Maria added that Item No. 2 on the agenda, update on the Town Council meeting hearing the results of the skate park survey was postponed until the October 20th Town Council meeting, therefore there is nothing to report on that item.

Age Friendly Task Force Update: Jacqueline noted that the group is meeting at Barefoot Café, on the 3rd Wednesday of the month and upcoming topics include training on how to use an I-phone, as well as explanation of Medi-Care benefits.

The group welcomed Jacqueline to PARC as she was recently appointed by the Town Council at the October 6th meeting.

Dustin announced he has asked Aaron Corbiere of Tree Man to look at the site for the approved outdoor fitness station in Peri Park, adjacent to the playground. Aaron will clear the tree stumps that are in the designated location for a fee of \$500. Measure A funds will be used for this work. A total of \$8,500 in Measure A funding has been allocated towards this project. PARC supported the next step in preparing for the outdoor fitness installation. Jackie inquired as to what types of fitness units will be installed. Dustin replied they are simple units designed for individuals of all ages. The users will be able to perform pull ups, push ups and sit ups with the equipment.
