payroll costs, retirement obligations, and health/medical benefits across all departments.
- Approximately \$291,000 for professional service costs for planning studies per the SB2 grant, Fire and MWPA activities, and additional janitorial costs to regularly disinfect town facilities due to COVID-19 (see below for more detail).
- An approximate reduction of \$62,000 combined in the supplies and other operating expense categories.

Table B below shows a comparison between the adopted FY19-20 budget and the proposed FY20-21 budget by department/division.

**TABLE B - EXPENDITURE COMPARISON**

	FY 2019-20	FY 2020-21	Budget	In %
	Adopted	PROPOSED	Variance	
Town Council	289,097	291,889	2,791	1.0%
General Administration	835,211	854,402	19,191	2.3%

Public Safety	6,175,946	6,446,081	270,135	4.4%
Public Works	803,271	801,547	(1,724)	-0.2%
Recreation & Community Services	263,707	269,335	5,628	2.1%
Parks & Facility Maintenance	339,547	349,572	10,025	3.0%
Non-Departmental	<u>1,009,026</u>	<u>974,860</u>	<u>(34,166)</u>	<u>-3.4%</u>
TOTAL	10,513,034	10,948,742	435,708	4.1%

Table B shows that the majority of the increase is in three departmental categories: Development Services, Public Safety and Parks & Facility Maintenance Facilities.

*Development Services* is the Planning and Building Services Department. Almost all of the projected increase is related to the use of one-time SB2 grant funds (\$160,000) received from the State for professional services such as the development of objective development standards.

*Public Safety* consist of Police, Ross Valley Fire Department (RVFD), and Disaster Preparedness. RVFD projects an approximate 3% increase (\$70,000) in Fire Services. The budget also reflects \$96,000 in costs for MWPA funded defensible space inspections for this year. The defensible space inspections were previously funded by the Town, but is now replaced

by the MWPA funding at a higher level of service. Police costs increased by approximately \$158,000 or 4.4% and is primarily due to MOU and retirement costs.

*Parks & Facility Maintenance* reflects the doubling for janitorial costs (approx. increase of \$20,000) for increasing the cleaning of Town rental facilities from 3 days/week to 5 days/week and the additional need for disinfecting our facilities. Building maintenance costs for town facilities occupied by staff (i.e., Town Hall, PD, Finance) also doubled by a similar amount, but those costs are distributed on a prorated basis to all departmental budgets.

A more detailed comparison of expenditures by department/division is shown in the expanded Table B following this budget message.

### **GENERAL FUND RESERVES**

Overall, the budget anticipates dipping into General Fund Reserves by approximately \$380,000. The Dry Period Fund (Fund 02) is contributing the lion's share (\$200,000). It should be noted that this fund was created for this specific purpose. The Retirement Fund contributed \$50,000 of its fund balance to cover a portion of the projected shortfall. The other General Fund reserves such as the equipment replacement and office equipment funds, were also established to fund expenditures such as vehicle purchases and copier leases, respectively. Over the past several years, we have been building up all General Fund reserves in the event of a major downturn in the economy.

For FY19-20, we estimate budget savings of approximately \$250,000 which will be offset by \$250,000 in reduced General Fund revenues. Approximately \$200,000 of the reduced revenue is due to estimated COVID-19 decreases in sales tax revenues. The ending FY19-20 General Fund reserve balance of approximately \$3,544,000 reflects a temporary transfer of \$600,000 to cover Fund 52- Disaster Fund. The General Fund reserve will be reimbursed when monies are received from FEMA and CalOES. The projected ending fund balance for FY20-21 is approximately \$3,200,000 (approx. 29%) which meets the Council's goal of maintain a minimum 25% operating reserve.

### **Special Thanks**

These are difficult and unique times and, we are figuring this out as we go. It has been challenging to prepare a budget remotely and, I would like to specifically thank the Finance Director, Michael Vivrette, for his efforts to make this work. I would also like to thank Town staff who have been working remotely or on-site during the Shelter-in-Place (SIP) order.

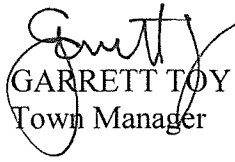

On behalf of Town staff, our "thanks" to all the Fairfax residents for their understanding and patience with the temporary changes to Town operations in response to COVID-19. We are working to prepare for the reopening of Town Hall, our facilities, and Town as a whole, when the SIP is lifted.

We also appreciate the Council's support during these challenging times and their efforts to develop and implement programs to help residents and businesses in need. That is the essence of the Fairfax way.

Lastly, we all need to remember to *Keep Smiling* ☺

Respectfully Submitted,

GARRETT TOY  
Town Manager

### NOTES:

**Secured & Unsecured Property Taxes** - Homes, businesses, and other taxable real and personal property are subject to levy of property taxes. The fixed statutory rate is 1% of assessed valuation. Assessed value is based on the 1975 property values with subsequent increases limited to 2% or CPI growth, whichever is less. Property tax is the biggest revenue source for the General Fund. Includes Marin Wildfire Prevention Authority (MWPA) tax of \$96,000 for local efforts and \$96,000 for regional defensible space inspections/mitigation activities. The regional funds are for Year 1 only until MWPA can establish its operations.

**Property Transfer Tax** - The city levies a \$0.55 fee for each \$1,000 value of real property transferred in the City; the County Recorder imposes these fees and remits them to the City. Estimates are based on historical experience.

**Sales taxes** are the General Fund's second largest revenue source. The Town's 1% Bradley Burns Sales Tax is levied on all merchandise. These funds are received directly from the State on a monthly basis. Measure D is the five year 1/2 cent sales tax passed in November, 2012 and expired April 2017. Measure C is the 10 yr renewal and increase of the add-on sales tax from 1/2 cent to 3/4 cent. Revenue estimate are based on projections from Avenu, the Town's sales tax consultant.

**Franchise Fees - Garbage, Gas & Electric, Cable**, The Town receives franchise fees from various public utilities and other corporations who furnish gas, electric, water, Cable TV, refuse or similar services to citizens living within town boundaries.

## ROSS VALLEY FIRE DEPARTMENT

**BACKGROUND:** July 1, 1982, the Fairfax Fire Department merged with the San Anselmo Fire Department to form the Ross Valley Fire Department (RVFD), which is administered under joint powers agreement (JPA) to provide fire protection to Fairfax, San Anselmo, and the unincorporated county area known as Sleepy Hollow. Through June 30, 2010, the Department provided service to Sleepy Hollow through a contract for service with the Town of San Anselmo.

July 1, 2010, the Sleepy Hollow Fire Protection District became a full member of the joint powers agreement. With the addition of Sleepy Hollow, the percentage shares of the Fire Department budget for the three members were set at: Fairfax 30.4%, San Anselmo 52.9%, and Sleepy Hollow 16.7%.

July 1, 2012, the joint powers agreement was amended to include the Town of Ross. With the addition of the Town of Ross the percentage shares of the Fire Department budget for the four members are: Fairfax 23.95%, San Anselmo 41.68%, Ross 21.21% and Sleepy Hollow 13.6%.

**ORGANIZATION:** The JPA is governed by a Board of Directors consisting of eight (8) Directors, two from each agency. An Executive Officers position rotates between the Town Managers of each of the towns. The Executive Officer and the Fire Chief report directly to the Board of Directors.

The department is comprised of the following personnel:

- 1 Administrative Assistant
- 2 Fire Inspectors

Total: 34 full time employees plus volunteers

In FY18-19, the JPA contacted with Marin County Fire to provide the Fire Chief functions under contract with the JPA for a five year term. San Anselmo currently provides the financial services to the JPA under a service agreement.

### **FY2020-21 BUDGET:**

The Ross Valley Fire Department operating budget for FY 2020-21 is approximately \$11.5M. The budget is primarily funded through member contributions (approx. \$10.4M), outside revenues in the form of contracts for service provided to County of Marin, fees for service related to plan checks and inspections, and reimbursement by Ross Valley Paramedic Authority for costs associated with paramedic services.

Overall, the Town's contribution to the JPA will increase by approximately \$74,000 or 3% from \$2,431,154 to \$2,505,148. The Fire budget also includes \$40,000 for the Town's vegetation management program and \$15,000 for annual facility maintenance costs. These two costs are not included in the Town's annual contribution to the JPA.

Additional information regarding the Ross Valley Department is available at [www.rossvalleyfire.org](http://www.rossvalleyfire.org).

**ACTIVITY** 421 ROSS VALLEY FIRE

### ACTIVITY DESCRIPTION

The Fairfax Fire Department was merged with the San Anselmo Fire Department to form the Ross Valley Fire Authority in July 1982. The Sleepy Hollow Fire Protection District subsequently joined, as did the The Town of Ross in July, 2012. The Authority is governed by a eight person board consisting of two representatives from each area. The annual budget is formulated by the Fire Chief and the Executive Officer. Funding for the Ross Valley Fire Dept operation budget is divided between the participating agencies. Fairfax's share is approximately 23.9% of the total. Each town owns and maintains their fire stations and is responsible for budgeting equipment replacement reserves and insurance on the station houses.

**FUND**            **23 MEASURE A - PARKS**  
**DEPT**            **715 MISCELLANEOUS**

Measure A funds are generated from a 1/4 cent sales tax passed in November 2012 to care for Marin's existing parks and open spaces, support regional community parks projects and programs, and further farmland preservation. 15% of the revenue generated is available to the cities and towns to enhance and manage their parks, nature preserves, recreation programs, and vegetation to reduce wildfire risk. A Measure A committee consisting of councilmembers and representatives of FOSC, PARC and the Volunteer Board make annual workplan recommendations to the council for the use of funds. The council must approve and submit a workplan to the county each year.

## 2020-21 Operating Budget

**FUND 44-46 DEBT SERVICE MEASURE K**  
**DEPT 716 DEBT SERVICE**

The Measure K Debt service fund exists to handle the debt payments on the Measure K General Obligation bonds issued between FY2000-2006 to fund capital improvements to community facilities, streets, and storm drains within the Town. Borrowed funds were spent from the Fund 54 Measure K capital Improvement fund. Revenues are raised property taxes designated for debt service at a rate adopted by council annually sufficient to pay principal and interest on the bond issues. The 2000 series bonds were refinanced in 2008 which provided \$158,050 of additional project funds. The 2002 series bonds were refunded in 2012 which provided \$193,726 of additional capital for Measure K street purposes. The Town refunded the 2006 issue in May, 2016 reducing debt service(interest) costs to ratepayers (See Fund 46). The rate charged to ratepayers will be .0265 per \$100 of Assessed valuation for FY21.

## 2020-21 Operating Budget

**FUND 48 LEASE AGREEMENT**  
**DEPT 716 DEBT SERVICE**

On January 18, 2017, the Town entered into a lease financing agreement with Capital One Public Funding, LLC to refinance a significant portion of its Unfunded Accrued Liability (UAL) owed to CalPERS for Miscellaneous and Safety pensions. The Lease was in the amount of \$3,860,000 which covered payoff in full of the Town's Retirement Side Funds and Pre-2013 UAL for both Miscellaneous and Safety employees. The lease was put out through a placement agent to competitive bid to institutional buyers and the successful proposal gave a rate of interest for the 20 year lease of 5.40%, taxable (because the proceeds benefit private parties). In comparison to what the Town was projected to pay to CalPERS, the Town will receive a Net Present Value Savings of 17.32%, or a total of \$653,340. The annual savings for each of the first 5 years will be approximately \$78,000, and annual savings in the following 16 years will range between \$28,207 and \$52,463 for a projected total of \$1,023,550 in savings. Payments began June, 2017.

Skyranch (contribution)	2014	60,000

**NOTES:** The previous policy has been that whatever is not spent during the fiscal year is then allocated to the FOSC fund balance and another \$4,000 is budgeted for the next year. The new policy is that the Town will replenish the funds used each year, but the unused funds will no longer roll into the FOSC fund balance.

The Meadow Way Bridge project is the replacement of the dilapidated existing bridge with a new concrete bridge. The project is funded by the Federal Highway Bridge Program (HBP) administered by Caltrans. The HBP covers 88.5% of design and environmental costs except for CEQA related costs. HBP covers 100% of right-of-way, construction and construction management costs. Caltrans approved NEPA in October 2019. The Town approved the Initial Study/Mitigated Negative Declaration for CEQA in June 2020.

### PROJECT 51-871 BRIDGE PREVENTIVE MAINTENANCE PROGRAM

This project is the repair of the Spruce, Main and Canyon Rd bridges under the Federal Bridge Preventive Maintenance Program administered by Caltrans. The project has been funded for Phase I and all design work. Phase I includes preliminary engineering, environmental, and community outreach works for the project. The Federal BPMP program has a matching requirement of 11.5% and does not cover CEQA costs. For FY20-21, Caltrans has indicated funding may be delayed for one year due to the lack of federal funds.

# MEASURE A WORKPLAN

MEASURE A – PARKS is detailed in Fund 23 (on page 67)

## DESCRIPTION:

Measure A is the one-quarter of one-percent sales tax approved by County voters in 2012. As a condition of receiving the funds, the Town must submit a work plan to the County of Marin detailing the proposed uses of the funds.

Each year the Town’s Measure A Advisory Committee (Committee) meets to recommend allocations for the upcoming year. For FY20-21, the County estimates Fairfax will receive approximately \$47,045 in Measure A sales tax revenue. Due to COVID-19’s impact on the economy, the County is projecting an approximate 25% reduction in revenues.

The Measure A Advisory Committee met on July 20, 2020 to discuss the allocation of funds including the carryover of funds from previous years.

Should a project be delayed/canceled or priorities changed, the Council may reallocate funds at any time by amending its work plan and submitting it to the County for approval.

The Measure A Advisory Committee consists of:

- Mayor Coler and Vice-Mayor Goddard
- 2 Fairfax Open Space members: Chance Cutrano, Jack Judkins
- Fairfax Parks and Rec Commission representative: Chris Borjjan
- Fairfax Volunteer Board member: Marcia Custer

## **PAVEMENT MANAGEMENT PLAN**

The Pavement Management Program (PMP) is a strategy designed to assist the Town with the maintenance and rehabilitation of its roads. The PMP focuses on maintenance treatments to extend the life cycle of roads. The PMP is developed based on a software system designed to take into account the overall condition of the Town's road network and annual street capital budget. The PMP recommends the most cost effective approach for the Town to undertake to maintain its roads.

The following list identifies the road sections and maintenance treatment for the Town to undertake based on a budget of \$200,000 which also includes design costs. The list is intended to be guide for staff as field conditions may dedicate revisions to the type of road treatment (e.g., slurry seal, asphalt overlays) and which portions of the road to repair. The Town will be trying an asphalt rubber product which has a higher rubber content and may allow us to treat more roads for the same costs as rubberized asphalt.

Attached are the road maps. The road detail will be available prior to the final adopted budget.
