Submit self-adhering **Mailing Labels** with this information, one name and address per label. For property owners, use the names. For residents and businesses, you may use either their name or "Occupant". Property Owners are those in the latest Assessors Tax Roll, available at the Marin County Assessor's Office

For Residents or Businesses you can get the number of dwellings or businesses on a lot from the property owner or building manager, or by counting the mail boxes, doorbells and any businesses. You may also use the reverse telephone directory at the library, use addresses shown on the mailbox, doorbell or reverse telephone directory, including any letter suffixes (134, 134A) or fractions (249, 249 1/2). If a doorbell or mailbox has a name but no separate street or apartment number, use that name for the mailing labels. There is usually a Resident anytime the Property Owner in the Townwide Tax Roll has a different mailing address.

In addition, a list of apartment/ multifamily renters is available on disk or in hard copy from the Planning Department. This list is an additional resource for creating the mailing list. Where the address of the owner differs from the location address of the property to be noticed, labels should be created for both owners and residents.
