

# TOWN OF FAIRFAX

## STAFF REPORT

### September 1, 2021

**TO:** Mayor and Town Council

**FROM:** Camille Esposito, Communications Specialist  
Jonathon Goldman, Interim Public Works Director

**SUBJECT:** Receive results of the Outdoor Dining Survey and provide direction to staff

---

#### **RECOMMENDATIONS**

Receive results of Outdoor Dining Survey and direct staff to return to Council with a process to make outdoor dining permanent, adhering to the building codes and accessibility as well as exploring options for other public use for “parklets” throughout town.

#### **BACKGROUND**

In June 2020, in response to COVID-19 restrictions, the Council took actions to allow outdoor dining and business uses in the public right-of-way. Specifically, the Council adopted a resolution authorizing staff to issue temporary encroachment permits (TEPs) for outdoor dining and business uses in the public right-of-way (including Town-owned lands, parks, and parking spaces), and an urgency ordinance establishing a temporary use permit (TUP) process to allow businesses to apply to use their outdoor private spaces (e.g., parking lots) for their business activities. There is no fee for the TEP or TUP. Both permits are approved administratively by staff.

With action of May 5, 2021, during the course of its regular meeting, the Council adopted Resolutions No. 21-12 and 21-13 extending the term for TEPs and TUPs such that they shall all expire not later than May 8, 2022, without further action by the Council. In addition, the Council directed staff to conduct a community-wide online survey to solicit input from the community regarding the uses of the outdoor public spaces.

#### **DISCUSSION**

On August 2, 2021 we launched an Outdoor Dining Survey using Survey Monkey. We promoted the survey through our weekly newsletter, social media posts (Facebook, Instagram) and signage downtown. The Chamber supported our efforts with their own social media posts as well as fliers with a QR code to make it easier for respondents to take the survey. Originally, we planned to close the survey on August 20, 2021. Based on community feedback we extended the survey to August 27, 2021. Over the weekend (from the 20<sup>th</sup>-23<sup>rd</sup>) we received an additional 210 responses!

As of August 25th, we had 987 responses (37 businesses, 740 residents, 210 visitors). The overwhelming feedback is a welcome surprise and shows tremendous support for keeping outdoor dining options in Fairfax. 91.02% responded “yes” to making outdoor dining permanent in Fairfax, 8.98% responded “no” to making outdoor dining permanent in Fairfax. It is worth noting that even the “no” responses had constructive feedback on how to improve the program. Those who support keeping outdoor dining say they love how the community has come together to honor the “Fairfax vibe” and socialize even in these challenging times. They appreciate the energy that outdoor dining has brought to our downtown. While many love the individual options associated with specific

businesses, there are many who would like to see a community space available for all to use (i.e., the Mono Lot). Concerns over parking were not as extensive as expected, but many expressed that it is important to offer as many ADA accessible spaces close to the downtown so that those who cannot walk far can still enjoy the lively downtown options.

The full survey results as well as all comments collected through 8/25/21 are attached. Here is a summary of the responses in each category:

- Business Response – 86.11% Yes (31) 13.89% No (5)
- Resident Response – 89.25% Yes (656) 10.75% No (79)
- Visitor Response – 98.53% Yes (201) 1.47% No (3)

Based on the results of the survey, staff recommends that Council direct staff to come back to Council with a process to make outdoor dining options into permanent “parklets” that adhere to building codes and accessibility as well as exploring options for other public use of space downtown.

### **ALTERNATIVES**

- 1) Continue the survey with direction to solicit feedback from specific audiences.
- 2) Take no action at this time.

### **FISCAL IMPACT**

None identified

### **ATTACHMENTS**

- A. Overall Survey Results
- B. Business Responses
- C. Resident Responses
- D. Visitor Responses

## **Sampling of constructive criticism:**

Bolinas Road too narrow for an evacuation.

Parking is a worry. I don't want to see parkets indefinitely.

Private businesses need to be charged in some way for the square footage.

They should remain open to the public, not given to private businesses

Fairfax needs to keep outdoor dining AND solve the parking problem

Right now the town is becoming inaccessible for anyone with even small mobility limitations - I don't think that is your intent. I'd be happy if you put all the parking behind the businesses for disabled people and in parking lots on the outskirts of downtown for everyone else.

As for the loss of parking spaces, perhaps there's a way to arrange for the use of private parking lots after hours (i.e., the Bicycle Museum and the big wooden building on Bolinas). Maybe the restaurants could pay a small fee per parking space that their outdoor dining displaces, which would go to pay for public use of private parking lots.

The outdoor seating that was in the middle of town gave me a place to gather with friends and family in a safe/outdoor environment.

Please restore the outdoor seating at the end of Mono Ave next to Gestalt Haus - this has been one of my main motives to visit downtown over the last year.

Restore the open space adjacent to Gestalt Haus for all to enjoy, please.

They must be open for use to ALL people, not just the patrons of the business of which they are in front of.

Adding a bus route through town or increasing its frequency will help eliminate the issue of limited parking.

Keep the outdoor dining spaces off Bolinas Rd and have only on the other roads where there is more space.

Use the federal/state money coming to Fairfax to build a public restroom. Pt Reyes has simple stainless steel low flow toilets, minimal sink water, no frills restrooms. It eliminates abuse.

I'm tired of Fairfax giving up our precious downtown to cars! If we keep the Parkade as it is, we should put up parking meters and make them pay for themselves.

If anything COVID has allowed locals to realize how walkable thier town is. People will always complain about parking, but outdoor spaces created during COVID have brought our town together in a much more meaningful way.

We need a smarter parking and delivery plan, one that gets diesel trucks and idling cars out of our town center and allows us to use our most valuable downtown space for something more productive than car storage.

## Outdoor Dining Survey - Business Comments

### Q5 What, if any, safety issues have you observed?

Answered: 23   Skipped: 14

#	RESPONSES	DATE
1	None	8/24/2021 6:27 AM
2	Masks, sanitizing... Distancing.	8/21/2021 11:22 PM
3	None	8/21/2021 11:04 AM
4	None other than a step up onto the platforms	8/21/2021 10:35 AM
5	Just being careful	8/20/2021 4:48 PM
6	None	8/20/2021 2:39 PM
7	Diner's proximity to traffic, bike riders being squeezed into traffic, gas heaters being used very close to unprotected wood, and Plastic. Abrupt transitions or gaps between sidewalks to outdoor dining "decks". Haphazardly installed or exposed electrical wiring for lights, etc.	8/20/2021 1:51 PM
8	They do pose some safety issues since they are in the street	8/19/2021 4:21 PM
9	None. A well built parklet such as is present at the coffee roastery is secure to withstand a bump from a car turning in traffic.	8/5/2021 3:08 PM
10	When COVID has been high and spacing has been needed I haven't been thrilled with the ability to pass the Amelie parklet which spills out into the sidewalk	8/5/2021 2:47 PM
11	No safely issue. The town has become MORE safe due to traffic calming.	8/5/2021 10:58 AM
12	Dangerous proximity of children to street traffic.	8/5/2021 9:34 AM
13	none	8/4/2021 5:36 PM
14	Depends on which parklet in which location	8/4/2021 10:25 AM
15	Removal of handicap parking spot	8/4/2021 8:46 AM
16	I have seen no safety issues in action. Although I do feel coffee roasters should be located to the Broadway side of their business. Village sakes is too opaque - needs to be modified to be visually safer for drivers and pedestrians. Fradelizio's needs more barrier protection from cars.	8/4/2021 7:56 AM
17	The parking lot next to gestalt, which is not under the direct responsibility of any one business seems a bit out of control sometimes. This is a gift from the town and the businesses using it should be accountable for control and safety.	8/4/2021 6:52 AM
18	None at all.	8/4/2021 5:34 AM
19	N/a	8/3/2021 7:00 PM
20	Just people not wearing masks.	8/3/2021 6:28 PM
21	Everything looks safe	8/3/2021 4:29 PM
22	None	8/3/2021 2:34 PM
23	None Spoke with fire chiefs and they see no issues	8/3/2021 11:23 AM

## Q6 What, if any impact have the outdoor dining spaces had with regard to supplier delivery?

Answered: 25 Skipped: 12

#	RESPONSES	DATE
1	None	8/24/2021 6:27 AM
2	For us no impact	8/21/2021 11:22 PM
3	None for me	8/21/2021 11:04 AM
4	None that I have observed	8/21/2021 10:35 AM
5	Very little	8/20/2021 4:48 PM
6	Big impact for the suppliers themselves having to bring things from far away	8/20/2021 4:45 PM
7	None	8/20/2021 2:39 PM
8	None	8/20/2021 1:51 PM
9	Lose of parking	8/19/2021 4:21 PM
10	None	8/7/2021 8:33 AM
11	None.	8/5/2021 3:08 PM
12	No problems at all receiving supplies.	8/5/2021 10:58 AM
13	Limit ability of logistics to be executed.	8/5/2021 9:34 AM
14	none	8/4/2021 5:36 PM
15	For us none	8/4/2021 10:25 AM
16	Suppliers were upset they had to park 2 plus blocks away and will potentially refuse to deliver or surcharge	8/4/2021 8:46 AM
17	Signage has advised deliveries to Elsie lane - this is good. Delivery trucks often now parking in front of mas masa in red zone . Delivery drivers need to observe designated drip off locations.	8/4/2021 7:56 AM
18	None	8/4/2021 6:52 AM
19	None at all.	8/4/2021 5:34 AM
20	None	8/3/2021 7:30 PM
21	None	8/3/2021 7:00 PM
22	has not affected my studio.	8/3/2021 6:28 PM
23	None	8/3/2021 2:34 PM
24	No issues	8/3/2021 11:23 AM
25	No issue so far	8/2/2021 7:29 PM

## Q10 Please share any suggestions, including how Fairfax could make use of public spaces (ie:parks, streets, parking lots) and what those uses might include and/or feedback on the subject of outdoor dining spaces:

Answered: 28 Skipped: 9

#	RESPONSES	DATE
1	We should be able to keep the outside Dinning... It's a wonderful new addition to Faifax. Thank you	8/21/2021 11:22 PM
2	We are on sir Francis drake	8/21/2021 11:04 AM
3	Keep the outdoor spaces! They have only made experiencing our town better!	8/21/2021 10:35 AM
4	The outdoor spaces are what bring people to our town. Please keep them. Thank you	8/20/2021 4:48 PM
5	I am in favor of outdoor dining parklets with some changes for safety and the success of adjacent retailers. There needs to be more attention paid to retail visibility, to delivery ease, and to safety issues.	8/20/2021 4:45 PM
6	To qualify my "yes" answer to question #7, I'd like to see some of them become permanent, but they need to pass through the design review, engineering, and building department review process. As they are, while some are nice, as a collection look ramshackle and temporary, like dining stalls in Southeast Asian night markets.	8/20/2021 1:51 PM
7	I wanted a third option for question 7. I think the outdoor dining spaces are necessary as long as covid is a concern but not forever. I think having more outdoor eating/gathering spaces, like the one in the parking lot next to Gestalt house was great and created a social dynamic. More outdoor eating and pub options is great but not necessarily in the parking spaces in the street. A parking lot or garage would be needed if the outdoor restaurants stay indefinitely. Thank you!	8/19/2021 4:21 PM
8	please just make all outdoor temporary permits permanent to allow the huge amount of business investment during a time when they have been asked to close and lose clients. And clearly the town is benefitting as the outdoor spaces allow for the creation of greater positive community and "fairfax vibe."	8/17/2021 5:04 PM
9	More parking spaces by the skate park.	8/7/2021 8:33 AM
10	Fairfax needed more outdoor dining! Everyone at my shop loves it! We hope they stay!	8/6/2021 9:31 PM
11	It's been demonstrated clearly that outdoor dining in a pandemic that seems to have no end in sight, is the safest way to protect the unvaccinated, and allow for additional seating to increase tax revenue or any city or county. I'd be willing to bet that the revenue you collect in local tax has gone up and will continue to rise with the allowance of permanent parklets. There are already too many cars parked on the street in Fairfax and San anselmo. And San Rafael for that matter. Outdoor year round dining such as is available in cities like Barcelona is safe, effective and creates a social fabric unequaled by indoor dining alone. Let the parklets be built and stay permanently!	8/5/2021 3:08 PM
12	I have not been impressed with the Mono Lot. During the height of COVID it felt really unsafe and no one seemed to take responsibility. Tons of unmasked people having a party during a shutdown. It was super frustrating.	8/5/2021 2:47 PM
13	These outdoor dining spaces have created an incredible sense of community in the town. Like we've never had before. Customers comments are 100% positive. They love these outdoor dining spaces and want them to be forever a permanent part of the town. Bring back the Mono Parking lot Park Space. This is a loss. There was NO communication at all regarding the loss of this space. No one had an opportunity to support this outdoor space. It feels like it was removed by a few people behind closed doors. hat happened? Bring an improved version of the Mono Lot Park back. Thank you	8/5/2021 10:58 AM
14	The temporary outdoor dining spaces have negatively impacted parking, safety, and the overall	8/5/2021 9:34 AM

## Outdoor Dining Survey - Business

experience of being in the town.

15	In downtown a focus on parklets a community space should take priority over vehicle parking. Favor pedestrians. People.	8/4/2021 2:33 PM
16	Cheaper parking permits for business owners. San Anselmo has them for \$25 a year. Fairfax price is ridiculous. With less parking spaces this needs to be addressed	8/4/2021 1:45 PM
17	There is a lot to unwrap here. As far as the previous question, much information we garnered about the communication aspect was due to us being proactive and doing research. We had a big stake in all this so we were very active in seeking information when we felt we required it. As far as public use of space- ie the mono lot, if it was used as originally intended it would be nice, but due to the location it just turned into a gestalt house beer garden. All businesses used much of their resources to build out there own communal space. The town of Fairfax does not appear to have the resources to properly maintain and manage a public space like mono lot. Also with the high concentration of Parklets in such a small area of downtown the parking at mono lot is essential we feel.	8/4/2021 10:25 AM
18	The parking laws are not being monitored at all, so people are abusing the more limited street and parkade parking. In order to free up parking the police need to ticket those who stay longer than 30 minutes on the street and 4 hours in the lot.	8/4/2021 8:14 AM
19	Make a public space in small sheltered lot across from Amelie or in the parkade. If in Parkade it would help connect SFD businesses to Broadway. A common "feeling disconnected " issue for SFD merchants - this would be a great way to provide public safety as the parkade is sectioned off and connection to SFD merchants. Not putting a public space in the parkade renovation was a huge missed opportunity several years ago in my opinion! Keep outdoor dining going - the business and energy it brings is paramount to our downtown. More Sales tax =more money and vibrancy to our town.	8/4/2021 7:56 AM
20	We must, must keep these outside spaces as long as they are up to code. It is vital to business and it's part of an added charm to the town. Less parking is also a great step in the right direction for long term - having more pedestrians and bicyclist and relying / catering less to vehicles. Thank you so much for your consideration :)	8/4/2021 5:34 AM
21	While beneficial to restaurants, as a small business owner I believe it hurts retail sales.	8/3/2021 10:01 PM
22	N/a	8/3/2021 7:00 PM
23	I have really enjoyed the parklets. I love driving thru fairfax and seeing everyone enjoying the town. People on the streets means people walking around and looking at my window. It makes this town fun and festive and that gets folks out and in town.	8/3/2021 6:28 PM
24	With the outdoor eating areas our town looks very welcoming it's charming	8/3/2021 4:29 PM
25	I believe that outdoor dining parklettes TOTALLY ENHANCE the Fairfax experience. Please keep them long term!	8/3/2021 2:34 PM
26	Parklets and outdoor dining brings families and friends together , Which is the perfect use of public spaces,.something Europe learned many years ago. This adds greatly to quality of life.	8/3/2021 11:23 AM
27	Parking interests won the battle over the community eating area and the unhappiness of a huge amount of people is undeniable	8/2/2021 7:29 PM
28	It would be great for business owners and their customers if the town did a better job of monitoring parking in the timed parking spaces and lots. People (especially the visiting bike riders!) always park over the time limits, which makes it hard for my customers to find parking. I NEVER see anyone get a ticket for parking over 30 minutes in the 30 minute spaces in front of my store.	8/2/2021 7:03 PM

## Outdoor Dining Survey- Resident Comments

### Q5 What, if any, safety issues have you observed?

Answered: 358   Skipped: 390

#	RESPONSES	DATE
1	unmasked patrons outdoors without social distancing.	8/25/2021 11:11 AM
2	Harder to find parking downtown which results in overflow parking in neighborhoods.	8/25/2021 11:05 AM
3	Hallelujah, the mono parking lot is back to normal. The speed limit should be decreased to 15-20 mph in town, this includes all bicycle riders as well.	8/25/2021 10:55 AM
4	The outer edges of the parklets *appear* too close to cars passing by. So I feel safer where there is more space or construction when I am sitting by the edge.	8/25/2021 10:50 AM
5	Sanitizing, social distance, masks	8/25/2021 10:20 AM
6	Lack of parking - always an issue in Fairfax.	8/25/2021 9:40 AM
7	None	8/25/2021 9:39 AM
8	Can't see pedestrian!	8/25/2021 9:28 AM
9	None	8/25/2021 9:19 AM
10	Plandemic demonstrators given waaay too much rope from the town. Peaceful demonstration is one thing, but this is BS and went on for way too long.	8/25/2021 9:03 AM
11	Cars are slowing down and are more respectful to pedestrians	8/25/2021 8:22 AM
12	People wandering in the streets, blockage of public rights of way, increased difficulty navigating the sidewalks for pedestrians and streets for drivers. All rolling up to increased safety hazards.	8/25/2021 7:34 AM
13	The traffic is terrible!	8/25/2021 7:26 AM
14	None that I have seen. I think the dining spaces are vital in keeping our small businesses thriving in a difficult time.	8/25/2021 7:04 AM
15	None	8/24/2021 10:36 PM
16	None. Outdoor dining is a Win-win for business owners and residents alike. Keep it!!!	8/24/2021 10:11 PM
17	Lack of indoor seating	8/24/2021 8:15 PM
18	Lots of foot traffic	8/24/2021 6:35 PM
19	None, need more of this and fewer roads.	8/24/2021 5:17 PM
20	None!!	8/24/2021 3:25 PM
21	None	8/24/2021 2:27 PM
22	Barriers, fences and signs.	8/24/2021 2:02 PM
23	None. Seems safer and happier to me.	8/24/2021 1:59 PM
24	None	8/24/2021 1:57 PM
25	As you turn from Broadway to Bolinas seems a little tight there. Maybe that one should be narrower at least close to the intersection.	8/24/2021 11:42 AM
26	None	8/24/2021 10:52 AM
27	lack of 6 foot buffer between diners and pedestrians tables blocking sidewalks	8/24/2021 9:37 AM
28	None	8/24/2021 8:24 AM

## Outdoor Dining Survey - Resident

29	Creepy people on the sidewalk bothering diners	8/24/2021 7:16 AM
30	The coffee roastery eating area feels more dangerous because it's around the curve.	8/24/2021 12:31 AM
31	They are all targets for wayward cars.	8/23/2021 11:18 PM
32	None	8/23/2021 9:12 PM
33	The spaces are TOO CROWDED- distancing isn't enforced, discussed or used enough. It's not safe with the Delta variant yet people continue to crowd together. The town needs to find a way to make sure that distancing continues and is taken seriously. Otherwise the spaces are great so far.	8/23/2021 8:50 PM
34	None	8/23/2021 8:13 PM
35	Lost more traffic on adjacent streets.	8/23/2021 7:07 PM
36	Bicycles need to enter car lanes to ride around parklets. Not to do with outdoor dining: bicycles running stop signs.	8/23/2021 7:06 PM
37	None	8/23/2021 3:46 PM
38	None	8/23/2021 3:07 PM
39	None	8/23/2021 1:06 PM
40	From a public safety standpoint the outdoor dining spaces are fantastic! All seem to be well protected from street traffic. They have created outdoor spaces for people to safely gather during these challenging times.	8/23/2021 10:42 AM
41	None	8/23/2021 8:39 AM
42	The corner site at coffee roasters, turning right onto bolinas the visibility is bad. They also have bike riders who sit on the outside and talk to friends inside which makes the lane too skinny. The placement of some of them makes the parking difficult (like the boxed in spaces at Iron Springs and Amalie). The non - transparency of Village Sake also affects visibility negatively.	8/23/2021 6:57 AM
43	None	8/22/2021 7:50 PM
44	None	8/22/2021 5:53 PM
45	Speeding cars	8/22/2021 5:27 PM
46	Narrow streets, structures that are oversized, congestion at the busiest corner in town with pedestrians and cyclists crowded on the sidewalk and crosswalk. Will have another business opening soon on opposite corner. Do they get to erect a street structure?	8/22/2021 2:52 PM
47	None	8/22/2021 2:39 PM
48	None	8/22/2021 2:23 PM
49	Everything has been very safely executed.	8/22/2021 11:19 AM
50	I'm worried about the outdoor space blocking Bolinas if there was a fire. We need as much road space to get out!	8/22/2021 10:33 AM
51	None. In fact, more people walking to outdoor dining makes our streets safer	8/22/2021 10:18 AM
52	None	8/22/2021 10:09 AM
53	None. We don't need more parking. It gives a much more inclusive feeling, more community	8/22/2021 9:12 AM
54	dogs and skateboards and bikes	8/22/2021 9:07 AM
55	More safety barriers	8/22/2021 12:09 AM
56	Lack of permanent barriers.	8/21/2021 7:45 PM
57	None!	8/21/2021 5:58 PM
58	None	8/21/2021 5:15 PM
59	none	8/21/2021 4:20 PM

## Outdoor Dining Survey - Resident

60	None. The outdoor spaces dramatically improve the downtown energy and feel. I love sitting outdoors to eat or get a coffee. It enhances a sense of community.	8/21/2021 2:13 PM
61	None	8/21/2021 12:52 PM
62	none	8/21/2021 11:37 AM
63	None	8/21/2021 9:44 AM
64	eventually a car will crash into an outdoor dining area.	8/21/2021 9:28 AM
65	None	8/20/2021 9:16 PM
66	None at all	8/20/2021 8:42 PM
67	I worry about the corner diners outside of the Roastery— I would never eat outside there! It is an accident waiting to happen. Walking down the sidewalk we have to breathe the air of unmasked diners. And unmasked walkers breathe on diners' food! There should be more separation if possible.	8/20/2021 7:38 PM
68	People cross street next to them and are less visible	8/20/2021 7:21 PM
69	None	8/20/2021 6:44 PM
70	None. It keeps businesses open and people working and a great experience!	8/20/2021 6:42 PM
71	Maybe outdoor spaces right on the corner could use a protective barrier	8/20/2021 6:35 PM
72	No safety issues what so ever. They add to the ambiance of each restaurant. Never been a problem. They make the town better	8/20/2021 5:39 PM
73	None	8/20/2021 5:38 PM

160	No masks and tables too close to each other Sidewalk has crowds in front of business to walk	8/14/2021 4:10 PM

## Outdoor Dining Survey - Resident

	by	
161	More congestion at Bolinas and Broadway crosswalks	8/14/2021 1:36 PM
162	Too many bicyclists blow through stop signs, but then they always have.	8/14/2021 1:31 PM
163	None	8/14/2021 9:10 AM
164	No problems especially since all Marin towns have the park let's in the public right of way- we're all used to them.	8/14/2021 8:09 AM
165	Over crowding on sidewalks- no space for pedestrians to pass so they walk in the street. Bikes swing into traffic to pass, turn lanes eliminated (Roaster's bike parking) causing back ups.	8/14/2021 6:52 AM
166	While trying to walk past Stillwater I was surrounded by unmasked people. I did not feel safe. The crowd between the "service window" and the tables did not budge or acknowledge that they were blocking a public sidewalk.	8/13/2021 4:27 PM
167	Pedestrian traffic between parklettes and restaurant is not smooth at busy times	8/13/2021 10:35 AM
168	None	8/12/2021 5:22 PM
169	Unmasked people not socially distancing.	8/12/2021 4:48 PM
170	As someone with occasional mobility issues, I'm dismayed by the way this has been implemented. One morning I was unable to walk on the sidewalk because Fradelizio's was cleaning their kitchen mats on the sidewalk. They left behind wet greasy sidewalk. That same morning Hummingbird was setting up their tables and not allowing easy passage while employees crossed back and forth. Hummingbird takes up 2 of our few downtown seating benches for tables - how is that allowed? And Iron Springs has crowds on the sidewalk and when it has bands the sidewalk is unpassable. These restaurants treat the public sidewalk as their personal business space. This can't be ADA compliant. I want them to have outdoor space. I suggest the restaurant take over the sidewalk and the walkway move to the parking spaces, separated from the cars by planters. Closing down a lane of traffic would be even better. I like the outdoor dining and seeing all the people about, but I can't walk down the street past Amelie, Hummingbird, Iron Springs, etc. when they are open for business. It's not accessible for people with mobility issues. You can't give up sidewalks for businesses unless you retain a pedestrian walkway. I've seen it flipped like how I described in some places like Manchester Vermont - please consider that. And that way I don't have to walk through a restaurant crowded sidewalk if I want to avoid bumping into people given the pandemic. They have closed in a lot of their spaces and it doesn't feel particularly safe. Put the walkway where the parking spaces were and the restaurants on the sidewalks closer to their doors.	8/12/2021 1:17 PM
171	None	8/12/2021 10:45 AM
172	Pedestrians in streets. Double parking. Sidewalks narrowed or blocked...	8/12/2021 9:58 AM

244	None, but would suggest concrete barriers around seating areas to ensure there aren't cars crashing into them	8/5/2021 2:23 PM
245	Tight turns on the Coffee Roasters.	8/5/2021 1:34 PM
246	There seems to be more trash on the sidewalks. Hard to park in town due to limited parking spaces. Side street parking has absorbed the overflow causing more traffic and congestion in adjacent neighborhoods. Not happy about this.	8/5/2021 12:42 PM
247	None observed. Felt very safe.	8/5/2021 12:32 PM
248	None	8/5/2021 10:46 AM
249	Except for Sorella's and the Mono Lot, the tables are generally too close together to allow proper social distancing. Amelie's is blocking the sidewalk with tables right on the sidewalk and it is hard to walk through so we are forced to go out in the street, which is dangerous. We only went to the Mono Lot due to this safety issue.	8/5/2021 9:27 AM
250	Mouse in eating area, but it ran as we stomped feet and truck taking a turn too quick made a	8/5/2021 12:43 AM

## Outdoor Dining Survey - Resident

parked feel dangerous, but it was a. Ew parked at the time and I've been back several times since with no issues.

251	None, I've been super impressed at how the outdoor dining spaces have not impacted life as a pedestrian or driver.	8/4/2021 10:34 PM
252	None.	8/4/2021 10:31 PM
253	Crowded streets, bicycles and people coming into the street out from behind parklets.	8/4/2021 9:57 PM
254	None	8/4/2021 9:40 PM
255	Coffee roastery one VERY UNSAFE.	8/4/2021 9:34 PM
256	The only safety concern I have would be the restaurants on Broadway that are susceptible to cars at the intersection.	8/4/2021 9:00 PM
257	Pedestrians not wearing masks	8/4/2021 8:42 PM
258	None. Every restaurant we've visited has created a safe, welcoming, and fun environment. We feel much safer, in fact, enjoying fairfax's beauty and weather outside.	8/4/2021 8:36 PM
259	None to be concerned with	8/4/2021 8:33 PM
260	Parking is hard for older residents and people are jaywalking more.	8/4/2021 6:49 PM
261	None ... think everyone is very aware of the new format and is hyper aware	8/4/2021 6:28 PM
262	None	8/4/2021 5:19 PM
263	None	8/4/2021 5:18 PM
264	Sufficient barricades to prevent a car from smashing and killing a bunch of people on the coffee roasters corner.	8/4/2021 5:14 PM
265	None	8/4/2021 5:12 PM
266	None - all appear to be well-maintained and the sidewalks kept as clear as reasonably possible.	8/4/2021 5:08 PM
267	None	8/4/2021 4:58 PM
268	Coffee Roastery patio infringes on a major intersection which raises several safety concerns.	8/4/2021 4:36 PM
269	none. its a great vibe!	8/4/2021 3:41 PM
270	I have not observed safety issues!	8/4/2021 3:28 PM
271	None	8/4/2021 3:15 PM
272	Some tables are a little close at certain restaurants	8/4/2021 3:09 PM
273	Terrible if there's a fire. This is a difficult subject because they're really great for the town -it creates a European type atmosphere, it's fun. And yet they are dangerous given our VERY limited escape routes. My wild idea solution: make sure the town has a dozer on hand large enough to destroy it in order to make room for cars that are escaping. Determine how long that would take and if this is even realistic. If doable, have each business sign a waiver that they won't sue the town if their Parklet gets bulldozed. I suppose the structure would need to be wood and able to destroy quickly. Or, someone should be in charge of making sure they are built in such a way that they can be taken down relatively easily. Or, the town can create a donation page to purchase parklets from a distributor where the tear down is easy. And ok those for each business on a permanent basis. Just wacky ideas, trying here.	8/4/2021 2:49 PM
274	Lack of parking and loading zones	8/4/2021 2:23 PM
275	I have not yet observed any safety issues but I can imagine some possible issues/ concerns with cars running into the outdoor sections or pedestrians stepping out unaware of cars.	8/4/2021 1:41 PM
276	Too crowded at the one by Amelie.	8/4/2021 1:41 PM
277	It's hard turning onto Bolinas Rd because of the planters outside of The Coffee Roasters Parklet	8/4/2021 1:29 PM

## Outdoor Dining Survey - Resident

278	More traffic in adjacent neighborhoods. A lot more garbage in the street.	8/4/2021 1:23 PM
279	Auto/pedestrian/bicycle interactions	8/4/2021 1:02 PM
280	With the encroachment and the myriad bicyclists that DO NOT stop at stop signs, I find that the more narrower driving lane to potentially cause accidents, as has happened.	8/4/2021 12:21 PM
281	People who are opposed to parklets have fabricated safety issues to fit their narrative. I work in public safety and am an expert in pedestrian vehicle interaction. There is NO safety issue created by the Parklets.	8/4/2021 12:15 PM
282	None	8/4/2021 11:53 AM
283	Bolinas Road parklets are a safety issue. The parklets there should be temporary on Bolinas Rd.	8/4/2021 11:12 AM
284	None. It has worked remarkably well and I hope these outdoor spaces will become permanent.	8/4/2021 11:06 AM
285	None	8/4/2021 11:04 AM
286	I've noticed a healthy distanced outdoor option for recreation g and consuming food from local businesses. Before these spots I had more limited options such as sitting on curbs near the parkade.	8/4/2021 10:57 AM
287	None	8/4/2021 10:53 AM
288	No safety issues	8/4/2021 10:51 AM
289	Evacuation concerns	8/4/2021 10:35 AM
290	Not many. The usual suspects.	8/4/2021 10:21 AM
291	None	8/4/2021 10:13 AM
292	Bolinas and Broadway corner visibility obstructed	8/4/2021 10:04 AM
293	traffic, parking, bikes & pedestrians all fighting for same space	8/4/2021 9:36 AM
294	None	8/4/2021 9:36 AM
295	Just bring outdoors	8/4/2021 9:34 AM
296	none so far.	8/4/2021 9:16 AM
297	I haven't noticed any	8/4/2021 9:09 AM
298	None	8/4/2021 8:12 AM
299	No social distancing, ADA violations on sidewalks (impossible or difficult to pass through with wheelchair), large crowds without masks	8/4/2021 7:49 AM
300	Outdoor dining is safer dining Re Covid	8/4/2021 7:27 AM
301	None	8/4/2021 7:25 AM
302	None.	8/4/2021 7:20 AM
303	None	8/4/2021 7:10 AM
304	None	8/4/2021 7:10 AM
305	None	8/4/2021 7:00 AM

308	None	8/4/2021 6:39 AM
309	At times, the sidewalks are very congested- especially in front of Amalie and stillwster. Bike lanes are also comprised due to erratic parking forced by lack of available parking spaces	8/4/2021 6:38 AM
310	None	8/4/2021 12:01 AM
311	Just the obvious problem with breathing in car exhaust	8/3/2021 10:40 PM

## Outdoor Dining Survey - Resident

312	None	8/3/2021 10:40 PM
313	Not enough mask wearing. Seats too close.	8/3/2021 10:08 PM
314	Bicycle lanes are narrower and there will be more accidents	8/3/2021 9:58 PM
315	None	8/3/2021 9:57 PM
316	None	8/3/2021 9:35 PM
317	Minor traffic interference bc people double parked by bike racks next to Roastery (pizza delivery cars?) making right turn from Center to Bolinas blind. Would rather see signs requesting drivers AND pedestrians be more mindful than to see the bike racks go away.	8/3/2021 9:25 PM
318	Spaced out drivers running into the parkletes. Some don't feel very safe or protected.	8/3/2021 9:09 PM
319	None	8/3/2021 9:04 PM
320	Main streets seem very narrow and I worry that emergency vehicles and people won't be able to get out in an emergency.	8/3/2021 8:15 PM
321	None, I love it.	8/3/2021 8:05 PM
322	None	8/3/2021 7:57 PM
323	Masklessness	8/3/2021 7:50 PM
324	A couple of places have tables a little too close.	8/3/2021 7:50 PM
325	The right turn from Broadway to Bolinas near the coffee shop.	8/3/2021 7:33 PM
326	None. If anything, I see cars driving slower now and being more cautious.	8/3/2021 7:17 PM
327	None	8/3/2021 6:59 PM
328	Most are fine some are extending too far in to street or too close to corner.	8/3/2021 6:55 PM
329	Cars having to pass by each other too closely passing the pop outs.. just obvious general poor design.. while the businesses are insured for the pop outs. Has a traffic impact report been done? It appears these entities do not allow enough room for traffic on our already narrow thoroughfares? Who would be responsible then?	8/3/2021 6:51 PM
330	None	8/3/2021 6:46 PM
331	None	8/3/2021 6:36 PM
332	That the structures are too big and blocks sidewalk view. Also that they are crowded and people feel uncomfortable walking through them. People then walk around them into the street.	8/3/2021 6:17 PM
333	NONE	8/3/2021 3:09 PM
334	I was on the deck in front of Coffee Roasters and saw that it seemed to slow the passage of an ambulance that was making a left turn onto Bolinas	8/3/2021 1:22 PM
335	Extension cords hanging, open flame too close to wood, blinds blocking sidewalk visibility and the parklets themselves compromising ingress and egress for the 2500 people who would need to evacuate along Bolinas Road in case of emergency	8/3/2021 1:00 PM
336	When walking the sidewalk downtown, I do not feel comfortable having to wade through the outdoor eating and lines for the scoop. The other day a rat ran on the sidewalk and found refuge under the dining area floor. The outdoor dining is a temporary use. I do not think the Coffee Roastery should be able to have that extended area in front of the retail store next to it. The streets are public right of way and not owned by the businesses. The bench on Broadway outside the roastery is often occupied with people and pets. It is difficult to navigate that area because garbage cans are close. Why should the roastery have so much public space?	8/3/2021 12:31 PM
337	Some outdoor dining spaces alongside public sidewalks make it so there really isn't distinguishable defensive space between pedestrians & the people eating & drinking to allow for spacing with regard to Covid.	8/3/2021 12:04 PM
338	Pedestrians crossing the streets without using the crosswalk is dangerous. Now that these parklets are more prevalent, there are more blind spots in drivers vision. The parklets take up a	8/3/2021 11:25 AM

## Outdoor Dining Survey - Resident

	lot of space so there is little room for error causing possible crashing into parklets.	
339	Traffic too close to tables and seating area.	8/3/2021 10:09 AM
340	lack of parking for other businesses at times as well as congested sidewalks	8/3/2021 9:13 AM
341	No safety issues noted. Traffic calming benefits noted	8/3/2021 7:57 AM
342	Cars turning at intersections in close proximity and distracted. Closeness of bicycle, vehicle, outdoor spaces, and pedestrian crossing mid block.	8/3/2021 3:21 AM
343	Lost lots of parking, more people j-walking, and I'm surprised that no cars have knocked into a park let yet!	8/2/2021 11:13 PM
344	narrow streets- nowhere to park- pedestrians crossing unsafely- bike riders not obeying traffic laws- people not stopping at stop signs- i could go on	8/2/2021 10:31 PM
345	The two Parklets on Bolinas road are located in the street right of way of Marin County's Federal Secondary North/South Roadway System. Fairfax received Federal Transportation Funds to widen Bolinas Road. 1/2 of the population of Fairfax must evacuate in a Wildland fire emergency out of the Cascades, Deer Park, Monte Cristo and a portion of Manor Hill down Bolinas Road. Most of the evacuations take place between midnight and 6 am. Fire engines, water tenders & lowboys with earth moving equipment coming in to fight the fire and 3,500 people trying to evacuate at the same time. Fairfax is setting us up for a Paradise type disaster.	8/2/2021 9:59 PM
346	none	8/2/2021 9:31 PM
347	Really None, they are a benefit to the type of town Fairfax is.	8/2/2021 8:53 PM
348	Slightly impaired lines of sight at intersections.	8/2/2021 8:46 PM
349	Cars come very close Bicycles park on the parklet	8/2/2021 8:32 PM
350	None and happy to see that we can support the restaurants in our community	8/2/2021 8:01 PM
351	None	8/2/2021 7:42 PM
352	Reduced vision of pedestrians stepping into the street to cross at a place that's not in a crosswalk.	8/2/2021 7:37 PM
353	None	8/2/2021 7:24 PM
354	tables were not 6 feet apart--sidewalks had too many people in front of business--park lets out too far in street --eye sore look on bolinas--	8/2/2021 7:22 PM
355	More bike racks needed so bikes don't interfere with cars. Parklets need to be lit at night even when not being used so visible to cars.	8/2/2021 7:09 PM
356	We need parking spots and people should not be dining in the roadway.. The delivery trucks need room. Allowing restaurants to take over the street is like giving away town real estate for free! And tax free. However homeowners in town pay property taxes to maintain Fairfax. Everything about it is wrong. Not so easy for seniors to park downtown. Just wait until the movie theater starts selling out. Where will people park??? I want some free street space on my street too..	8/2/2021 6:56 PM
357	With the new increase in the Delta variant everyone needs to wear a mask outdoors when in close proximity to others. This means outside eating.	8/2/2021 6:51 PM
358	None!	8/2/2021 6:44 PM

## Q6 What, if any impact have the outdoor dining spaces had with regard to supplier delivery?

Answered: 169 Skipped: 579

## Outdoor Dining Survey - Resident

get around them they have no delivery space.

## Q10 Please share any suggestions, including how Fairfax could make use of public spaces (ie:parks, streets, parking lots) and what those uses might include and/or feedback on the subject of outdoor dining spaces:

Answered: 376 Skipped: 372

#	RESPONSES	DATE
1	I like the friendly feel of parklets...reminds me of France. I don't want to see streets closed (like Bolinas st). I don't see an end to Covid.	8/25/2021 11:11 AM
2	Fairfax LOST parking spaces with the skateboard area. It seems like this town is very hap hazard with planning.	8/25/2021 11:05 AM
3	More attractive barricades outside of the parklets, if we have a wet winter and including how fast cars and bikes travel I think safety will be of more concern.	8/25/2021 10:55 AM
4	Clean all the "party huts" off the strets, sidewalk, and parking spots! Let traffic move safely! Move all the drinkers back into the bars! Restore Fairfax as a kid, family/ friendly SMALL town!	8/25/2021 9:28 AM
5	More out door acoustic music !	8/25/2021 9:19 AM
6	Outdoor dining spaces have tremendously improved the town of Fairfax adding a fabulous ambiance & experience for all	8/25/2021 9:15 AM
7	Usually a walkability index is an indication of quality of life in a city, and I would like to see Fairfax find parking solutions that are a few blocks away from Main/Broadway, and focus more on creating a thriving cultural center with more outdoor dining, stages for shows and performances. Right now the town feels like it's all about cars and parking, and the outdoor dining was a good step in the right direction.	8/25/2021 9:03 AM
8	Seating spaced safe with service of transportation available to enter spaces in area that has no parking also a handicap consideration.	8/25/2021 8:54 AM
9	More fliers or resources as to how residents can learn more about and stay informed. As well as making information available to individuals who do not access the internet to do a survey. How can their voice be heard?	8/25/2021 8:22 AM
10	Outdoor dining adds to the spirit of a vibrant town. Why do you think Europe has it all over the place? Cool vibrant and alive not dead and boring. People can ride electric bikes to dinner.	8/25/2021 8:17 AM
11	Make sure that businesses that directly border purely residential areas are not permitted to operate outdoors; the noise can be a problem for residents. This is not a problem for downtown restaurants.	8/25/2021 8:07 AM
12	I would love to see both The Women's Building and Community Centers renovated. We need public spaces in Fairfax that represent the beauty of our community. A labyrinth would be great too! Thanks for all the communication during the pandemic and creating a colourful outdoor eating space w/ tables. Great!	8/25/2021 7:53 AM
13	Limited us of public rights of way are a good use of outdoor spaces however, the current level of encroachment is far too much.	8/25/2021 7:34 AM
14	I think we need to make more use of public spaces to include parking lots during these times. I do not want to see a ghost town of closed businesses post pandemic. I like the dining parklets on the street. I like that you let Gestault utilize the parking lot. I think we should Make more use of the park downtown. I do not worry about parking. I think we need to support a thriving downtown. Thank you. Kelly Corbett - 120 Dominga Ave. - 23 year resident.	8/25/2021 7:04 AM
15	Turn the center parking lot into a green space with eating areas that people from the restaurants can take their food and dine at. This will revolutionize Fairfax.	8/24/2021 10:36 PM
16	I'd love more outdoor dining spaces (even if that means less parking)	8/24/2021 9:18 PM

## Outdoor Dining Survey - Resident

17	Permit cannabis consumption in public parks, and food trucks on a rolling schedule	8/24/2021 8:56 PM
18	We are tired of the masks	8/24/2021 8:15 PM
19	More outdoor dining!!!!	8/24/2021 5:17 PM
20	We realize outdoor dining has and will cause parking problems but it has been such a benefit to the town to see so many people enjoying their free time outside.	8/24/2021 2:02 PM
21	More outdoor dining the better. My only concern is making sure the streets don't become too narrow (from parklets) in the case of a fire; our town already has very narrow streets.	8/24/2021 1:59 PM
22	Construction of a 2 or 3 story parking lot where the current one is by central field would not visual from the town, so keep the charm. A skate park could be somehow incorporated into the parking lot. Business need town support. Since the major businesses in town are restaurant related, parking is a must. Look for grants.	8/24/2021 11:42 AM
23	I fully support keeping outdoor restaurant spaces open.	8/24/2021 10:52 AM
24	I would like to see the parklets continue, but I think the businesses need to pay rent to the Town for the use of parking spaces. Otherwise, it's a discriminatory gift to these businesses.	8/24/2021 10:31 AM
25	Sidewalks are for pedestrians! It is also important to support our local businesses! I fully support letting restaurants provide outdoor dining areas as long as they do not obstruct sidewalks, provide a six foot buffer between unmasked diners and pedestrians, and are safe and well built. I like the idea of outside dining, but it has to be more than sitting in a parking space on the asphalt. Quality construction is important as is safety. These issues need to be discussed. Public input is important! Parking is a major concern! You should address how those spots are replaced, without a burden to the surrounding neighborhoods Polls are a good start, if anyone is really listening. So far it seems not. I contacted the SIP Committee many times with a complaint of lack of six foot buffer issues, and NEVER. got a reply. Finally Garret Toy contacted me after more than six inquiries and stated that the side walk was privately owned, and Fairfax only had "right of way". When I asked why it wasn't a violation of "right of way" to not provide the six foot buffer, Garret NEVER replied! Was there ever really a SIP Committee?	8/24/2021 9:37 AM
26	The outdoor eating is wonderful and any negative impacts are far outweighed by the positive ones!	8/24/2021 8:24 AM
27	The outdoor option has been a boon to restaurants and residents, opening up open-air spaces in an area blessed with pleasant weather, and allowing business and social time to continue throughout the pandemic. Keep it!	8/24/2021 7:16 AM
28	I think these things are great. More outdoor dining spaces means less places to park which equals less assholes from SF here on the weekends!	8/23/2021 11:18 PM
29	Please continue outdoor dining in Fairfax indefinitely. Thanks	8/23/2021 10:18 PM
30	I love the outdoor dining! Parking is an issue though. Is there some way we could use space at Fairfax Market in the evening (with some kind of compensation)? It's not too far to walk into downtown. If it were San Francisco, we'd probably have to walk a lot farther to get to a restaurant from our parking spot.	8/23/2021 8:54 PM
31	Please do not ever make the Roastery space permanent- it could be disastrous in an emergency, and currently does not allow proper traffic flow on that corner or visibility. That is the one space I oppose as permanent. I'd like to see some of the restaurants keep the outdoor spaces, just with safer distancing protocols. especially amelie. Overall, these add to the town, but need some more structure for safety, as well as space for some parking returned to the town. The restaurants ideally would have fewer tables crammed together in the spaces, like Amelie does. Amelie has made it harder for people trying to stay safe, because although we love their food, you can't do takeout at all at dinner anymore, only in person dining, and their in person is too close together to be safe during Covid. A lot of people are tired of all the covid rules and don't want to think about safety, masks or distancing anymore, but the reality is that it is not yet safe to be close together without masks in these settings. That really needs to be addressed. Same at the large space at Sorella's, there are big crowds and zero masking. The variants are reality even for vaccinated folks. I am not sure the town has addressed this. So safety is not going well in those spaces, but long term most outdoor dining options would be good once safer except the corner with the roastery.	8/23/2021 8:50 PM

## Outdoor Dining Survey - Resident

32	I'd prefer less parking in the parkade and by the skate park and more active recreation/park space. Expand the skate park. Expand the seating and planting in the parkade and less parking. Or convert the parkade to a park+ parking structure with affordable apartments above.	8/23/2021 8:13 PM
33	Limited to weekends.	8/23/2021 7:07 PM
34	I adore the outdoor dining spaces in Fairfax. Pls don't get rid of them!!!!	8/23/2021 12:44 PM
35	I think outdoor spaces are a very good thing. I like seeing people outside. I love getting fresh air when I eat or go out on the town. I think the overall cost for this benefit is relatively low (perhaps 5% of downtown's parking spaces have been lost?). I do understand that parking is and will be a thorny issue, and Fairfax will likely need some creative parking solutions as time goes on. As a resident, I luckily get to walk, but I do feel bad for those inconvenienced by the parking issue. However at the end of the day, I simply think the benefits to our downtown are much higher than the cost. Outdoor seating has been a transformational change to our downtown - one of the few disruptive perks only a global pandemic could have causes - and I hope it does not go away!	8/23/2021 12:14 PM
36	There are plenty of parking spaces downtown. So many people walk and bike into town. The outdoor spaces are beautiful and important safe third spaces during the pandemic. They bring energy and vibrancy to our town, and will continue to do so even as we move beyond this chapter of Covid. Thank you for requesting our input!	8/23/2021 10:42 AM
37	Please keep the outdoor dining spaces.	8/23/2021 9:42 AM
38	I love the outdoor dining spaces in spite of some of their issues. It does seem to be a public giveaway to businesses as it takes our space and makes theirs larger. As a supporter of businesses this one is tricky. The landlord might see a rise in income and raise rents - that's not fair. Is there a way to address this? I do think that there needs to be some type of design review.	8/23/2021 6:57 AM
39	Keep the outdoor spaces permanent.	8/22/2021 7:50 PM
40	I would like pocket park outdoor seating expanded and perhaps armored a bit for safety.	8/22/2021 5:53 PM
41	Parks should be parks. Parking was an issue before and the town was busy. Now with reduced parking it prevents a trip to downtown area. Have not gone to farmers market no parking. Do new businesses get to erect a structure? 123 Bolinas, the new restaurant @ Bolinas and Broadway? Parking is the use of public space. Not fair for some merchants like Hummingbird. Understand trying to help merchants during pandemic but have hamstrung the down town. Enough is enough. Remove the bike rack in front of Sunshine Bikes. They had a rack outside their store. Good Earth, Java Hut have racks off the street.	8/22/2021 2:52 PM
42	Love the outdoor spaces!	8/22/2021 2:39 PM
43	I filled this survey out before, so I don't know if my "votes" should "count," but I'd like my suggestions here considered. Where there is a parklet on the street, on Broadway and Bolinas, make the nearby parking spaces handicapped spaces. There is not enough handicapped parking for the disabled and aging population and it says "you don't matter, we don't care if you patronize our businesses or not." Some people who have spent their lives here now can't participate in town activities because they can't walk far enough to reach the activities. Handicapped parking in the parkade is too far away - it needs to be on Broadway, on Bolinas, and on SFD right in front of businesses. People who can walk farther away can make use of the parkade and parking that's a little farther away. Please don't turn Fairfax into a town that divides rather than unites. The elders and the handicapped, have a lot of living left to do and may even be the story teller, musician, artist, writer, poet, retired teacher, community leader, or politician that still has a lot to offer, especially once the pandemic subsides enough to reopen the public gathering spaces - the coffee houses, the pubs, the music venues, the art galleries, it will be a richer, more diverse, more exciting Fairfax if everyone can access these shared community spaces. The little ones bring smiles to the aged. The aged bring wisdom to the little ones. Let's make Fairfax business friendly, history friendly, arts friendly, community friendly for all.	8/22/2021 1:45 PM
44	Love the outdoor dining- When i come home & drive through downtown Fairfax- i love the fact that the town feels "alive"! I think the outdoor dining areas contribute greatly to that feeling. I love the energy here. I LOVE Fairfax!!	8/22/2021 1:40 PM
45	The outdoor dining adds to the "lively" feel of Fairfax. Additional signage on nearby public	8/22/2021 12:46 PM

## Outdoor Dining Survey - Resident

parking might be helpful for those wanting to come dine bit needing parking.

46	Whether there is a pandemic or not, the outdoor dining is a wonderful addition to Fairfax. I don't mind less parking, we can walk.	8/22/2021 12:29 PM
47	Thank you for allowing the restaurants to have outdoor spaces. Such a great customer experience. Would be great if we could please continue it forever. Thank you.	8/22/2021 11:19 AM
48	More outdoor space for dining and hanging out improves the quality of our town by an order of magnitude	8/22/2021 10:18 AM
49	I love the outdoor dining and coffee spaces! Please keep them. They vital use the community. I haven't noticed any parking challenges	8/22/2021 10:09 AM
50	Keep all the outdoor dining spots, fix the intersection near scoop. Have low speed roll through when clear for cyclists Better signage to get to Tamarancho trail	8/22/2021 9:12 AM
51	clean them.. and make them look nicer- the parks need professional landscapers....volunteers are not skilled enough.. the whole town is a creaking mess.. we need to fix broken sidewalks and we need a town council that does its job re answering emails and paying attention to dilapidated bldgs.. we need a responsive and alert town staff..	8/22/2021 9:07 AM
52	We need a dog park. This would bring business to the Fairfax stores, and dining.	8/22/2021 8:58 AM
53	I'd like to hear a conversation about closing Broadway certain hours to only pedestrian traffic!	8/21/2021 6:04 PM
54	Keep outdoor spaces !!! We love them.	8/21/2021 5:58 PM
55	It'd be great to have something more permanent like San Anselmo's creekside.	8/21/2021 5:15 PM
56	Weekend parking permits in residential areas due to influx of mountain bikers parking in residential areas	8/21/2021 5:09 PM
57	I love that Fairfax has outdoor spaces downtown. They enhance the experience of being there's different create community.	8/21/2021 2:13 PM
58	I am concerned for rainy season - I don't know if the outdoor places will be usable It would be nice if the town contracted with the market and museum for more weekend and evening parking	8/21/2021 1:44 PM
59	Please make this a permanent feature of our beautiful town! It has made everything so much nicer!	8/21/2021 12:35 PM
60	keep outdoor dining helps keep the energy alive in the town for everyone and the economy	8/21/2021 12:30 PM
61	some businesses are benefiting way more than others. seems unfair, but I love the streets-for-people effect of the parklets. my hopes are that, overall, the 'parklet environment' promotes downtown activity and community cohesiveness. My impression, too, is that with more people on and closer to the roadway, drivers are more conscientious and considerate while driving though	8/21/2021 9:58 AM
62	The town should install car barriers for outdoor dining areas, and perhaps we could reappropriate some space near the creek for an extended public parking area (could also keep the residential areas from filing up during the weekend)	8/21/2021 9:28 AM
63	Allow improvements for inclement weather. Coverings against rain. Etc.	8/21/2021 9:15 AM
64	The Fair Anselm plaza is underutilized and an eyesore coming into town: how might this strip mall and courtyard + parking lot be beautified, Fairfaxified to match Good Earth and provide a nice entrance to town? A central gathering space for concerts, outdoor movies and picknicking like Creek Park in San Anselmo would be nice.	8/20/2021 11:33 PM
65	The outdoor dining spaces make Fairfax look more friendly and welcoming. It's great to be able to take advantage of fresh air and good weather when we have it, and fun to be able to sit outside.	8/20/2021 10:31 PM
66	I feel the parklets are a real asset to Fairfax. It's a joy seeing people eating & enjoying the outside! Fairfax is alive!	8/20/2021 9:16 PM
67	The town should widen the sidewalks and remove parking on Bolinas	8/20/2021 7:00 PM
68	Love the feeling of European dining	8/20/2021 6:44 PM

## Outdoor Dining Survey - Resident

69	This is a good community that should continue to support business and people to work and enjoy outdoor dining. Let's learn from this pandemic and how we can continue to support in a good way!	8/20/2021 6:42 PM
70	I like the idea of turning mono Avenue in the alleyway into permanent outdoor enjoyment	8/20/2021 6:38 PM
71	Food truck night!	8/20/2021 6:35 PM
72	I suggest you let the restaurants keep their spaces	8/20/2021 5:39 PM
73	We need more outdoor dining options in our town!!	8/20/2021 5:38 PM
74	Keep Fairfax alive, but don't kill it's essence. Change is good, but wholesale change is not.	8/20/2021 4:53 PM
75	They are dangerous. No matter how you pretty the parklettes up they still look like dumpsters. Like putting a pig in a prom dress	8/20/2021 4:39 PM
76	love outdoor dining and think it enhances the downtown experience!	8/20/2021 4:35 PM
77	Enjoying the trend towards more outdoor dining and less of a focus on parking. It definitely enhances our community.	8/20/2021 4:29 PM
78	No communication with locals on a whole. Just a case of going ahead and implementing their agenda.	8/20/2021 3:54 PM
79	Keep the outside dining	8/20/2021 3:50 PM
80	More space for bikes and outdoor dining, shopping activity - even if that is at the expense of drivers and car spaces.	8/20/2021 2:20 PM
81	1) if outdoor spaces are allowed to continue, it's unclear who really owns those spaces. Will building owners start charging businesses for their use?? It will certainly increase the "value" of the space to a business, and because it's public spaces the public should benefit from its use, not a private building owner or even, per se, a private business. What if a non-paying customer wants to sit in that spot? Why not? 2) I would LOVE to see the farmer's market move OFF the grass in Bolinas park... perhaps move the businesses into the parking lot near the ball field and keep the park for picnickers and entertainment. 3) I LOVE the al fresco dining in town and how it brings community together. European town "squares" foster a sense of community. In those town squares, tables are set up and people can bring their food to them - some times parts are sectioned off and dedicated to particular restaurants. There are always places for people to sit who might not be eating at a restaurant at all... people meet, gather, talk. It's not "just" homeless people, but it doesn't exclude them either. It seems like our increased use of street parking for al fresco dining has been intended to help the businesses, which are an important part of our community, but the driving force should be what serves the community for the purpose of building community and have an extra added benefit be that it also serves the vendors...	8/20/2021 2:08 PM
82	More outdoor dining is great. But since you asked a pump track would be great for kids of all ages.	8/20/2021 1:55 PM
83	We have the ideal climate for outdoor dining. I think it should continue, and would like to experiment with closing the street for an evening and letting people dine in the street, have live music, etc. Fairfax is 100% better than it was before the pandemic thanks to outdoor options!	8/20/2021 1:49 PM
84	Love the outdoor seating !	8/20/2021 1:44 PM
85	Not very practical in the winter. I say in winter allow restaurants to operate to fully capacity indoors. Masks should be optional indoors. Really we just need to end this "pandemic." How much longer are we going to allow this to go on? How much more loss do you think businesses can endure? There will be none left if this continues.	8/20/2021 1:34 PM
86	Ban cyclists and non motorized forms of transport and someone please just shoot the filthy flip flop wearing hippies who hang around the bus station breathing our air and cashing unemployment checks when there's plenty of jobs around	8/20/2021 1:32 PM
87	Outdoor dining in Fairfax adds to the charm and vibrance of the town. Please keep the parklets. .	8/20/2021 1:30 PM
88	We still need parking. Please do not make parking lots into skateboard parks and dining areas. Many of us live in the hills and cannot walk to town. Twice pre-covid I circled Fairfax 3 times	8/20/2021 1:02 PM

## Outdoor Dining Survey - Resident

and couldn't find parking and ended up eating elsewhere.

89	Pop-up restaurants (maybe annex of existing restaurants) in Peri Park (with more picnic tables.	8/20/2021 12:48 PM
90	For parking cars. The outdoor parklets take up too much room. And we need parking. Maybe 3 small outdoor tables but no covered parklets . They are in the way of pedestrians and get too crowded.	8/20/2021 12:47 PM
91	Wonderful, safe and a great addition to eat outdoors in our great town of Fairfax! Please keep the outdoor dining.	8/20/2021 12:39 PM
92	With COVID being a part of the foreseeable future I think it's crucial to our town's businesses and to our sense of community and well-being that we have outdoor spaces to eat and drink. If we don't, then people will take their business elsewhere with plenty of outdoor seating options.	8/20/2021 12:36 PM
93	I miss the shared outdoor dining space by Gestalt. It was nice to have a place in town where people could gather to eat and/or drink together.	8/20/2021 12:30 PM
94	The most exciting part about the outdoor spaces is how the vibrancy of our downtown is enhanced, drawing more people to the community. My family has enjoyed this greatly.	8/20/2021 12:26 PM
95	The Town has become more community-oriented than ever before. We can finally enjoy Fairfax and celebrate the reason we moved here--it's beautiful weather and community feel. At town meetings and online, there have been very few complaints. It seems like residents and visitors are feeling like this new vibe is very Fairfax. There should probably be some design standards for businesses for these outdoor structures. The parklets have little to do with parking. We should prioritize more people using their public space. No more subsidies to let people store their cars for free for 4+ hours in the heart of our community. That is what hurts business. Parking solution: Couple new signage in the downtown (move parkade from 4 hour parking to 2 hour parking) and increase enforcement with cadets and other non-sworn town personnel. Shift all 4 hour parking away from Town center--it's mostly out-of-town bike riders looking for a place to start their trip anyhow). Survey retail regarding parking on Broadway that might even have reduced parking times (1 hour, 30 min., etc.). We don't need the Town Council to stifle the community spirit that these outdoor dining and event spaces offer. Look what happened next to Gestalt. Now it's just a sad place where people park their cars again. What a waste. The Town is a lesser place when we remove community gathering areas.	8/20/2021 9:54 AM
96	Make a better plaza with music available	8/20/2021 9:52 AM
97	Keep outdoor dining permanent	8/20/2021 9:09 AM
98	Fairfax is a United States and turning global cycling Mecca. We need to embrace bikes road, mountain, and commuter are the priority over cars. Our young children bike to school on the same streets (Center) cars speed alongside. We need protected bike lanes. Our restaurant traffic increases with cycling participation, we should prioritize these patrons who bring little to absolute zero negative perception of a town and provide plenty of character	8/20/2021 8:36 AM
99	I think we should have sidewalk dining and not Parklets , when the pandemic is over,	8/19/2021 10:23 PM
100	Please keep the outdoor dining!	8/19/2021 6:59 PM
101	Bike lane through downtown.	8/19/2021 6:23 PM
102	Dining spaces need cell phone/computer chargers	8/19/2021 4:27 PM
103	keep outdoor dining	8/19/2021 3:58 PM
104	more outdoor music and other kinds of performances. like in the Parkade.	8/19/2021 2:55 PM
105	Fairfax should create more parking spaces. The outdoor dining spaces should not be a long term/permanent. The town of Fairfax should be continuously referring to the local businesses that have been apart of the community for generations. The lack of support and care to see how we've been affected is disappointing. We have not been consulted at all or until after decisions affecting our businesses have been made.	8/19/2021 1:32 PM
106	Absolutely love the outdoor dining! Made our town feel more alive!	8/19/2021 11:15 AM
107	The no business outdoor dining patk that effectively blocked parking for the farmers market etc has not been so good...	8/19/2021 9:12 AM
108	Add solar covers over parking lots	8/19/2021 7:32 AM

## Outdoor Dining Survey - Resident

109	We recently moved to Fairfax and have loved the abundance of outdoor dining spaces. We haven't had any issue finding parking, even though our home only has street parking available.	8/19/2021 7:29 AM
110	I really like the parking area on Bolinas next to gestalt house being used for tables and reducing parking. Please continue to make that space available for outdoor dining.	8/19/2021 1:45 AM
111	So lovely to have outdoor dining and outdoor events. Creates a wonderful atmosphere for the residents and visitors, especially during these challenging times.	8/18/2021 11:18 PM
112	Sidewalks on Bolinas should be be widened to allow benches, outdoor dining, bike parking, and comfort for pedestrians of all ages and mobilities. Could make it one way. Or just close it to traffic and have a plaza. The same for Broadway.	8/18/2021 10:36 PM
113	Fairfax has long been one of the most vibrant evening areas, if not the most, in Marin. Let's encourage small businesses to stay here, come here and flourish by creating a diverse, European themed outdoor dining downtown that encourages window shopping and retail success. Only good things can happen with this!	8/18/2021 10:02 PM
114	I am always in support of more spaces for people to be with each other and walk, and less prioritizing cars. This is the way it is done in Europe (where I come from) and it works for everyone and the environment.	8/18/2021 8:36 PM
115	Please keep the outdoor dining spaces. I would rather see a lot built outside of town for bikers and visitors if extra parking is needed, maybe with a shuttle for people with mobility issues. The outdoor dining spaces make it so lovely to be downtown, I support spaces for people over spaces for cars.	8/18/2021 8:35 PM
116	Love all of the outdoor dining. Definitely want them to be able to keep it. Maybe buy the old gas station to add more parking if people are worried about it?	8/18/2021 6:56 PM
117	Keep them and allow more. They have added a new level to the fairfax vibe	8/18/2021 6:55 PM
118	Outdoor dining is the best! It should be there all the time! Owners have spent so much on these to try to save their businesses. It's been so great seeing everyone use them. Very European!	8/18/2021 6:32 PM
119	No Gestaltdt parking lot use	8/18/2021 3:16 PM
120	Outdoor dining lends such a great community feel to town I would be very sad to see them go. Please keep them on!	8/18/2021 2:21 PM
121	Love the outdoor spaces	8/18/2021 2:21 PM
122	This survey is slanted to the negative in the way the questions are asked and this looks like only a business owner's survey, not for the public. You sy 0-5 scale and then the slider goes to 100. I would imagine this is confusing for people and will be difficult to tabulate if one person enters a 5 and another enters 100. You may want to start over to get better results.	8/18/2021 12:32 PM
123	A lot of people jay-walk across Center in downtown and look. Not sure how to control this.	8/18/2021 9:08 AM
124	In the newsletter it sounded like you wanted resident input but when taking the survey it is geared toward business owners. I want to go to the Wed farmers market but I can never find parking so I haven't gone at all this year. Parking is a worry. I don't want to see parkets indefinitely.	8/17/2021 10:12 PM
125	bring back fairfax plaza, keep so called parklets impermanent, mono lane by plaza needs street trees, hot!	8/17/2021 9:15 PM
126	I live in the deer Park neighborhood and I fully support the closing of Bolinas to create more public spaces for community and to encourage walking into town. I think the parklettes are beautiful I don't mind having to park further away in the least bit	8/17/2021 2:33 PM
127	Make sure vaccinated and unvaccinated patrons have access.	8/17/2021 1:36 PM
128	If the Town makes these permanent, then the Town should receive rent for the square footage occupied. The Town should research whether these spaces meet state and federal safety regulations especially on Bolinas.	8/17/2021 11:00 AM
129	More walkable streets!	8/17/2021 10:38 AM

## Outdoor Dining Survey - Resident

130	They give Fairfax a feeling of community and life. Wonderful!!!	8/17/2021 10:27 AM
131	The park let's should become permanent.	8/17/2021 10:26 AM
132	Return to former use increase parking available for small business. Most of downtown depends on locals who walk to downtown.	8/17/2021 8:28 AM
133	See my comments above. Tweak this survey so the numbers on top of the bar don't conflict w the ones at the far right. And watch the tone of this survey, which seems to lean towards banning outdoor dining. Yes, a bias has leaked through. On the topic of parking. I see the theater and the Java Hut parking area as pretty empty often. I'm from a colder climate, so the idea of "having to walk" in relatively great or even just warm enough weather is actually a good thing. Build a campaign around that idea of "Walking is an Immune-Boon" or "Walk So We Can Talk (w/ Outdoor Dining!)" That's a rough. But get your most creative and even funny people to tweak or add to this. Open up a "Creative Thinking Committee" - and I bet you will get volunteers for that one! We can do it! We bike, we hike, and now, we walk 2 more blocks - and live to talk about it!" People in cities do it too - and they are thinner for it! As for outdoor dining - wow - I see happy people - and we need that happy energy. We live in extraordinary times. That means - we have to flex and expand our minds and creative thinking. Don't go backwards now. Keep the restaurants open. If they die, others die with them, one by one....financially, psychologically, socially, etc. Offer more outdoor open discussion about this. Offer more free discussion about this - with a moderator - a paid facilitator - yep - if you can spend tens of thousands of dollars on a road striping idea that came from one person, you can spend a wee bit on a professional facilitator trained to include many! Network via anyone in the Talent Development field. They keep the energy productive, rather than angry (as happened with the name change topic... no neutral referees there either, just a lot of angry people on both sides. ) Same idea for survey-making to avoid bias from slipping in. But don't go crazy spending money. Network for individuals rather than big consulting companies. Also hire an innovative thinking expert. I can recommend Patricia Harmon & Associates (PatriciaHarmon.com) She could also facilitate. But try your own SF networking groups too. Get quotes from small businesses - cheaper, and just as good as the big names.	8/17/2021 3:01 AM
134	More people, more parks /space(not less green to create other non park uses). Outdoor dining enhances Fairfax.	8/16/2021 10:28 PM
135	Implement a special tax on restaurants with outdoor dining spaces..	8/16/2021 10:14 PM
136	Fairfax needs a parking survey to get a count of parking spaces within 2 or 3 blocks of downtown. If it turns out that there are adequate spaces in easy walking distance, then downtown public areas including parking lots and spaces should be considered for public common space and mixed use. Public space is precious. Free 4 hour parking in the downtown should be re-considered.	8/16/2021 9:32 PM
137	What's going on with the boa building?!? Are they opening again? If not take down the building and add parking spots.	8/16/2021 8:33 PM
138	I have loved seeing the businesses not only survive but succeed this past year. the parking spaces are now dining spaces, earning the town and local businesses revenue, and keeping Fairfax vital. Yes, parking is a little farther away, but always available.	8/16/2021 8:31 PM
139	I feel a conflict between the super real issue of traffic in town and my love of outdoor dining. But hope you can find a way to nav both!	8/16/2021 8:01 PM
140	Keep the Forrest as is. Do not sacrifice our natural, small town aesthetic to commerce & family enjoyment other than to enjoy our trees & natural spaces as just that. The greatest gift to children & families. Too much accessible space kills the nature. Don't do it. Stop & think of John Muir..	8/16/2021 7:53 PM
141	I've felt much more safe eating outdoors, which means that I've spent a lot more of my budget supporting local businesses. I would be doing less business if it were only indoor, or takeout. I've also really enjoyed the community that forms at outdoor concerts at peri's—and the park beside gestalthaus is so fun and welcoming. I've not had trouble finding a parking space because of these. Thank you for the survey!	8/16/2021 7:38 PM
142	This survey appears to be primarily for business owners. As a Fairfax resident, I support outdoor dining and the benefits it brings to our town and local businesses.	8/16/2021 7:36 PM
143	Would be nice to see the parking lot next to Gestalt House back to outdoor seating	8/16/2021 7:08 PM

## Outdoor Dining Survey - Resident

144	I really like sitting	8/16/2021 7:08 PM
145	It's always a lie.. everything is always sold as permanent .. but really the intention is always really about making them permanent installations.. Send everyone up to the park and get the diners off public property. Which is paid for by homeowners.. The town is giving away property very expense property.. And I think if these ridiculous structures continue the restaurant should pay more property tax and give homeowners of Fairfax the option of deducting \$600.00 off their property tax a year.. what is wrong with the ballpark, and the other two parks in Fairfax? They are fine the way they are. What the heck has gotten into this town council and planning dept? STOP THE BUILDING AND ALLOWING THE MANIC INCREASING OF THE S.F. OF HOMES.. KEEP HOUSES THE SIZE THEY ARE !!!	8/16/2021 6:01 PM
146	I like the atmosphere of people dining outdoors. More relaxed, like our town.	8/16/2021 5:45 PM
147	Get rid of cars: make the downtown walkable.	8/16/2021 5:43 PM
148	Keep outdoor dining!!!	8/16/2021 12:21 PM
149	Low love love the outdoor spaces and the extra tables they provide. It feels so much more fun to have the outdoor spaces to people watch like piazzas in Italy!!	8/16/2021 9:16 AM
150	Fairfax parklets resemble homeless shanties . The ones with lean to roofs invite take over by homeless. San Anselmo has no butt ugly parklets like Fairfax. I have no problems with tables and umbrellas, but find slummy shacks with roofs and enclosure very ugly and offensive. The loss of parking is troubling. Perhaps merchants could be charged and that money gives en to adjacent merchants for the loss of parking	8/15/2021 4:34 PM
151	I'm not sure but on another note I hope that Fairfax might retain the remaining scraps of what it was 10 years ago and that it doesn't just turn into another Mill Valley and not be down to earth!	8/15/2021 11:53 AM
152	The outdoor spaces make dining in town 10x more inviting	8/14/2021 8:03 PM
153	Take park let out on Bolinas Too narrow for a evacuation	8/14/2021 4:10 PM
154	I feel private businesses that are using outdoor street space for private gain need to be charged in some way for the square footage. taxpayers have been paying for maintenance of that square footage for years	8/14/2021 1:36 PM
155	I love our outdoor spaces. Let's keep these vibrant outdoor dining opportunities alive. How awesome to have our streets lines with parleys for outdoor life. Our family has loved it. As for safety, whether cars parked or outdoor dining offered, the streets are the same width. Let's have more outdoor living in Fairfax and thanks for asking.	8/14/2021 8:09 AM
156	Traditional auto lanes need to be restored. Bike parking and park let's could go in areas like that next to Ghestalt Haus, or sidewalk in front of park are, or even more narrow park let's. The double wides seem to over step for long term use. Many are not in use during many hours.	8/14/2021 6:52 AM
157	They should remain open to the public, not given to privat3 businesses	8/13/2021 4:27 PM
158	Fairfax needs to keep outdoor dining AND solve the parking problem. I propose that the Town build a parking garage. Maybe between the bike museum and Fairfax market somewhere.	8/13/2021 3:34 PM
159	I put no to #7 but I would be an enthusiastic yes if you modified the way it's being done now. Put the pedestrians where the parking spaces were and separate them from traffic with planters or other barriers and put the restaurant on the sidewalk. It is better for both the business and the pedestrians. The businesses have better access to their customers and the pedestrians can walk unobstructed. Look up cities and towns that have done it this way. It makes so much more sense. Right now the town is becoming inaccessible for anyone with even small mobility limitations - I don't think that is your intent. Even better would be to close off a lane of traffic - it's so nice to have people out on the streets. But I know the opposition is vocal. I'd be happy if you put all the parking behind the businesses for disabled people and in parking lots on the outskirts of downtown for everyone else.	8/12/2021 1:17 PM
160	I love the outdoor dining spaces. They really liven up the town and create a wonderful community ambience. As for the loss of parking spaces, perhaps there's a way to arrange for the use of private parking lots after hours (i.e., the Bicycle Museum and the big wooden building on Bolinas). Maybe the restaurants could pay a small fee per parking space that their outdoor dining displaces, which would go to pay for public use of private parking lots.	8/12/2021 11:52 AM
161	I put off this survey for days because it is so targeted to business and not to other users of the	8/12/2021 9:58 AM

## Outdoor Dining Survey - Resident

core district. How is this a survey for anyone other than a business? Perhaps another survey with questions for residents should be posted instead. At least four of the eight opinion questions are only relevant to business. Giving Hair Salons and Nail Salons separate lines is myopic. Could the public also have four questions not relevant to business so our opinion is counted with equal footing?

162	The outdoor seating that was in the middle of town gave me a place to gather with friends and family in a safe/outdoor environment. I'd like to see it come back and be improved. Much like the outdoor seating in downtown San Anselmo	8/12/2021 9:14 AM
163	The outdoor dining spaces enhance the life and culture of Fairfax by creating a more lively, open and festive downtown. I believe this draws more people to our community. We should do what we can to preserve this and even expand it. Parking will be fine.	8/12/2021 8:06 AM
164	More bike parking. Get rid of car parking.	8/11/2021 6:47 PM
165	the Mono lot was sort of like a town square - it would be nice to have something like a town square like that (I understand needing to reclaim that particular space for parking, but the same great location also made it a great hangout spot!)	8/11/2021 2:54 PM
166	This town needs a bike pump track for kids! I know many other parents who would support such a project.	8/11/2021 2:01 PM
167	All outdoor dining/drinking must be 100% smoke-free (including the "outdoor" patios at the bars that have existed all this time as an "exception" to the smoking ban). Dining should favor locals (reservation system for outdoor tables?) so as to encourage walking/biking to local restaurants instead of driving. The 100% smoke-free parks ordinance is not enforced; it must be enforced.	8/11/2021 12:53 PM
168	Encourage more walking and biking for town residents to ease tourist and delivery traffic congestion	8/11/2021 11:30 AM
169	Please restore the outdoor seating at the end of Mono Ave next to Gestalt Haus - this has been one of my main motives to visit downtown over the last year. I feel very strongly that exchanging these few parking spaces for community space was a huge win. If there were a fund to raise money for outdoor furniture / planting for this space I would definitely contribute - Alan Trombla - alan@trombla.org	8/11/2021 10:33 AM
170	We love the park let's, and think they are a huge net benefit to the Town!	8/11/2021 8:06 AM
171	Fairfax's outdoor dining has been a tremendous success for everyone. I very strongly disagree with the Town's rescinding the public space which Gestalt Haus had been able to use for the past year. Turning into two handicapped parking spaces, instead of allowing many people to enjoy its outdoor space and ambience, was the height of stupidity. There are numerous handicapped spaces available elsewhere in town and it appears that the Town clearly discriminated against Gestalt Haus in doing so - a clear violation of its rights. Restore the open space adjacent to Gestalt Haus for all to enjoy, please.	8/11/2021 8:04 AM
172	This has been a great opportunity to be able to be out with the community and support local businesses. I just wish that the empty stores such as 123 Bolinas and Bun-me would open or have new tenants. It's terrible to see these be closed for such a long time	8/11/2021 7:34 AM
173	More outdoor dining spaces and public spaces for sitting outdoors near restaurants, like the area that was next to Gestalt Haus. Tragedy to take that away for a few parking spaces.	8/10/2021 10:27 PM
174	Love the outdoor spaces! Makes Fairfax so much more lively and enjoy coming to downtown more often to also visit other businesses. Please make them permanent. It would also be a green statement to prioritize pedestrian use over cars.	8/10/2021 6:47 PM
175	Maximize parklets and outdoor dining in town center. Reopen the one by Gestalt. Ridiculous to close that for 3-4 additional parking spots during a COVID resurgence.	8/10/2021 6:15 PM
176	Outdoor dining space take up little Parking compared to the benefit the community. Keep the Parklets!	8/10/2021 4:58 PM
177	More parks, less parking. We should transform the parkade into a combination of parks and parking. COVID will likely be with us for years and people in the town (our top priority) need space to get out of the house. If the park was designed to provide eating space, it could be takeout heaven. There could also be a scenario whereby a service could deliver food to people	8/10/2021 4:51 PM

## Outdoor Dining Survey - Resident

in the park and restaurant patrons would be commingled. You could also add more picnic tables to existing parks to encourage more takeout / outdoor dining. There is also opportunity within the Good Earth parking lot to create a park or parklet to service restaurants on that strip. 2001 Sir Francis Drake Blvd (next to the bike museum) could be acquired and turned into additional downtown parking if needed...or it could be another park! Can the Bank of America parking lot be officially open for anyone to park at outside of their business hours? We could leave a number of spots restricted for ATM visitors.

178	I believe that if we are to retain parklets (which take up parking spaces) they must be open for use to ALL people, not just the patrons of the business of which they are in front. I really liked the town's "Fairfax Square" (next to Gestalt House) which was used extensively by all residents and didn't take up many parking spaces. I don't understand why the town removed it. If the parklets which currently take up parking spaces remain, I believe they should pay rent for the spaces (as they do in San Francisco) or open the parklet to the public.	8/10/2021 2:17 PM
179	You guys are doing great.	8/10/2021 1:28 PM
180	As a resident, I love the outdoor dining spaces, even if they do supplant some parking spaces. They make the downtown feel more welcoming and lively and add to its charm, giving it a more European charm. I enjoy eating outside where I can observe and feel a part of the activity around me. Please allow them to become permanent!	8/10/2021 12:33 PM
181	I like to see the outdoor spaces. I particularly like the shared spaces between multiple shops that get the most use.	8/10/2021 11:27 AM
182	The addition of public spaces for general use, or use by nearby restaurant greatly increases quality of life. Adding a bus route through town or increasing its frequency will help eliminate the issue of limited parking.	8/10/2021 10:08 AM
183	I think parking is important to benefit people from lower income areas who come here to experience our natural open space in and around my. Tamalpais.	8/10/2021 9:18 AM
184	Keep the outdoor dining spaces off Bolinas Rd and have only on the other roads where there is more space.	8/10/2021 9:01 AM
185	Not outdoor dining related but since you asked about parks: My daughter loves the skate park! Such a great outlet for kids during a tough time. I hope it becomes permanent. Love that the town provided opportunities for beginners to learn, and especially for girls. What an awesome confidence booster for kids — learning how to skateboard and holding their own in a supportive environment. Thanks for creating that space!	8/9/2021 10:30 PM
186	They should be allowed. Regulated for fire and health safety standards.	8/9/2021 8:54 PM
187	I think the outdoor dining spaces have added a lot of fun to downtown, and hope they continue.	8/9/2021 7:59 PM
188	Bring back the parking spaces	8/9/2021 7:47 PM
189	Too bad you can't close off the street in downtown Fairfax to cars.	8/9/2021 7:18 PM
190	Outdoor spaces give out town more of a slow life village feel. People can get used to walking a little farther to park or ride bikes. Outdoor dining improves the quality of life in our town and benefits small businesses that will take years to recover. Please keep outdoor dining. We live in ca where we can be outside every day of the year.	8/9/2021 7:01 PM
191	I feel outdoor dining us a great benefit to the town. Not just the restaurant but all business. People are always talking about how it is a small town feel. Then keep the outdoor dining. When the out door community dining area was taken away that hurt many business. I am in town 3 to 5 days aweek and on weekends seeing people from all restaurant using the tables when there were no in door dinning area. Family's could go to afew different places to get food and still beable to eat as a family and everyone was happy with different food but enjoying in one area. My granddaughter made 2 friends and played for hours all due to the area. If it was not for the area she would never had met them	8/9/2021 6:53 PM
192	Would love to have Gestal Hous'e outdoor tables back, thank you!	8/9/2021 6:45 PM
193	Bring back the mono parking outdoor area. It was a great open space to enjoy downtown without being too crowded	8/9/2021 6:13 PM
194	Bring back tables by Gestalt House.	8/9/2021 5:14 PM

## Outdoor Dining Survey - Resident

195	I think the benefits of outdoor dining (safety, visibility, ability to expand business) outweigh the inconvenience of parking farther away. Better signage in the parkade notifying cars of additional parking areas might be helpful. Can we have signs at businesses, such as BofA, that public parking is allowed during closed hours?	8/9/2021 3:14 PM
196	We need a more pedestrian and bike-centered city planning- more parks, safer and separate from roads bike lanes, better sidewalks for pedestrians (that actually continue for more than one block and don't randomly end). Build a central multi-story parking garage and move all parking spaces there, and replace existing parking lots with public parks. This city has SO MUCH potential to be greener, cleaner, healthier, and more people-friendly, and instead it is overtaken by cars and parking lots. We need a more future-focused and green urban design.	8/9/2021 2:13 PM
197	All open spaces on public property should be open regardless of whether you are using the adjacent restaurants services or not. Parking should require resident parking permits on the weekend due to the volume of bikers.	8/9/2021 12:35 PM
198	Make outdoor spaces permanent! Should have been done years ago!	8/9/2021 11:33 AM
199	More outdoor eating and music is great for our town	8/9/2021 10:15 AM
200	The outdoor dining spaces give a European feel to Fairfax and also help keep our local restaurants open. Perhaps the town could build some type of parking garage somewhere between the bicycle museum and Fairfax Market to make up for the lost parking spaces.	8/8/2021 5:43 PM
201	Use the federal/state money coming to Fairfax to build a public restroom. Pt Reyes has simple stainless steel low flow toilets, minimal sink water, no frills restrooms. It eliminates abuse. It should be accessible but not in the middle of the park to avoid homeless hangout (feel terrible to even admit that) We should do the same - too much burden on businesses.	8/8/2021 5:14 PM
202	Unable to answer #9 as I no experience in this area. I feel the outdoor dining spaces really enhance the welcoming atmosphere and create a vibrant downtown. Feels more People centric and less reliant on cars!!!	8/8/2021 4:49 PM
203	Well cared for outdoor spaces for dining and socializing bring a wonderful, lively spirit to the town, help businesses we all enjoy survive, and bring in revenue. I love them! I liked the seating in the parking lot near Gestalt Haus because it was far enough from the sidewalk to give people space when walking by. I'd love to see more of that kind of use near walkable parts of town—and maybe more parking slightly further away from places with lots of foot traffic. I do think the town needs to put effort into making sure businesses and their patrons follow safety guidelines and other rules that protect the public.	8/8/2021 2:28 PM
204	I think the outdoor spaces are a huge boon to Fairfax residents and businesses. Keeping the parking lot public behind the building where Casa Manana used to be would help mitigate any loss of parking, especially during the weekends when most of those businesses are closed.	8/8/2021 12:21 PM
205	During covid the outdoor dining is acceptable. But once movie theater and bars open and more businesses open, the traffic and parking impacts are too much	8/8/2021 9:24 AM
206	With the surge in COVID cases, I'm wondering if removal of the Mono Avenue parklet was premature.	8/8/2021 6:44 AM
207	Outdoor Dining Creates Community	8/7/2021 7:42 PM
208	I love the parklets by the coffee roastery and other restaurants. When I sit outside I always see someone I know walking by and I can chat a little.	8/7/2021 4:58 PM
209	Outdoor seating created a whole new experience downtown, and pushed me to visit local vendors I might not have had indoor seating only existed. I have spent far more money in Fairfax than I might have otherwise, sooner going to restaurants that had outdoor seating in San Anselmo and San Rafael. It also feels like a great long-term solution for keeping general disease transmission at bay as Covid may be with us longer term than any of us would like. Seems like a no brained despite the loss of 5 or six parking spots and a loading zone.	8/7/2021 3:20 PM
210	I am for turning Fairfax Bolinas up to the park into bike/ped zone only.	8/7/2021 2:33 PM
211	The outdoor spaces made Fairfax even more lively and vibrant and charming. Win, win, win!! We are going out more often because of the outdoor spaces!	8/7/2021 2:10 PM
212	The outdoor spaces are wonderful and need to continue. I'd support closing down more space to make way forward outdoor dining.	8/7/2021 1:43 PM

## Outdoor Dining Survey - Resident

213	I'm tired of Fairfax giving up our precious downtown to cars! If we keep the Parkade as it is, we should put up parking meters and make them pay for themselves. Losing the parking spaces to viable downtown business is ok with me. We just need safer bike lanes to our community on bikes more.	8/7/2021 12:58 PM
214	Keep the outdoor spaces especially now with the delta variant. People want to be outdoors and it's safer for COVID precautions.	8/7/2021 7:46 AM
215	Tons of parks and parking lots, which is a lot safer than literally sitting in the road.	8/7/2021 7:36 AM
216	Make the parkade a park	8/6/2021 11:51 PM
217	SO glad to see Gestalt Haus granted that small and unnecessary road for outdoor space and would like to see more creative use of outdoor space. Fairfax was once a lively community that drew people from their homes and neighboring communities to eat, drink, walk, shop, dance,... we need more of that again. Look at San Anselmo - a "dry" decidedly less lively community. The Town has made excellent use of those parks and outdoor spaces, and now they are permanent fixtures. We can do this, Fairfax. Don't drop the ball, this is a real opportunity.	8/6/2021 10:49 PM
218	The patrons that drive have ample parking in the lots near the ballpark or along SFD. Sure, parking is hard to find during farmers market or other events, but that has always been the case. If anything COVID has allowed locals to realize how walkable thier town is. People will always complain about parking, but outdoor spaces created during COVID have brought our town together in a much more meaningful way.	8/6/2021 10:47 PM
219	I think the outdoor spaces have been really great. It makes Fairfax a fun place to be out and about instead of everyone indoors and isolated.	8/6/2021 5:19 PM
220	I think the new public dining spaces have been a fabulous addition. They promote a feeling of community, and foster a community that chooses bicycles and walking over car commuting. More public spaces along these lines would continue to benefit the town and its residents. NYC did a really good job creating parklets from streets (especially Broadway). While our town is at a completely different scale, this approach could have a huge benefit here. Thanks for your continued curiosity and support for shared open spaces for Fairfax!	8/6/2021 4:58 PM
221	If Fairfax does not continue to allow outdoor dining and other towns do, we will lose diners to those options. A parking survey introduced at a meeting last year showed that total spots in town have increased since the Town Plan was made, even excluding those spots taken by businesses, so until someone can prove a parking shortage lets please stop introducing that shibboleth. We need a smarter parking and delivery plan, one that gets diesel trucks and idling cars out of our town center and allows us to use our most valuable downtown space for something more productive than car storage. Happy to have you collect data, but the community participation process is broken: not all of the people who vote are retirees who can stay up until 11 PM to let you hear their voice at a Council meeting. Until then, pay more attention to the surveys that have already been done and other out-of-meetings feedback you are getting rather than to the few cranky voices that are anti-change, whatever its necessity and benefit.	8/6/2021 4:38 PM
222	I am pleased to see local Fairfax businesses thriving as a result of the use of public space for outdoor commercial dining. I do have a few concerns 1) The commercial outdoor dining spaces should adhere to some basic design guidelines for public safety and design quality (Patio platform must be flush and accessible to the adjacent sidewalk to allow ADA access, Patios must provide an enclosure of minimum 30" height and maximum 42" height, Enclosure must be 50% transparent). Secondly, while I support the use of public outdoor space for commercial use I feel this use must be balanced with provision of public seating, such as benches, tables etc like those that were provided at the temporary Fairfax Plaza at Mono Lot. I support the creation of a permanent, public plaza at Mono lot that provides basic amenities such as seating, shade, and a drinking fountain as well as potential space for kid and family friendly programming and events.	8/6/2021 4:15 PM
223	I love the outdoor dining spaces, hope they stay. I'm happy to walk a few extra blocks to be able to eat outside.	8/6/2021 3:05 PM
224	I love the outdoor dining space. We should have more of them. How about removing the 5 spaces on both sides of Bolinas closest to Broadway. Then replace the parking spaceswith wide sidewalks for outdoor dining!	8/6/2021 2:49 PM

## Outdoor Dining Survey - Resident

225	The outdoor spaces which are on public land and streets must not be free deeded to the land owner or business. Fairfax must collect a fair market rate rent for the spaces and maintain passage right of ways for the sidewalk area. I would suggest a maximum lease time of three years with mutual right to end the relationship. There should also be clear guides for acceptable use to exclude activities which might cause a nuisance like smoke from an outdoor grill or loud music.	8/6/2021 2:16 PM
226	While the parklets were amazing for those of us who wanted to support our restaurants, there should be a study done about how the parklets will affect parking in the future, and how they are affecting other businesses because a) they might block access/visability to their business and b) take up parking ability. Once we open up, there really should be no need for these outdoor spaces, and we should go back to thinking about parking, and safety.	8/6/2021 10:36 AM
227	Less cars help us be more of a community	8/6/2021 8:52 AM
228	stop taking away parking spaces	8/6/2021 8:33 AM
229	Dedicated/convert more public parking areas to outdoor seating areas/parklets, etc.	8/6/2021 6:32 AM
230	We need more parking. Some businesses that provide parking through normal permitting gare bearing by the brunt of the changes.	8/5/2021 11:07 PM
231	Parklet and outdoor should stay - it is creating a lot of business and a great energy for the town	8/5/2021 11:03 PM
232	The outdoor dining is a huge asset to the residents and business owners of Fairfax. There is plenty of parking to coexist with outdoor dining. Please don't think of cars before all other means of transportation again. I felt the Cascade striping was initially done to protect pedestrians. And then undone because so many people in cars complained. Do not let cars dictate what's best for our town.	8/5/2021 9:01 PM
233	The parklets in front of the restaurants and the community space by Gestalt have been incredible. It's really nice to see everyone fill them up, give restaurants a boost to their business, and increase the community vibes that this wonderful town is known for. I think that the spaces greatly improve the town and hope that we can find a solution for any issues or minor inconveniences that they bring up.	8/5/2021 8:58 PM
234	I love the outdoor seating areas! Would love to see more events in the ball field, shut down bolinas rd to cars on weekends and add more bike parking	8/5/2021 8:53 PM
235	I LOVE the outside dining spaces and public spaces in general. Please continue to make the downtown a friendly and welcoming space for neighbors to walk, shop, and dine! We definitely should not prioritize cars at the expense of everyone enjoying our town. One of my favorite things about living here is the ability to walk from my home to shop and eat and meeting our lovely neighbors on the way! Let's not put ourselves in car bubbles of solitude. I truly hope you'll reconsider the public dining / out tables near Gestalt House. We need community now more than ever!	8/5/2021 8:14 PM
236	My husband and I are really loving the outdoor spaces. It feels like Europe where you can sit outside and say hello to your neighbors as they walk by. I didn't think Fairfax could get any better but out of the darkness of COVID, the parklet and outdoor seating has added so much to this town. Love it.	8/5/2021 7:19 PM
237	I would LOVE to see the parklets stay forever!!! I live in the beginning of the Cascades and drive past the parklets every day. They are a joy! Bringing people together under our beautiful Fairfax skies. I've seen zero impact on parking. We haven't seen an influx of parking by our house either. I think it would be a great draw for our local business!!!! Please let them stay forever!!!! I would also love to see the parking space by Gesault turn into a permanent public space. It has been so nice to see people gather there	8/5/2021 4:15 PM
238	I love them. I think it's a great addition to the community and good for small businesses. I like the outdoor environment, it feels lively and it's enjoyable to see people.	8/5/2021 4:00 PM
239	They have been a lifeline for business, and the community needs this. Who knows how long this may go on(covid) and the weather isn't making it a problem to be outdoors.	8/5/2021 3:53 PM
240	Keep Bolinas Rd wide open except for bike racks. Letting businesses build out full areas makes it look like a final decision and that is misleading What surveys support safety in event of evacuation?	8/5/2021 3:38 PM

## Outdoor Dining Survey - Resident

241	Was sad to see the space in the parking lot next to Gestalt Haus removed - I thought it provided a good place for the influx of cyclists and an outdoor dining option for Gestalt which would help support their business.	8/5/2021 1:16 PM
242	The town should consider purchasing the Peri's Bar parking lot and converting it into a shared public space/outdoor dining area for DT. I would prefer to see the temporary parklets be converted into permanent sidewalk/dining areas; however, in lieu of that major capital expense, any temporary use of the curb lane should come with design criteria to ensure the structures don't look shabby or sloppy.	8/5/2021 1:15 PM
243	The more outdoor dining options the better! It makes the town more friendly and more alive!	8/5/2021 12:32 PM
244	I think outdoor dining should be a normal fixture . Europe has been doing forever. Restaurants can fit more people and it is just more enjoyable outside Regardless of a pandemic. I think we should close our streets more often. I was pissed when they removed the nice open area next to Gestualt . It was the only place you could go and bring food and drink from anyplace. It was our go to place after the farmers market. Who cares about a handful of parking spots. That benefits outweigh the negatives . Most people around here walk and bike anyway. There is always parking around town some place else . Also with more people who got pets over Covid - going places outside with a pet is a huge plus. And people feel more comfortable with little kids outside as well. Pls bring it back !	8/5/2021 10:50 AM
245	I have loved the outdoor dinner facilities. I feel like it has brought more community to our town. I think funds could also be spent to increase tables at the park for to go options for families with younger kids.	8/5/2021 10:48 AM
246	It's an amazing improvement for our town. Outdoor dining is something the town has lacked for years! Fully support it!!!!	8/5/2021 10:30 AM
247	The pandemic is ramping up. We need to keep those outdoor dining spaces and other places where we can gather more safely. I fear that the restaurants will be shut down again this fall with the delta and lambda variants unless we can keep outdoor dining. I would also love it if we could encourage the gyms to operate outside. In San Anselmo, several of the gyms do have equipment and classes outside. I'm only seeing that with yoga and dance here. Also can we bring back Mono Lot? That was the best!	8/5/2021 9:27 AM
248	The park let's are good for all...there will be many people that won't want to eat indoors for a while after this is all over. Sacrificing what? 6 parking spots to make these businesses survive is t a big ask	8/5/2021 1:04 AM
249	I hope we keep outdoor dining. It brings new life to our small town and brings community literally into the streets (in a good way)	8/5/2021 12:43 AM
250	Some restaurants have large indoor capacity and should not be permitted to have outdoor dining.	8/4/2021 11:48 PM
251	Keep the parklets please!	8/4/2021 10:43 PM
252	As a resident I absolutely love the availability of outdoor dining. It's made it easier for me to support local restaurants through Covid and will cause me to patronize these businesses more in the future if continued. Regarding parking, I always feel that I'm able to find a spot, and I drive frequently because I have young kids, but I've actually been encouraged to walk or bike to town more. Overall I feel like I'm a better and more involved resident of the Town because of this program and I hope it stays!! We love it and feel it has only added value.	8/4/2021 10:34 PM
253	I'd like to see a walking bridge built over parkade to create a continuity and easy access to both sides of town.	8/4/2021 10:31 PM
254	I love the outdoor dining! It's so much easier to take my young children out for dinner when we are outside with more to watch and the ability to move about without disrupting other diners. I would love to see Bolinas closed a couple nights a week like San Anselmo does. Offering "picnic" service in Bolinas Park where families can sit on blankets and dine outside would be so fun!	8/4/2021 9:40 PM
255	Our family would be very disappointed if these amazing outdoor spaces were eliminated. Please keep these outdoor spaces to help the community help the restaurants help our local economy. Thank you	8/4/2021 9:34 PM
256	The outdoor dining has been a wonderful addition to our little town. I personally feel all	8/4/2021 9:00 PM

## Outdoor Dining Survey - Resident

restaurants should be permitted to extend the use of the outdoor dining space until the Covid rollercoaster is no longer an issue. The new CA indoor mask mandate is concerning. Restaurants were hit particularly hard during the pandemic and have incurred astronomical additional costs as a result, such as PPE gear for employees, packaging for to-go orders, costs to construct outside dining, etc. They deserve a break from the monetary constraints, so please leave the outdoor dining until the Covid rollercoaster is behind us. I enjoyed the parking lot conversion next to Mono alley and am sad it has been removed. It would be great to utilize Elsie to Bank Street for more vendors at the farmers market and/or food trucks/vendors during the summer, similar to how San Anselmo is shutting down on Friday/Saturday for outdoor dining. However, I feel that Bank street is under utilized and would be a great space to expand for outdoor recreational use, arts, vendors and expanded farmers markets. In addition, the town has ample parking in many areas and it's rare that the parking lot by good earth is completely full. Most town goers who are local tend to walk into town for events, the market, etc. so I don't feel that parking should be a drawback to keeping outdoor dining or having other social and community outdoor gatherings. Thank you for taking the time to read my feedback and for considering the input of all our residents. This town is very special and it shows through the time and dedication from our council members. Anjelica Gazzano, Live Oak Ave

257	Keep the public spaces Mandate masks indoors and out until children are able to be vaccinated	8/4/2021 8:42 PM
258	The option to dine outside is just so much better. I hope it's allowed to continue forever.	8/4/2021 8:36 PM
259	Keep outdoor dining/make it permanent. Parking is not a priority here. Businesses staying open and having seating to accommodate more patrons is MUCH more important. We have the opportunity to dial back car culture and promote personal connections, community and save our small businesses all in one fell swoop. Please do not muck this up	8/4/2021 8:33 PM
260	The wood is not very attractive on the outdoor dining areas, looks shabby now so if this is extended it needs to have an improved design and material. We don't come downtown as much because parking is inadequate - especially now that the theater is open again. But if keeps the businesses alive so be it.	8/4/2021 6:49 PM
261	the outdoor dining has been one of the best things to happen to our town. We LOVE being able to eat outside at all our favorite spaces. PLEASE keep them around permanently.	8/4/2021 6:28 PM
262	Suggest keeping the lot next to ghaus closed- it's a great place for the community to gather.	8/4/2021 6:20 PM
263	I love the outdoor dining spaces. It really brings a community feel to fairfax!	8/4/2021 5:19 PM
264	Keep em	8/4/2021 5:18 PM
265	I want to make the parking lot where the skatepark is into one big skatepark to serve the needs of the skaters there. I'm an instructor and I do the after school programs and it's my responsibility to help these kids build confidence and I am concerned that eliminating more parking spaces will make my case very hard to expand the skatepark. I think that the outdoor dining should stay. But without a parking solution, or the courage to lose those parking spaces, my mission to expand the skatepark will become very difficult.	8/4/2021 5:14 PM
266	Fairfax is so much more fun with the outdoor spaces and we spend waaay more at local businesses because of them. The town would have to be insane to get rid of them. We have enough parking and we won't need a lot of parking if no one comes to town because they have to sit inside. That would be ridiculous	8/4/2021 5:12 PM
267	While I realized it created parking challenges, the "Fairfax Plaza" area became a wonderful community space. Overall, these outdoor gathering feed the sense of community in town, and helps draw more attention to businesses that will need longer-term solutions for the losses incurred during the pandemic.	8/4/2021 5:08 PM
268	The parklets add so much to the town and to our spaces, and help businesses stay alive. It's a no brainer to make them permanent to some degree	8/4/2021 4:37 PM
269	Businesses like Way Station had a very hard years long permitting process for a safe traditional outdoor patio. Now all of their competitors who complained get fast tracked patios overnight. And they are taking advantage of the opportunity and want to exploit the generosity and make the temporary patios permanent. Doesn't seem like a level playing field for those who came before. The Coffee Roastery and Gestalt Haus and Splitrock are the most egregious examples of those taking advantage of the situation.	8/4/2021 4:36 PM

## Outdoor Dining Survey - Resident

270	Was hesitant at first but now really enjoy the outdoor spaces. Gives the town a different, positive feel.	8/4/2021 4:28 PM
271	continue to advocate for walking to, in, and thru town. more outdoor space is desirable, not sure where that can happen tho.	8/4/2021 3:41 PM
272	I LOVE having the outdoor dining spaces, it really improves the town and creates a lovely sense of community. PLEASE make it permanent!!	8/4/2021 3:31 PM
273	I have truly loved outdoor dining in Fairfax and hope it's here to stay!	8/4/2021 3:28 PM
274	I really like the park let's and feel that they have been beneficial for our community from public health and economic perspectives. I'm glad they were extended. Long term, impact studies should be done on safety and on businesses- but covid is here to stay for a while and I'm happy we have them now.	8/4/2021 3:15 PM
275	See above. Also: Make more use of the baseball field. Not just for baseball but for outdoor dining under the stars. Also. See if BofA is willing to sell their building. That place is huge and the entire property could be better put to use for the town. Do a charity raising for purchase and create a park out of the parking lot where people can dine outside. Have a small community garden put in. The building is historic, so keep it and get some sky lights and windows in there and create a non alcoholic place for local teens and elders (locals only) to gather to play billiards, bingo, shuffleboard, storytelling. Have town events there when the pavilion is taken up. There's a lot of potential in that massive property, untapped. And the same goes for the property next to the Good Earth. As far as already public places that's a difficult one because we need parking. What buildings / land is Fairfax willing to purchase for the public and can they do this as a charity fundraiser. Lots of wacky ideas! Trying here.	8/4/2021 2:49 PM
276	I love the outdoor dining, I feel it has greatly improved the restaurant experience in Fairfax and makes the downtown area seem more lively and fun.	8/4/2021 2:30 PM
277	Put them in one of the parks, leave the parking spaces alone	8/4/2021 2:23 PM
278	The outdoor dining has created a warm ambiance to the town along with a way to eat out while feeling more safe to do so. I am someone who enjoys and prefers outdoor setting to indoor, when the weather permits— which it mostly does here in CA.	8/4/2021 1:41 PM
279	Loss of parking concerns are overblown although we might want to have at least 1 handicapped spot by each parklet. The loss of Fairfax Plaza was a shame. I look forward to and support the new shared space on Mono.	8/4/2021 1:41 PM
280	Love it! Keep as much outdoor space as possible	8/4/2021 1:36 PM
281	I think it's absolutely wonderful eating outdoors. It has helped the community feel more apart of our town. I also believe covid is here for a while and our restaurants are going to need continued support for a very long time. I haven't found parking to be a problem at all. Please make the parklets permanent.	8/4/2021 1:29 PM
282	Some of the build outs are need to be uniform. The packing next to Gestalt house becomes a garbage pit when it closes.	8/4/2021 1:23 PM
283	I think the outdoor spaces have greatly improved the vibe in downtown Fairfax. Even throughout the pandemic it was amazing to see people outside dining and patronizing our wonderful downtown businesses. It's fantastic to be able to enjoy the great weather and when indoor dining is allowed it also allows restaurants to increase their capacity. As a twenty year resident of Fairfax this is a best I have felt about the downtown. I for one would be extremely disappointed with the city if the parklets were closed. I love the creative thinking that has generated the idea to close part of mono and create a community space that is open to all. Also what about adding nice lights and tables to the redwood grove in Bolinas Park where people could enjoy take out and even music could be scheduled. San Anselmo's outdoor dining area in the middle of town is fantastic.	8/4/2021 12:21 PM
284	The parklets and outdoor seating is a perfect use of space in Fairfax. The local businesses do not have the ability to increase their indoor seating and shared outdoor seating allows for them to serve more people using the resources they currently posses. The weather in Fairfax allows for the use of outdoor spaces most of the year. The opposition will state that the parking issue requires they walk further to access. The town should be encouraging visitors to utilize green transportation methods such as walking and or bicycles. Those who truly have access problems can utilize the handicap spaces. Our town is in a unique position to become known	8/4/2021 12:15 PM

## Outdoor Dining Survey - Resident

for indoor/outdoor entertainment that centralized in a few small blocks. The less cars the better as it encourages pedestrians. Please spend a few minutes watching the attached video links: <https://youtu.be/9OfBpQgLXUc> <https://youtu.be/bAxRYrbnuA> [https://youtu.be/y\\_SXXTByplg](https://youtu.be/y_SXXTByplg)

285	I think it's a great shame that the benches/tables beside gestalt are back to being a car park. That was a lovely part of town. I appreciate folks want convenient parking but that is less important than making the center of Fairfax a safe, enjoyable environment for walking and sitting in. Pedestrianisation is highly effective in towns and cities around the world in terms of increasing revenue for local businesses. We do so much that biases towards car owners, it's important to focus on what would make the town more successful rather than convenient for a vocal minority.	8/4/2021 12:11 PM
286	Having outdoor seating is such a lovely part of the center of town and makes going to restaurants, cafes and bars a lot more appealing. Maybe the parking at the hardware store could be used after closing. There are so many parking spots around town, but having better signs to the parking or access to private parking could help. People are much better than cars for making a vibrant town center!	8/4/2021 12:06 PM
287	Please let the restaurant folks keep outdoor dining. They may have to go back to no indoor, and it makes no sense to remove it all to put it back up. Makes the town lively.	8/4/2021 11:53 AM
288	Utilize the space next to Way Station for outdoor seating	8/4/2021 11:35 AM
289	I think the outdoor dining spaces make Fairfax a more lively and charming town and that whatever logistical issues may arise the trade-off is worth it for "quality of life" enhancement.	8/4/2021 11:14 AM
290	No parklets should be allowed on Bolinas Rd. The others should remain.	8/4/2021 11:12 AM
291	I was sad to see the Fairfax Plaza go. It was a great place to work on nice days and it kept COVID infections down by keeping the surrounding bars mostly empty inside. In my opinion, we worry too much about parking. A little walk doesn't hurt anyone (assuming there are handicapped spots).	8/4/2021 11:06 AM
292	Let's open up more space for people and stop taking so much space for parked cars. The parkade could be such a great community meeting space. It really feels wasted to me	8/4/2021 10:57 AM
293	I feel granting individual businesses outdoor spaces is most definitely going to effect parking and hurt all downtown activities. There should be less and they should be shared spaces.	8/4/2021 10:56 AM
294	Would love to ensure we keep all existing outdoor spaces and look for more - this has been one of the few silver linings of the pandemic, and almost seems obvious that we should've been doing more outdoor dining all along given the beautiful weather we have here almost year round!	8/4/2021 10:51 AM
295	I absolutely loved seeing the vibrancy of the Fairfax community shine through, even in these dark times, through the outdoor dining spaces. I am hugely in support of these remaining, or even one night a week closing down the main throughfare on Bolinas for pedestrian/bike only and dining, live music, etc. Also, not sure if this is the place for this feedback, but I think there is huge potential for community space by restoring the Town and Country center as a place for the community to gather (pool, open space, music/events, etc) - while of course still maintaining the housing that is currently provides!	8/4/2021 10:40 AM
296	Some of the spaces should be reduced or modified for traffic safety. This includes the Roasters and Village Sake.	8/4/2021 10:40 AM
297	I'd like to see more out of downtown parking available	8/4/2021 10:21 AM
298	I would love to keep the park let's, but return the mono lot to be parking. The way it is now where you have to drive and turn around and then park really does not work. And having that large open space next to there doesn't really add to my experience of downtown. In fact, I never feel safe there and feel uncomfortable even walking by it because there is so many people congregating in close proximity without masks. I think having the Parklet is great and makes our town so much more lively and fun, but if people want to sit in larger groups they can go to the park. Also there is an issue with alcohol there	8/4/2021 10:21 AM
299	They create vibrant community spaces and make the town feel alive!	8/4/2021 10:18 AM
300	Creating outdoor space for eating and drinking in a town that had almost none changes everything. Losing a couple of parking spaces changes nothing: a few people, probably from	8/4/2021 10:13 AM

## Outdoor Dining Survey - Resident

out of town, might have to park half a block farther away. Doesn't Fairfax supposedly value people over cars? Please make these permanent.

301	I think that the outdoor dining brings a great air of energy to the town in the warm evenings. Not sure how it will continue during the winter...	8/4/2021 10:07 AM
302	I have REALLY liked having the outdoor spaces, it has been a massive improvement and hope they are permanent, I so enjoy getting to enjoy the food and drink of Fairfax outdoors.	8/4/2021 10:04 AM
303	We have loved the outdoor dining in Fairfax this past year! Our family has two unvaccinated little kids. We enjoy sitting outside with our littles for an early dinner out. Stillwater and Sorellas are favorites! Please keep as much outdoor space as possible in Fairfax!	8/4/2021 9:38 AM
304	create a central park like San Anselmo for all to bring takeout food to	8/4/2021 9:36 AM
305	In the summer, allow a "Fairfax restaurant" festival for 4-6 weeks where there would be dining and music on the parkade.	8/4/2021 9:36 AM
306	Love the outdoor dining, both as a resident & retail business owner. Parking is a concern; wish there was a place outside of the downtown core where bicyclists could be directed to park for their day trips. That would make a huge difference with the parking situation.	8/4/2021 9:34 AM
307	I prefer the area next to Gestalt Haus as a plaza than a parking lot.	8/4/2021 9:30 AM
308	Fairfax should consider following San Anselmo's model of closing downtown to traffic Friday evening and having live music, kids playing safe in the street. I am aware that San Anselmo ave is not the main thoroughfare like Bolinas Rd. However Fairfax leadership should check out San Anselmo on a Friday Afternoon it is really really cool we can do the same thing.	8/4/2021 9:16 AM
309	This survey sucks. Badly written and fairly worthless for data	8/4/2021 9:12 AM
310	Fairfax is an outdoor town and should embrace the outdoor seating. For reference, I'm in Washington state now and they hardly have any outdoor seating where we are. You have no idea how special it makes the town. People will always find a place to park.	8/4/2021 8:26 AM
311	Outdoor areas should be attractive. If they are approved permanently they need some regulations as to not be an eyesore.	8/4/2021 8:12 AM
312	The road from BofA ty o Bolinas Rd near the Pavillion is very wide and could be somehow used for more parking--keeping the street or maybe not given there are other ways to get through.	8/4/2021 8:01 AM
313	Parking spaces should be returned. No more sidewalk dining or parklets. No large gatherings in parks until the pandemic is over. Fairfax needs to stop allowing maskless crowds to gather downtown. Sidewalks need to be accessible for all people, not just restaurant customers.	8/4/2021 7:49 AM
314	I love the charm of eating outdoors and being outdoors... keep the little outdoor eating areas please ~	8/4/2021 7:44 AM
315	It's so great to see the town so alive with people using the outdoor spaces!	8/4/2021 7:34 AM
316	Town Center should be a place for people to gather and enjoy themselves .. the park let's are a great addition to town .. reinforces the message the Fairfax is a place to Enjoy Life ....	8/4/2021 7:27 AM
317	I suspect we may not be able to keep all restaurant parklets - due to street space - but I think we should keep a few AND the public space next to gestalt haus. I think all of the outdoor spaces really benefit our town!!! The big question will be maintaining the structures so they don't look shabby in a year or so ..... I also understand that this cannot be the responsibility of public works - those guys already have so very much to take care of!!	8/4/2021 7:25 AM
318	This is not good for Fairfax, it's GREAT. Come on, these businesses have suffered long enough. They need Fairfax to step up for them and allow outdoor dining. It's also incredibly charming for our town, it looks good. It does not impact safety. (The parakeets are just like parked cars!). It brings more business to Fairfax. It improves the morale of the town. Let's make this a positive out of the negative of the pandemic. It's good in every way. As far as parking, come on. There's plenty of parking, and people can stop whining and walk a little. The benefits FAR OUTWEIGH the negatives. Let's go, Fairfax. Do the right thing!	8/4/2021 7:20 AM
319	I feel outdoor dining spaces should be extended as long as there is serious health affects from the pandemic. I do not support long-term extension once the pandemic is over or under control.	8/4/2021 7:18 AM

## Outdoor Dining Survey - Resident

320	PLEASE KEEP THE OUTDOOR DINING!! As a resident, we eat out even more now that outdoor seating is more available! Life is better in Fairfax with outdoor dining! I don't know why this is even an issue up for discussion. Parking has always been an issue and the amount of parking spots that have been taken to support outdoor dining is not enough to warrant getting rid of it.	8/4/2021 7:10 AM
321	I've loved the outdoor dining ! Please keep :)	8/4/2021 7:10 AM
322	None of knows what is to happen with Covid and frankly i think all businesses should have access to outdoor spaces as much as is feasible.	8/4/2021 6:55 AM
323	Must keep outdoor park let s just like in San Francisco. This is the future and the entire retail district will benefit with more foot traffic.	8/4/2021 6:51 AM
324	Parking lots have proven to be sufficient. The utilization of parking space by restaurants has not deteriorated the spaces available.	8/4/2021 6:44 AM
325	It is such an added bonus to our town!	8/4/2021 6:39 AM
326	I think outdoor dining is wonderful. Our climate is fairly mild and it's so nice to be able to take advantage of that for al fresco dining. Longer term, it's very supportive of restaurant business to expand their capacity and income potential. This sidewalk activation should benefit other businesses as well with increased shoppers. Fairfax should also reconsider closing off Bolinas street for one block to make it all pedestrian. Many European cities do that with great success on major shopping streets. Fairfax has historically made good use of its parks etc for the Fairfax Festival and weekly farmers market.	8/4/2021 6:39 AM
327	I like the use of the Mono lot for dining since it is open to all. The other areas are only open to paying customers of the individual restaurants/ this does not benefit the residents of Fairfax only increases profits for those owners. Not right !	8/4/2021 6:38 AM
328	I love the outdoor dining in Fairfax and I strongly support making it permanent.	8/4/2021 1:07 AM
329	Bring back the public space next to the Gestalt house, it's minimal parking vs the greater good of a community gathering space	8/3/2021 10:40 PM
330	More streets for people, not cars. People love Fairfax because it's NOT Novato or Morgan hill.	8/3/2021 10:40 PM
331	The pop outs benefit out of towners much more than locals and personally I don't see the need to further support impacting the neighborhoods, making it harder for locals to park downtown, and making Fairfax more of a destination for folks from elsewhere to come to..... Your survey is also confusing as per business owners and others, and besides, look at the numbers. How many business are there compared to folks which may fill out this survey? Think it through.....	8/3/2021 9:58 PM
332	Please quit losing parking places around downtown... it's more than enough you gave up parking to a skateboard park...	8/3/2021 9:58 PM
333	I love the vibrancy and sense of community that the outdoor dining spaces bring. It feels more lively and inviting.	8/3/2021 9:57 PM
334	Food truck evenings at areas like library, bolinas park, peri park, ball field	8/3/2021 9:35 PM
335	Safeguard current available parking.	8/3/2021 9:09 PM
336	Turn the parkade into space for people instead of cars. Bring back the tables next to Gestalt, but make it clear it is not only for Gestalt patrons. Having the tables and public outdoor space brings life to the town.	8/3/2021 8:59 PM
337	I don't think we should give away our public parks, streets and parking lots to private businesses without proper compensation to the town.	8/3/2021 8:15 PM
338	I'd love to see tables and string lights among the trees next to the Pavilion, like how they did in San Anselmo at the old L'Apparte space.	8/3/2021 8:05 PM
339	Bring back the Fairfax plaza to the people. I think a few voices took it down. Such a shame. That being said, parking compensation needs to be looked at.	8/3/2021 7:33 PM
340	Anything to support local businesses	8/3/2021 6:59 PM
341	Fairfax Lumber Library Fairfax Market	8/3/2021 6:55 PM

## Outdoor Dining Survey - Resident

342	Do what's best for All businesses in town, not just the restaurants. While they were hurting for months during the pandemic, the pop outs were fine.. but everyone is and should be back to full capacity indoors, so need to keep them up. It's important to note All businesses suffered during the pandemic. Questions: What is the rent they pay for the space of our taxpayer parking spots? What will you do once there is no parking at Bank of America? What about the delivery drivers .. where are they supposed to park and deliver reasonably to their customers in a timely manner that allows them to get their other customers. It seems the town council has decided to put restaurants first and make it harder on the other businesses, may I ask why that is? Finally how are you making the space you've given restaurants who can afford to build a pop out, equitable to All businesses?	8/3/2021 6:51 PM
343	Picnic tables in Bolinas park. Reopen the parkade next to gestalt. Who cares about parking. It encourages us residents to walk into town and support local businesses.	8/3/2021 6:36 PM
344	Definitely make all outdoor dining spaces become compliant. Several are too large and blocking other businesses. One is 1 ft too big into the center of the road. This is illegal. Bolinas road is an emergency exit for a few thousand people.	8/3/2021 6:17 PM
345	PLEASE give back the space by Gestalt Haus. This was such a needed area for congregating. I get that parking may be hard at times for out of towners, but this is our town not theirs, and we need outdoor community space. I am so sad that that is once again a parking lot...	8/3/2021 3:09 PM
346	Use of Mono lot for shared dining is working well. All others seem like privatization of public space. There have been evenings where I have had to walk in the street due to congestion in front of still water. Having a service window leading to sidewalk makes this particularly bad. I am glad that the town has helped businesses stay alive during pandemic, but to make them permanent is a giveaway of public property that only benefits some of the businesses	8/3/2021 1:22 PM
347	Fairfax needs to make the safety of its citizens the number 1 priority by removing these structures from the public right of way	8/3/2021 1:00 PM
348	I was offended seeing the parklet on Bolinas Rd. using a handicapped parking space. I do not feel comfortable eating on the street with traffic and unmasked people walking by.	8/3/2021 12:31 PM
349	The Mono parking lot being used as a place for people to sit, eat, drink & socially gather. That space at least doesn't interfere with pedestrians trying to walk safely throughout downtown Fairfax without exposing themselves to people that are sitting on sidewalks or parklets with seating alongside sidewalks that potentially expose people to the virus circulating through the air.	8/3/2021 12:04 PM
350	I feel the parklets should be temporary. As soon as we are back open, we should remove them. Unfortunately Fairfax has one way out from the the Cascade canyon and Deer Park areas and in the even of an evacuation, the parklets will be a dangerous threat to lives with cars trying to drive out of the area. My thoughts on sidewalk dining is small tables next to the buildings like cities do and like France and other quaint boite type cafe's. We need to keep safety first overall.	8/3/2021 11:25 AM
351	Please make these outdoor dining spaces permanent! It adds to the environment and makes Fairfax feel more special that it already was. We love the outdoor dining option!	8/3/2021 9:39 AM
352	we need parking lots for the use of residents and others utilizing businesses and our parks	8/3/2021 9:13 AM
353	I love the outdoor dining. It brings the community together. Some of the parking problems are all the out of town bikers who take up Space and give very little back to the community. Maybe a shorter parking limit in the parkade and extended time for residents with parking tags.	8/3/2021 8:42 AM
354	The outdoor parklets and are excellent for our town. They have provided community gathering spaces, have attracted desperately needed business, and have breathed life into the town and it's businesses. All the town parklets simply MUST stay. The loss of the use of the outdoor Public spaces and Parklets would be devastating on every level. It would like going going back the dark age. Please bring back Mono Lot outdoor Park area. The loss if that Park area is significant. We had no idea that was being taken down. Why was there no notification that it was on the chopping block? Why weren't we given the chance to defend and support it's long term use? The Parklets MUST stay. Fairfax is vibrant and flourishing as a result of their presence.	8/3/2021 7:57 AM
355	As a resident of Dominga Ave, I ask the Town Management and Council to not close Bolinas. Cut through traffic is already an issue and will be worse once school is back in session. The	8/3/2021 6:57 AM

## Outdoor Dining Survey - Resident

Elsie/Bank alternative is not a viable option. People will cut through Dominga. Please keep Bolinas open as you consider next steps for our town. Thank you.

356	I liked parking lot conversion next to Gestalt Haus.	8/3/2021 3:21 AM
357	Keep as much outdoor dining as possible!	8/3/2021 1:17 AM
358	Just get rid of them all	8/2/2021 11:13 PM
359	Keep the outdoor dining spaces in Fairfax! They are beautiful and improve the sense of community. So fun to walk down the street and see people enjoying a meal or drive through at night and see families and friends under pretty lights. It brings new life and energy to the town-similar to what you might find in Europe. Let outdoor dining in Fairfax be one of the positives of COVID. It seems stifling to be forced back inside after having enjoyed this new way of dining.	8/2/2021 10:59 PM
360	put it back the way it was- you've made a dangerous mess out of our evacuation corridor-- if people have to evacuate at night- and firetrucks have to get in- who will survive the head- on collisions?- i'm starting to understand why you hire out of town personnel- who would want to be here and live through the calamity you have put in place for half the residents who will need a wide open road to get out on should/when a fire occurs. it's on your heads- you've been warned repeatedly-maybe it's time that renee trades her bike in on a broomstick so she can get out? all the 'bike friendly' signs on cascade road aren't going to help anyone during an evacuation event-- good job council--	8/2/2021 10:31 PM
361	Fairfax is now liable for injuries and deaths should a Wildland fire blow through the southwest portion of Town, south of Park Road, and residents and visitors not be able to get out in a timely manor and safely because of blockages on Bolinas Road.	8/2/2021 9:59 PM
362	PLEASE KEEP OUTDOOR DINING!	8/2/2021 9:31 PM
363	The small number of spaces currently being used by restaurants aren't really causing the slight difficulty in parking that some people are experiencing downtown. Parking is always more challenging in the summer months in Fairfax, and more so this past 18mos in a town with a lot of access to the outdoors during a pandemic.	8/2/2021 9:08 PM
364	No park lets. We need parking. And open escape routes. Remove all the 2nd tier 'gardens' by the post office. Replace street parking there and in front of the good earth. Replace the right hand turn lane across from the theatre so traffic doesn't back up to the good earth during rush hour.	8/2/2021 9:07 PM
365	All of the outdoor dining options have been fantastic. The public space adjacent to Gestalt Haus was utilized by quite a few user groups and seems sad that the town has determined it is more important for parking. Are we a progressive town, maybe not, it seems with respect to car priorities, seems to have been working the past few months. The outdoor options certainly gives Fairfax an awesome new vibe, quite Fairfaxian !	8/2/2021 8:53 PM
366	The creation of a parklet on Mono Lane since closing of Plaza would be great. Having two one way streets off of Bolinas in same direction is beyond redundant.	8/2/2021 8:46 PM
367	Bummer that the gathering space by Gestalt Haus was turned back into a parking lot.	8/2/2021 8:40 PM
368	Please continue to support our local businesses and help our restaurants survive	8/2/2021 8:01 PM
369	I think moving and keeping dinning outdoors is great. We should prioritize people over cars. There is a lot of parking at good earth, Fairfax market, Fairfax lumber and the parkade. It should all be available for the good of the town. I would support an ordinance that compels the owners of these lots to make them available.	8/2/2021 7:53 PM
370	Bring back the parking. I can't shop if I can't park. Put picnic tables in Peri park for take away dining. Permit wine and beer bought in restaurants in designated picnic areas. Increase handicapped parking several fold, near the businesses, not the parkade.	8/2/2021 7:37 PM
371	plz give us back bolinas ave --	8/2/2021 7:22 PM
372	please prioritize public space and active outdoor programming over parking. long term, the sidewalks on Bolinas and Broadway should be widened.	8/2/2021 7:09 PM
373	Love the parklets! All praise is due the Town for allowing them as they saved our restaurants while allowing new restaurants to prosper. They are a beloved feature for residents and visitors alike and should become a permanent feature of our Town.	8/2/2021 7:09 PM

## Outdoor Dining Survey - Resident

374	Put more tables in the park so people can take to go food from restaurants there instead of using parking spaces to dine.	8/2/2021 6:56 PM
375	Except for the parklets that benefits the restaurants and coffee Roastery the other stores do not and did not want them but are afraid to speak out. There isn't Parking near their stores. I believe nothing will change these park let's Until a car takes their eyes off the road, runs into one of the parklets and someone get injured. Law suit waiting to happen.	8/2/2021 6:51 PM
376	We love the parklets!	8/2/2021 6:44 PM

86	None	8/3/2021 11:17 AM
87	Bike parking is rarely safe enough, not supported in some outdoor dining areas.	8/2/2021 8:12 PM
88	Room for bikers egress.	8/2/2021 7:12 PM

**Q10 Please share any suggestions, including how Fairfax could make use of public spaces (ie:parks, streets, parking lots) and what those uses might include and/or feedback on the subject of outdoor dining spaces:**

Answered: 86 Skipped: 125

#	RESPONSES	DATE
1	We live in San Anselmo, but have enjoyed the outdoor dining opportunities in Fairfax, and look forward to continuing!	8/25/2021 11:32 AM
2	I feel you should have more street parking available.	8/25/2021 9:09 AM
3	I think outdoor dining enhances the town. It's nice to see and makes things more interesting. It appears more welcoming to visitors. I love in San Rafael on Friday when 4th street is closed to cars.	8/25/2021 7:05 AM
4	I just visited on a weekday at Fairfax and I saw this and checking out places and lots cyclists and stuff but that's great town to visit	8/24/2021 8:06 PM
5	We live in Woodacre. Appreciate being able to dine outdoors! If we could not eat outdoors, we would not patronize eateries in Fairfax.	8/24/2021 3:35 PM
6	The sidewalk on Broadway feels very crowded and cluttered. It would be great to use underutilized parking like the movie theatre and the lot on Bolinas for outdoor dining	8/23/2021 8:37 PM
7	It's wonderful having lively streets.	8/23/2021 3:28 PM
8	Outdoor dining is super cool and reminds me of Europe. Large outdoor spaces with quality fare enhance the feel of community and bring us together outdoors and outdoors is where people need to be. I would love to see a large bizarre and gathering place in Fairfax or San Anselmo where locals and tourists alike are welcomed. Food, music, art, theater and the like would be amazing	8/23/2021 7:47 AM
9	Keep all the outdoor dining! Love it, for so many reasons.	8/22/2021 7:45 PM
10	At the very least the outdoor dining spaces are essential during the pandemic! We need to support our local restaurants.	8/22/2021 7:45 PM
11	Continue to include outdoor activities dining shopping and farmers markets.	8/22/2021 5:47 PM
12	I love outdoor dining covid or not...feels very European. And obviously covid safety is my number one concern right now. I simply will not eat indoors yet.	8/21/2021 10:27 PM
13	I love the parklets and outdoor dining in Fairfax, and I eat out about twice a week in Fairfax (I'm a resident of San Geronimo). I would love to see more pedestrian-only streets downtown. Maybe on Bolinas or Broadway to create a better dining experience and encourage more patronage. It would be great to see Fairfax market parking lot open to more evening parking to relieve congestion.	8/21/2021 10:03 PM
14	Fairfax should be planted into a food forest and the food could be given to low to no income residents.	8/21/2021 9:54 PM
15	I * love * the outdoor dining. My family and I come to Fairfax far more often than before.	8/21/2021 8:37 PM
16	Our family often determines where to eat dinner based on outdoor dining because of the beautiful Marin weather, and skips restaurants that don't have it. Enabling outdoor dining is a huge positive, as far as we're concerned.	8/21/2021 7:46 PM
17	Love it! Park somewhere else	8/21/2021 5:05 PM
18	Open the restaurants!	8/21/2021 3:18 PM
19	Keep outdoor dining!!! By far, the best thing that came out of COVID!	8/20/2021 6:38 PM

## Outdoor Dining Survey - Visitor

20	Our weather supports 10 months of outdoor seating. Why has it taken so long for us to enjoy this.	8/20/2021 4:39 PM
21	Please keep the outdoor dining spaces as is, and allow for other businesses to expand as well when they ready	8/20/2021 3:44 PM
22	Outdoor dining is great for everyone! Many people walk or ride to town anyway. There is plenty of parking nearby too.	8/20/2021 2:22 PM
23	(1). Make decisions based on positive input, not the career obstructionists. (2) have outside consultant update and simplify traffic related requirements.	8/20/2021 2:15 PM
24	Leverage our beautiful outdoors more	8/20/2021 1:55 PM
25	As a San Anselmo resident and frequent visitor to Fairfax to dine- we totally support continued outdoor dining spaces- it's very European and welcoming even beyond the pandemic!	8/20/2021 1:52 PM
26	There's a reason why all of Europe has outdoor dining... it works for everyone. It has improved the social and dining experience in general is what I see	8/20/2021 10:29 AM
27	Food trucks in library parking lot? Bring back Oktoberfest. Strawberry Rec just had a great Community Night on their field and surrounding hardscape. Had maybe 6 food vendors, 15 community group tables, live bands on the field, 200+ people. Great family-friendly community buzz. I love Fairfax Fest but maybe start back up with something smaller.	8/19/2021 4:14 PM
28	Peri Park is great. I love the farmer's market and concerts. I am a fan of the skate park. More offerings for seniors would be great	8/19/2021 9:39 AM
29	We come to Fairfax at least once a week for dinner and before Covid a movie. We live in SF and love the community and the beautiful climate. Fairfax has an abundance of great restaurants and the community's embracing diversity. As an interracial gay couple we feel so welcome in your beautiful hamlet. Now if we could only afford to live there. Keep up the great work!	8/18/2021 7:30 PM
30	More bike access	8/18/2021 5:40 PM
31	Please keep outdoor spaces-parklets, it creates a fun atmosphere with music !	8/18/2021 5:19 PM
32	Keep the skateboard park, such a valuable addition to the town of Fairfax. The dining outdoor space is good, maybe if they could exist in with parking space that parallels the restaurant they services. They do not need to extend space that obstructs or obscures access to retail neighbors.	8/16/2021 9:08 PM
33	Most businesses have been creative and appear to be successful in their use of available spaces.	8/15/2021 12:03 AM
34	Create giant underground parking so cars are kept cool and make every space an EV space. Also implement luxury park spots in premium locations and provide car wash services for extra revenue. Give small businesses free advertising in the parking lots.	8/14/2021 1:40 PM
35	Please retain these great additional gathering spots!	8/11/2021 10:33 AM
36	As a visitor I chose to dine in Fairfax because of the availability of outdoor dining. I do not feel safe eating indoors	8/9/2021 10:15 AM
37	I am a regular visitor to Fairfax, arriving by both bike and car. I'm really disappointed to see the loss of the dining space in the parking lot near Gestalt Haus off Bolinas Rd. Seems the loss of outdoor dining space is great relative to the minor cost of the few parking spots. Just seems like supporting local businesses should be of greater importance than the lost few parking spaces. Covid looks like it will be with us longer than we hoped; I'd love to see the safe dining spots returned.	8/8/2021 4:40 PM
38	It is a shame you decided to discontinue the community space in the parking lot in favor of autos. I thought the city of Fairfax supported bikes, pedestrians over cars and supports the local businesses. Many will choose other towns.	8/8/2021 1:40 PM
39	I'm not a business owner, but frequently come through Fairfax as a cyclist and I think it's great to have the outdoor space! It's a huge motivator for me to stop, grab lunch/drinks, and enjoy Fairfax for an afternoon. I hope you'll keep them!	8/7/2021 2:59 PM
40	More outdoor spaces! Thank you!	8/7/2021 12:12 PM

## Outdoor Dining Survey - Visitor

41	The outdoor spaces have added a vibrancy to Fairfax. I think the only consideration would be that those spaces need to be maintained and kept clean as they age	8/7/2021 7:45 AM
42	I think the parklets are a great addition to the town. The parking impact is minimal, and the atmosphere of the town is greatly enhanced. I like them regardless of COVID-19, furthermore while covid is happening they are essential.	8/6/2021 6:01 PM
43	shared outdoor dining spaces are awesome. helpful to businesses in providing additional space for customers.	8/5/2021 6:07 PM
44	Don't take away human spaces for cars and parking! Including the patio already taken from outside gestault haus!	8/5/2021 2:32 PM
45	With the ongoing Covid threat, I would suggest permitting quiet amplified music in those locations.	8/5/2021 12:52 PM
46	I would say N/A to questions 2, 3 and 9. Live in Sausalito. Come to Fairfax at least once a week for biking. Love the outdoor spaces. Makes it feel like a cute little European town.	8/5/2021 6:01 AM
47	Mono Ave seems like a good compromise for outdoor eating.	8/4/2021 9:10 PM
48	The parking lot community space was so wonderful!	8/4/2021 8:05 PM
49	Really enjoyed being able to frequent businesses especially bars and restaurants in Fairfax and being able to eat outside with friends. Live music in the lot right by Bolinas/Center ave was great too. Please bring it back!	8/4/2021 7:49 PM
50	We love all the outdoor dining areas. We encourage you to create more community spaces!	8/4/2021 7:15 PM
51	Fairfax has the potential to have a lovely walkable and billable downtown, despite Sir Francis Drake cutting through its heart. Deprioritizing cars off of the main arterials makes sense. The town is not so big that people cannot walk from available parking lots. Delivery times could be prioritized before and after business hours. Put people before cars!	8/4/2021 5:40 PM
52	Use Mono for outdoor dining.	8/4/2021 3:19 PM
53	The use of the outdoor spaces in Fairfax for dining have not only helped keep Fairfax businesses alive, but made Fairfax fun and exciting to visit. Getting rid of the dining space is like spitting in the faces of the hard working people who keep this town alive.	8/4/2021 3:11 PM
54	Turning parking lots/spots into areas for outdoor dining really impresses the feel of town. Anything to give people more space outside and less cars is very worth it	8/4/2021 2:38 PM
55	Please allow parking lots and streets to be used as dining areas.	8/4/2021 2:03 PM
56	Please keep outdoor dining available for all small businesses!	8/4/2021 1:23 PM
57	Outdoor spaces in Fairfax have made it comfortable and easy to visit the town and support the local businesses. I've never worried about or had trouble finding parking when I visit because of the convenience of the large public lot. Outdoor spaces feel more connected to the community, and give the town a more welcoming feel.	8/4/2021 12:12 PM
58	Love all the outdoor seating! Please don't go backwards on this.	8/4/2021 11:54 AM
59	I love the parklets and hope they remain as a permanent fixture. It provides a festive atmosphere and sense of community.	8/4/2021 11:47 AM
60	Having more outdoor spacing has made dealing with pandemic stress much easier.	8/4/2021 11:39 AM
61	Fairfax plaza was a great addition. More like that please	8/4/2021 11:37 AM
62	Please create more outdoor dining space in Fairfax now that the indoor mask mandate is in effect	8/4/2021 11:29 AM
63	Parklets should absolutely be permanent. I'm floored to hear that the parking lot next to Mono Ave. closed, especially as the Delta Variant is spiking across the country and we're being advised to wear masks again inside! If parking is a concern, then Fairfax needs to look into how to better control and regulate traffic, or incentivize other means of transit. It gets out of control on the weekends. Personal convenience should not be sacrificed to the detriment of small business and community safety (health).	8/4/2021 11:24 AM

## Outdoor Dining Survey - Visitor

64	Outdoor dining options have made all of our local towns more lively. In the face of the delta variant, they are now also a safer option and may keep many businesses afloat as patrons reconsider indoor dining, especially families with kids who cannot be vaxxed - or residents who are not vaxxed.	8/4/2021 11:17 AM
65	More outdoor dining options please!	8/4/2021 10:44 AM
66	Keep these outdoor spaces!	8/4/2021 10:41 AM
67	I liked the outdoor dining spaces in streets/parking lots. I feel dining outdoors is safer than dining indoors at this time and it's a great way to support businesses while limiting risk of COVID. I still do not feel comfortable dining indoors. Continuing to encourage and allow as much outdoor dining as possible is better than removing outdoor dining spaces at this time.	8/4/2021 10:41 AM
68	Bring back Fairfax plaza.	8/4/2021 10:39 AM
69	The parklet's on the street are nice, but sometimes it felt weird having cars drive by (too fast). The tables/chairs there were set up in parking lots were ideal, as it was away from traffic, and allowed for more bike parking.	8/4/2021 10:19 AM
70	Stronger bike protections down Broadway and bolinas (like actual lanes) would make downtown safer for families and especially kids. Because parklets have eliminated some parking, it's more important than ever to make sure people feel safe coming into town in a variety of ways.	8/4/2021 10:18 AM
71	the outdoor dining spaces have added tremendously to the community cohesion and energy of the downtown area. I fully support them being a permanent part of the community.	8/4/2021 10:17 AM
72	I very strongly support the use of streets and parking lots for outdoor dining. I ride my bike to Fairfax and have loved the ability to sit outside at restaurants.	8/4/2021 10:12 AM
73	With more outdoor dining spaces more people are able to enjoy the restaurants that have limited setting indoors	8/4/2021 10:11 AM
74	Use of public spaces: live local music. Farmers markets, food vendors and food trucks on certain days (eg. Off the Grid). These all bring communities together and offer useful fun activities for the whole family.	8/4/2021 8:14 AM
75	Set aside a small space in downtown parking lot between Sir Francis Drake Blvd & Center Blvd for musical performances, vocal and instrumental. Use Contratti Park-Baseball Field for yoga classes, and Martial Arts classes/exhibitions. Please post PLEASE, PLEASE PLEASE post more prominent, brightly colored NO DOGS ALLOWED signs in Contratti Park-Baseball Field. Too many are allowing their dogs to defecate within the field and not cleaning up after their dogs.	8/4/2021 8:11 AM
76	I think you should consider closing the street from the coffee roaster up to the laundromat. That is not a heavy traffic thoroughfare and it would draw people into town.	8/4/2021 7:34 AM
77	Eliminate half of parkade to create natural landscape that can be used for dining and other outdoor activities. More outdoor music and movies	8/4/2021 7:14 AM
78	Please more outdoor dining	8/3/2021 10:01 PM
79	I love them! Please keep them permanently!	8/3/2021 9:49 PM
80	It would be nice if the parking lot next to the skate park could be parking for the downtown merchants.. It could be by permit only	8/3/2021 9:31 PM
81	Parklets are a great way to add outdoor dining space. It also reduces the traffic of cars so it should reduce pollution and smell in the city And of course if it helps local businesses, I'm all for it	8/3/2021 8:59 PM
82	Keep the parklets	8/3/2021 8:53 PM
83	Please keep the outdoor dining!	8/3/2021 7:38 PM
84	The parklets in downtown Fairfax have brought back life, charm, community and commerce. I live in Sleepy Hollow - half way between Fairfax and San Anselmo and Fairfax has made a thriving downtown that residents and visitors benefit from.	8/2/2021 8:13 PM
85	Mandate more bike wall racks INSIDE the dining areas similar to Gestalt bike racks.	8/2/2021 8:12 PM

Bigger skateboarding park please! Let the Parker's be permanent.
