

TOWN OF FAIRFAX

STAFF REPORT

February 17, 2021

TO: Mayor and Town Council

FROM: Garrett Toy, Town Manager

SUBJECT: Adoption of a Resolution Approving a Side Letter to Amend the Memorandum of Understanding (MOU) with Fairfax Police Officers' Association (FPOA) to extend the current MOU from June 30, 2021 to June 30, 2020 with no other changes

RECOMMENDATION

Adopt a resolution approving the side letter to amend the Memorandum of Understanding (MOU) with Fairfax Police Officers' Association (FPOA) for the period July 1, 2018 through June 30, 2021.

DISCUSSION

The current MOU with FPOA is scheduled to expire on June 30, 2021. The FPOA has met with the Town Manager and unilaterally expressed the FPOA's willingness and offer to agree to a one-year automatic extension of the current MOU with no modifications. This extension would expire on June 30, 2022. In their formal letter (see attached) confirming their offer, the FPOA "...hopes this will give the Town breathing room until greater economic certainty returns, at which point both sides can meet and confer regarding a new contract in FY22-23."

As clarification, Section XX(A) of the MOU states the MOU will automatically renew for one year, unless either party notifies the other at least 120 days prior to the annual anniversary date of a desire to modify the MOU. FPOA has proactively requested the automatic one-year extension prior to the end of the MOU period. We greatly appreciate the FPOA's understanding, desire, and willingness to be proactive in helping the Town through these unprecedented times and challenges. As stated in the FPOA letter, there are no changes to the MOU other than the extension.

It should be noted the MOU does not affect the ability of the Council to consider any recommendations of the Racial Equity Social Justice Committee (RESJ) or its Police Practices and Public Safety Alternatives (PPPSA) Subcommittee. The MOU establishes salary, benefits, and terms and conditions of employment for FPOA. It also establishes minimum staffing levels which, in essence, is one dispatcher and two officers per shift, for a 24-hour/7 day per week operation. However, this also would not preclude the Council from considering any proposed police service alternatives, supplemental services, and/or programmatic changes in the future. Council can direct staff to evaluate the effects of a specific proposal on the MOU as well as on the Town's budget/service levels at that time.

Re: FPOA AUTOMATIC RENEWAL OF CONTRACT NO CHANGES FOR FY 21-22 in accordance with section XX(A) of the existing FPOA MOU>

Dear Town Manager Toy,

The Fairfax Police Officers' Association has worked to maintain a strong, positive relationship with Town Management. The FPOA represents sworn Police Officers and non-sworn staff consisting of 911 Dispatchers and a Police Service Technician. We understand the financial impact to employ a large group such as the FPOA is costly. However, it is essential for public safety and the nature of the twenty-four seven operation of the Fairfax Police Department.

As you know, since the COVID-19 pandemic began, our members have stood on the frontline to serve the citizens of Fairfax. While much of our society has adapted to shelter-in-place conditions, with many working from home, our employees have continued to serve the community of Fairfax despite the very real increased risks to our health and safety. We recognize that sacrifice is necessary in order to keep the Town and its citizens safe and to continue serving their needs. We are dedicated to that mission.

We recognize that we are in unprecedented times and that the Town as a whole has been tasked to provide unique and atypical services to the community. The Town's finances have obviously been impacted by the COVID-19 pandemic and related shutdown of the economy within the Town.

Our current MOU is set to expire on June 30, 2021. In good faith and recognition of the financial challenges the Town is facing as a result of the COVID-19 pandemic and subsequent shelter-in-place orders, the members of the FPOA have already voted on and are willing to agree to a one-year automatic extension of our MOU with no modifications. This is in accordance with Section XX (A) of our MOU. This extension would expire on June 30, 2022. The FPOA hopes this will give the Town breathing room until greater economic certainty returns, at which point both sides can meet and confer regarding a new contract in FY 22-23.

Thank you for your attention to this matter.

Sincerely,

Jonathan Judge, President
Fairfax Police Officers' Association

UNDERSTANDINGS AND AGREEMENTS

The following understandings and agreements shall not become effective until ratified by the Town Council.

I. GENERAL PROVISIONS

A. Both parties recognize their mutual obligation to cooperate with each other to assure maximum service of the highest quality and efficiency to the Citizens of Fairfax.

B. In receiving the rights afforded by this MOU, no person shall in any way be favored or discriminated against to the extent prohibited by law because of race, creed or national origin, or because of age, sex, marital status, sexual orientation or disability.

C. This MOU is subject to all existing laws of the United States of America, State of California, and the ordinances, resolutions, and regulations of the Town of Fairfax. The Town, Association, and the employees affected thereby, unless otherwise specified herein, shall be entitled to all benefits conferred thereby and shall observe all obligations engendered thereby.

II. SALARY COMPENSATION

A. Compensation for all classifications are shown in the Salary Compensation Table attached as Exhibit A- Salary Compensation.

Effective 7/1/2018 salaries will increase 4.5% for Sergeants, 5.75% for Officers and 6.25% for Dispatchers/PST Classifications

Effective 7/1/2019 salaries will increase 4% for Sergeants, 5% for Officers and 5% for Dispatchers/PST Classifications

Effective 7/1/2020 salaries will increase 2.5% for all classifications.

Effective 7/1/2018 the classification of Lieutenant of Police is added. The salary for the Police Lieutenant is listed on the Salary Compensation Table attached as Exhibit A – Salary Compensation. The salary for the Lieutenant classification will be adjusted by the same annual salary rate increase for sergeants.

B. Department Appointed Positions - Incentive Pay

Appointed positions, as set forth by the Chief of Police, shall consist of the following named positions:

- Administrative Sergeant (No more than one police sergeant)
- Detective/Juvenile Officer (No more than one police officer and one sergeant)
- Lead Dispatcher (No more than one police dispatcher)

Any employee appointed to one of the above-named positions by the Chief of Police shall receive a 5% salary incentive step increase to their base rate of pay for the duration of their appointment to that position.

In order to retain this appointment and the 5% salary incentive, employees shall be

required to continue to meet departmental performance standards. Failure of an employee to maintain this standard shall have the appointment rescinded and the 5% incentive removed from their salary.

Employees appointed to these positions are eligible for additional specialty pay (e.g.: Detective or FTO pay) above the 5% salary incentive already received. While these appointments have no time limit the Chief of Police reserves the right to abolish any of these positions, as specified in § XXI paragraph A, 1 of the Memorandum of Understanding.

C. Regular Rate of Pay

1. An employee's regular rate of pay is the hourly rate of pay which is calculated by dividing the employee's monthly salary by 173.33.

2. Items included in determining an employee's regular rate of pay for purposes of calculating overtime, retirement and other regular pay calculations shall include the pay rate as established in the pay range of the employee's classification, education incentive pay, longevity pay, graveyard shift differential, and other payments regarded as part of the regular compensation.

D. Employees will be paid twice each month for a total of 24 pay periods each year. Pay dates are on the 15th of each month and the last day of each month.

E. An employee covered by the MOU who works a minimum of 10 hours within a pay period in a higher pay classification shall receive an additional 7.5% of base pay for the time worked in the higher classification, with the following exceptions:

- 1) A "Police Officer" who works as an "acting" Police Corporal shall receive 5%.
- 2) Should the Police Lieutenant serve as "Acting Chief of Police" for a period of longer than 15 days, he/she shall receive 5% of base pay for the time worked in the higher classification beginning on the 16th day when approved by the Chief of Police or Town Manager. This 15-day requirement may be waived by the Town Manager in the event the Chief of Police is out on extended leave or if the position is vacant.

F. Solo Pay: Any officer required to work alone shall receive an additional 5% of base pay for the hours worked alone, to be paid semi-annually. (See Section IX- Minimum staffing.)

G. Field Training Officer/Communications Trainer/Parking Enforcement: Any employee assigned as a Field Training Officer or as a Communications Trainer or Parking Enforcement trainer, shall receive additional compensation of five percent (5%) of his/her base salary for those hours spent training an assigned trainee.

H. A 5% graveyard shift differential shall be added to base pay, paid monthly for officers and dispatchers assigned to work the hours of 7pm to 7am. This will only be payable to officers and dispatchers regularly assigned to the graveyard shift

during a rotation. (This will not be applicable to officers or dispatchers filling in or assigned to hold over.) Solo pay pursuant to Section F above will still apply to officers working alone, however any graveyard officer who gets differential pay is not eligible for solo pay.

III. HOURS OF WORK

A. Regular Work Day

1. The regular workday shall consist of eight (8), ten (10) or twelve (12) hours. The regular workday includes a 30-minute meal break. When possible, the shift supervisor will arrange for the dispatcher to take the meal break away from the dispatch office.
2. In the event the staffing levels fall to a point where a ten (10) or twelve (12) hour workday is no longer feasible, the Town reserves the right to return to an eight (8) hour workday, after consultation with the Association, until staffing returns to the appropriate level.

B. Times, Regular Work Period

1. A regular work period shall be one hundred-sixty hours to be worked within a twenty-eight (28) day period beginning at 12:01 a.m., Sunday and ending at 12:00 midnight on Saturday.

C. Regular Work Week

1. For personnel assigned to 8 or 10-hour shift, a regular workweek shall be forty (40) hours to be worked within a seven (7) day period beginning at 12:01 a.m. Sunday and ending at 12:00 midnight on Saturday.
2. For personnel assigned to 12 hour shifts a regular workweek shall be eighty (80) hours to be worked within a fourteen (14) day period beginning at 12:01 a.m. Sunday and ending at 12:00 midnight on Saturday.
3. All schedules, times, hours worked are subject to the staffing needs of the department and may be changed or adjusted at the discretion of the Chief of Police.

D. Hours Worked

1. Vacation, sick leave and compensatory time off shall be counted as hours worked for overtime calculation purposes.

IV. HOLIDAYS

- A. The Town agrees to provide employees covered by this agreement eleven (11) paid holidays at 10 hours per holiday for a total of 110 hours per year.

January 1, New Year's Day
 3rd Monday in January, Martin Luther King, Jr. birthday
 3rd Monday in February, Presidents Day
 Last Monday in May, Memorial Day
 July 4, Independence Day
 1st Monday in September, Labor Day
 September 9th, Admission Day
 November 11th, Veteran's Day
 Thanksgiving Day
 Friday after Thanksgiving
 December 25th, Christmas Day

In addition to the above, any other single day appointed by the President of the United States or the Governor of the State of California and observed by the Town for a public fast, thanksgiving or holiday.

B. Employees covered by this agreement will be paid by separate check for all authorized holidays along with uniform allowance pay, on the last paycheck of May and November of each contract year. Payment will be made at the employee's regular rate of pay at the time payment is made. Holiday pay is in arrears per payroll policies.

V. VACATION

A. Vacation Entitlement

1. Employees covered by this agreement shall be eligible for vacation as follows:

Service	Hours
1 through 48 months	88 hours per year (4 years)
49 through 120 months	120 hours per year (10 years)
121 through 179 months	160 hours per year (14.9 years)
180 months and over	200 hours per year (15 years)

B. General Provisions

1. On the employee's appointment date and annually thereafter, (Jan 1st of each year) he/she shall be credited with the amount of vacation entitlement for that year, provided that no employee shall be entitled to take any vacation until he/she has at least six (6) months of continuous service. When an employee is on a leave without pay status, he/she shall not be entitled to earn vacation. Although vacation shall be credited to the employee upon appointment and annually thereafter, for purposes of calculating vacation earned upon termination, the entitlement is earned on a monthly basis calculated by multiplying the annual entitlement times hours and dividing by 12. Odd fractions will be rounded to the nearest tenth. Upon termination of an employee's service with the Town, he/she shall: (1) be paid a lump sum for all earned vacation not taken, (2) reimburse the Town for credited vacation taken but not earned.

2. The times during which an employee may take vacation shall be as approved by the Chief of Police with due regard for the wishes of the employee and particular regard for the needs of the service and with the approval of the Town Manager, provided that if the requirements of the Town service are such that part or all of an employee's vacation must be deferred beyond a calendar year, the employee may take vacation during the following calendar year or be paid for the time at the discretion of the Town Manager.

3. It is the policy of the Town that employees take their normal vacation each year; provided, however, with the approval of the Chief of Police, an employee may take less than a normal vacation in one year and carry the balance of his/her earned time over to the next year. Earned vacation leave shall not be accumulated in excess of 300 hours for any employee in any classification without authorization of the Town Manager.

4. Employees in all classifications may "cash out" up to 100hrs of accrued vacation time each fiscal year. Only those hours up to 100 hours that have been accrued by the employee may be "cashed out." This is in recognition of the practice that employees are credited vacation entitlement annually on Jan. 1st as described above in paragraph V.B.1.

VI. SICK LEAVE

A. General

1. Each employee covered by this agreement shall earn ten (10) hours of sick leave for each month or major fraction thereof served. Unused sick leave shall accumulate without limit (See section VI, E for exception.)

2. Sick leave with pay shall be granted to all full-time employees holding probationary or permanent status. Sick leave shall not be considered as a right, which an employee may use at his or her discretion but shall be allowed in cases of necessity or actual personal sickness or disability, including illness in the immediate family where the employee's attendance is required.

3. The use and disposition of accumulated sick leave may be authorized as follows:

a. Absence of an employee due to illness shall be charged to accumulated sick leave provided that, (1) the employee, or someone on the employee's behalf has notified the duty shift commander of the illness at least one hour prior to the time set for beginning his/her daily duties, and (2) the employee, upon returning to work, can substantiate the claim of personal illness during the period of absence.

b. A certificate of illness, prepared by a licensed medical doctor, may be required for any absence of three (3) or more consecutive days on account of illness and may be required by the Chief of Police for absence of shorter duration. Any absence for which a required certification of illness has not been submitted shall not be charged to accumulated sick

leave. If any employee is terminated or resigns in lieu of termination from Town services for any reason whatsoever, all accumulated sick leave shall be canceled.

B. Exceptions

1. Should an employee use sick leave for illness or injury resulting from an employment other than with the Town of Fairfax, and, therefore, be eligible for Worker's Compensation benefits, the Association hereby agrees that said employee shall forward to the Town all funds received from Worker's Compensation benefits while said employee is receiving full salary from the Town as a result of his/her use of sick leave.

C. Exhaustion of Sick Leave

1. When an employee is on sick leave status and such sick leave time due the employee has been exhausted, subsequent leave of absence shall first be charged to compensatory time accruals and then to vacation accruals that an employee has "banked", not vacation time accredited at the beginning of a calendar year as outlined in Section VB1 that has not yet been earned.

D. Catastrophic Illness - Donation of Vacation and/or Compensatory Time

1. The Town recognizes that an employee may suffer a catastrophic illness, which could exhaust that employee's sick leave, compensatory time accruals and vacation accruals. Once these accruals are exhausted other Town employees may donate hours from their vacation or compensatory time accruals towards the ill employee. For the purposes of this MOU, catastrophic illness is defined as a serious long-term injury, disease, or sickness that by its nature necessitates a long-term absence.

E. Sick Leave Buy Back

Accumulated sick leave up to 50% of accumulated time can be requested to be paid in cash upon retirement from Fairfax (including medical disability retirement) but not for voluntary separation from the Town. (This does not apply to employees who are terminated or resign in lieu of termination.) This benefit applies to any Police Employee with a combined fifteen (15) years of service with the Town or any other police agency. For any employees hired after 7/1/13, lateral time with other police agencies does not count toward the 15-year service retirement. In order to qualify for Sick-Leave Buy Back, new employees must work full time for the Town of Fairfax for a minimum of 15 years and retire with the Town.

For purposes of Sick Leave Buy Back, the sick leave cap will be One Thousand-Two Hundred-Eighty (1280) hours. (Maximum pay back is Six Hundred-Forty (640) hours

VII. INDUSTRIAL ACCIDENT LEAVE

A. Sworn employees who incur an injury or disability in the performance of their

duties shall be entitled to compensation leave in accordance with the provisions of Labor Code Section 4850. Non-sworn employees incurring an injury or disability in the performance of their duties shall be entitled to compensation leave to the extent provided by the State Worker's Compensation and Insurance Act. Any employee on injury leave shall receive full salary to the extent vacation leave and sick leave time is available to be charged for the difference between the full salary paid and the compensation insurance payments received by the Town. The first five days of injury leave shall not be offset against sick leave or vacation accruals provided:

1. The injury or disability is in fact work related
2. Time off work is necessary as determined by a physician
3. The duration of the time off work is necessary as determined by a physician

B. Full salary payments are subject to the following conditions:

1. Compensation insurance payments received by the employee, except payments received for permanent total or partial disability, shall be deposited in the Town Treasury for the period the subject employee continues to receive full salary from the Town, and;
2. Upon the expiration of available earned vacation leave and sick leave, payment of salary by the Town shall be discontinued and compensation insurance payments applicable to continued compensation leave shall be endorsed to the subject employee.

VIII. SPECIAL LEAVES

A. Miscellaneous Leaves with Pay

1. Military Leave. Military leave shall be granted by the Town in accordance with the provisions of applicable State and Federal laws.
2. Jury Leave. An employee on provisional, probationary or permanent status, when called to serve on a jury, shall be given leave to do so with pay, subject to these conditions:
 - a. The employee shall notify the Chief of Police immediately upon receipt of the notice to serve; and
 - b. Any payment except travel pay, received by the employee for serving on the jury shall be remitted to the Town.
3. Representation Time. Two (2) hours per month maximum will be granted to the designated representatives of the FPOA for necessary Association activities during work hours. In addition, representatives of the bargaining unit will be granted reasonable time for scheduled meet and confer bargaining sessions during work hours.

4. Bereavement. Up to four (4) working days not to exceed forty (40) hours not chargeable to sick leave may be used for the death of a member of the immediate family. A member of the immediate family means mother, father, daughter, son or spouse or such other person as the Chief of Police may consider to be of a comparable relationship whether that relationship has legal status or not.

5. Family leave. The Town agrees to comply with Federal and/or State language pertaining to family leave. In addition, to any and all language in the Federal/State laws, employees will also receive four (4) working days not to exceed forty (40) hours uncharged leave on the birth of an employee's child.

B. Leave of Absence Without Pay

1. The Chief of Police may grant a permanent or probationary employee leave without pay for a period not to exceed one calendar week. The Town Manager may grant a permanent or probationary employee leave of absence without pay or seniority, for a period not to exceed three months. Extension of such leave shall be granted only by the Town Council, but in no case shall the total leave of absence exceed one year.

2. No such leave shall be granted except upon written request of the employee setting forth the reason for the request and approved in writing. Upon expiration of a regularly approved leave, or within a reasonable period of time after notice to return to duty, the employee shall be reinstated in the position held at the time leave was granted. Failure on the part of an employee on leave to report promptly at its expiration, or within a reasonable time after notice to return to duty, shall be cause for discharge.

IX. MINIMUM STAFFING

A. Minimum staffing will be established as an administrative goal for 90% of the time.

A. Minimum staffing is defined as:

Sunday thru Thursday

7am – 3am Two Sworn officers and one Dispatcher

X. OVERTIME

A. Overtime is time worked beyond forty (40) hours during the regular workweek or eighty (80) hours in a two-week period for the Dispatch classification.

B. Overtime eligibility

1. Employees covered by this Memorandum of Understanding are eligible for overtime pay at the rate of time and one-half (1.5) pay at the regular rate of pay. Overtime shall be compensated to the nearest half hour. This shall apply to accumulation of all overtime during a workweek.

1a: Overtime worked in excess of 12 hours for unforeseen emergencies, events, and/or circumstances shall be compensated at 2 times the normal rate of pay. This double overtime pay is subject to approval by the Chief of Police.

2. For the Lieutenant classification, time spent outside of the normal 40hr "patrol" work-shift that is administrative in nature shall not be eligible for overtime pay. All work outside of the 40hr work week that is associated with patrol shift work, court appearances (related to patrol work), attendance at training, as examples, are all eligible for overtime. The Chief of Police will retain final authority on overtime eligibility determination.

C. Types of overtime

1. For off-duty court appearances, eligible employees will be paid a minimum of five (5) hours at their overtime rate of pay.

2. Court Cancellation. For off-duty court appearances canceled on the day scheduled, eligible employees will be paid three (3) hours at their overtime rate of pay. If the employee has reported to the location named in the subpoena prior to being notified of the cancellation, item 1 of this section shall apply.

D. Limitation of Overtime

1. It is the policy of the Town to keep all overtime usage to a minimum.

Overtime payment will be controlled by funds authorized in the approved budget. This policy extends to all varieties of overtime usage including holdover and call back. No overtime may be worked without prior authorization of the Chief of Police or a designated alternate.

XI. COMPENSATORY TIME

A. Employees may take compensatory time in lieu of overtime hours worked at their request with the approval of the Chief of Police.

B. An employee may accumulate up to one hundred-twenty (120) hours of compensatory time to be carried beyond the work period. If an employee has accumulated one hundred-twenty (120) hours then additional time worked must be taken off during the pay period or overtime pay must be received. Accumulated overtime for eligible employees for compensatory time purposes shall be accumulated at the rate of 1.5 times the actual time worked.

C. An employee may elect to convert all or some of their accumulated compensatory time to cash provided that the employee gives the Town written notice. The payment shall be made at the next pay period that occurs after the written notice is received.

XI(A) ADMINISTRATIVE LEAVE-TIME – Lieutenant Classification

A. The Police Lieutenant shall be entitled to 10 days (100hrs) of Administrative Leave time each fiscal year. Ten (10) days (100hrs) may be carried over to a following fiscal year with a maximum accrual of 20 days (200hrs). Administrative leave time has no cash value and cannot be cashed out.

XII. SCHEDULING

A. The employees' rotation schedule should be posted a minimum of four (4) months in advance with the understanding that unforeseen absences or emergencies may require changes to the schedule.

XIII. BENEFITS

A. Health and Welfare

The Town shall contribute to the Health/Dental benefits for each active employee an amount of dollars equal to the current family premium for the Kaiser Health plan and Delta Dental Health plan. Part-time employees shall be eligible for, and can elect to enroll in, medical benefits, providing the employee works at least 60% of full time for a minimum of 120 continuous days. Eligible employees will be paid, pro-rated to the number of hours worked, toward medical benefits, with the employee paying the balance to the Town. If the employee falls below the 60% requirement, the employee will pay the full amount to the Town to continue medical benefits.

Employees hired after 7/1/2013 will pay a portion of their medical coverage as

Any balance remaining from the Town's contribution amount outlined in section A above, will be added to gross salary, but not to exceed \$200 a month. For employees hired after 7/1/2013 the medical cash back benefit does not apply unless said employee has their own outside medical coverage and can show proof of coverage as outlined in section 3 below. For retirees on Medicare, the reimbursement includes an amount to cover both the Medicare and HMO Insurance premiums (employee only rates) provided the total cost does not exceed the maximum CalPERS Kaiser Basic Monthly Employee only rate, including any MEC costs to the Town, based on the above formulas. Retirees not eligible for Medicare will continue to receive an amount based on the CalPERS Basic Kaiser employee only rate based on the above formulas.

Employees hired on or after 7/1/2013 are not eligible for retiree medical coverage. For employees hired on or after July 1, 2013 covered by this MOU, the Town will contribute 1% of the employee's regular rate of pay into a Retirement Health Savings plan (RHS). **SIDE LETTER TO MEMORANDUM OF UNDERSTANDING
BETWEEN TOWN OF FAIRFAX AND FAIRFAX POLICE OFFICERS' ASSOCIATION**

The authorized representatives of the Town of Fairfax and Fairfax Police Officer's Association (collectively, "Parties") have met and conferred pursuant to the Memorandum of Understanding (the "MOU"), approved by the Town Council by Resolution No. 18-28 on August 1, 2018 and the Parties have determined that it is reasonable and appropriate to modify certain provisions of this MOU by means of this Side Letter approved by the Town Council by Resolution 20-05 on April 15, 2020.

Section 1. The following Sections of the MOU are amended *to incorporate the changes and additions as follows:*

Section II (Salary Compensation) add after Section H:

(I) Accelerated Step Increase: When an employee becomes eligible for Step E they will advance to Step F (skipping Step E) after having served in a satisfactorily level at the prior step as documented in a written performance review.

(J) Officer in Charge pay (OIC): Police Officer classification personnel who cover a minimum of five hours or more of a shift in place of a Sergeant or Corporal of Police shall receive 5% base pay incentive for the time worked in that position with approval of the Chief of Police.

(K) Bi-Lingual Pay: Full time employees shall receive a base pay incentive of 2.5% for their ability to speak basic conversational Spanish, and 5% for Spanish fluency, which includes reading and writing. Other languages shall be approved by a supervisor at a maximum rate of \$50 per day of use with a maximum of 5% of base pay in a pay period. To be eligible for "other language" pay, employees are required to submit requests to their supervisor. The requests will include a CAD incident or case number documenting the use was related to a police investigative purpose. Fluency in more than one language does not entitle an employee to multiple pay incentives.

If a bi-lingual qualified employee is off work for over 15 consecutive calendar days, the employee will not receive the bilingual incentive for the remainder of the leave (unless approved by the Chief of Police). This will not take effect if the employee is out on 4850 disability leave.

The Chief of Police, with approval of the Town Manager, will through use of an outside tester selected by the Town, determine an employee's eligibility for this pay incentive. In order to ensure that employees retain bilingual proficiency, a periodic requalification, by an outside tester selected by the Town, may be required.

Section XVI Longevity Pay (Service)

The following percentages will be applied to base pay at the following intervals

- 3 years 2%
- 5 years 3%
- 7 years 4%
- 10 years 5%
- 15 years 7.5%
- 20 years 10%

Lateral time serving other police agencies does not apply to the 10, 15 and 20 year levels.

Section V,A Vacation (service)

- 100hrs upon hire, through end of second year of service
- 120hrs at three (3) years of service
- 140hrs at four (4) years of service
- 160hrs at five (5) years of service
- 180hrs at six (6) years of service
- 200hrs at twelve (12) years of service
- 240hrs at fifteen (15) years of service

Section V, B . 3 (Vacation balance)

...Earned vacation leave shall not be accumulated in excess of 400 hours for any employee in any classification without authorization of the Town Manager.

Section XI B. Compensatory Time:

“An employee may accumulate up to one hundred-sixty (160) hours of compensatory time....”

Section VI Sick Leave (add subsection F)

For those employees who use one day or less of sick leave or industrial injury leave time (4850) in a fiscal year, 25% of the sick time that is accrued in the fiscal year will convert to compensatory time on a hour to hour basis. The Chief reserves the right to send employees home if they are determined to be “too sick” to work or if the Chief determines he/she does not want to expose other employees to the illness.

Section XIII Benefits (add subsection I) Tuition Reimbursement:

A tuition and textbook reimbursement program shall be available to Police employees to encourage and financially assist employees to continue their education and broaden their backgrounds so as to improve job knowledge, skills and capacities of their present job.

Employees will be reimbursed up to \$4,000 for eligible tuition and/or fees for textbooks and supplies under certain conditions for professional and technical courses offered by accredited colleges, universities, business, trade, or correspondence schools or by an otherwise accepted professional association or institute, as approved by the Police

Chief. The \$4,000 is the maximum amount that can be reimbursed during a fiscal year. Unused tuition reimbursement does not roll over to the next fiscal year.

Conditions under which reimbursements may be approved are as follows:

1. The course work must relate to the employee's present position or must be beneficial to the employee's related professional development, or must enhance career advancement potential within the Town as follows:
