Dear Camp Fairfax families,

This will be my 10th year overseeing the 12 year tradition of Camp Fairfax in our town. It's amazing how each summer this camp has changed and grown. We have learned so much about what works well and what aspects of the camp make it unique. I am excited to help shepherd and guide another group of children and counselors through this year. We are keeping it small and this summer have added in some special teachers and activities. I am looking forward what joys can be found as we create rhythm within our days and use our hands, body, voices and minds to explore and discover new skills and talents together.

Hi awesome families!

My name is **Aura López**, this is my first year at Camp Fairfax. I am a dancer, choreographer, artist, dance teacher, Spanish teacher, nature lover and cat fan. After getting my BA in Arts at London Contemporary Dance School, I ran an arts and culture non-profit for 10 years in Mexico, where I found the love of my life, and moved to the beautiful San Geronimo Valley. In the last year I have had the pleasure to teach at Lagunitas School district and at Roco Dance. This summer I am really looking forward to creating an environment full of imagination, fun, art and nature.

Hello Camp Fairfax families!

I'm **Naomi Jimenez** and I'm so happy to be working as a camp counselor at Camp Fairfax this summer! I can't wait to see what these two weeks will bring! I am a sophomore at San Rafael High School and have lived in San Rafael my entire life. Art is one of my passions that I have pursued since I could remember and I love expressing myself through painting, drawing, sculpting, and even baking and cooking. I enjoy running on the track team and in my spare time too. I also enjoy the outdoors and anything nature. I really look forward to welcoming our campers and making this experience as fun and exciting as possible!

Hi! I'm **Harry Hall**. I am a junior at College of Marin. I'm majoring in Psychology but my favorite activities include mountain biking, surfing, hiking and going to the beach. I have a younger brother that goes to Archie Williams High School. I love the outdoors and am really looking forward to working at Camp Fairfax!
