

TOWN OF FAIRFAX

STAFF REPORT

October 20, 2021

TO: Mayor and Town Council

FROM: Michele Gardner, Town Clerk

SUBJECT: Approve sponsorship of temporary closure of Dominga and Napa Avenues following the Halloween parade

RECOMMENDATION

Sponsor the temporary closure of Dominga and Napa Avenues following the Halloween parade.

DISCUSSION

For the past few years (with the exception of 2020 due to the pandemic), the Town has sponsored the temporary closure of Dominga and Napa Avenues following the Chamber of Commerce annual Halloween Parade downtown to create a safe gathering area in the neighborhood for families celebrating the holiday.

The neighborhood has indicated they would like to have the streets closed again this year. The sponsorship request before the Council would allow staff to waive any permit fees required for the street closure. Staff also allows the neighborhood to use Town A-frame barriers and signs for the street closure.

FISCAL IMPACT

Minimal loss of permit fees
