

## TOWN OF FAIRFAX STAFF REPORT May 19, 2023

TO: Mayor and Town Council

**FROM:** Heather Abrams, Town Manager and Michael Vivrette, Finance Director

**SUBJECT:** Conduct Workshop to Discuss Fiscal Year 2023-24 Proposed Operating and

Capital Improvement Budget

#### RECOMMENDATION

Review and discuss the draft budget for Fiscal Year (FY) 2023/2024.

#### **BACKGROUND**

The purpose of the budget workshop on May 19, 2023 is to allow the Council to discuss the draft budget and direct any changes before the budget hearing scheduled for June 7, 2023; at that meeting, the Council is expected to review the budget briefly and allow the Town to continue operating, and adopt the FY 23/24 budget on July 12, 2023 for the Fiscal Year beginning July 1, 2023 and ending June 30, 2023 (FY23/24).

#### **DISCUSSION**

The attached draft budget reflects the long-term strategic plan directed by the Council in March and the policy goals articulated by the Council. The town budget is a planning document that authorizes the use of public funds for staff and projects approved by the Council. It contains budgets by departments, staffing allocations, and the Capital Improvement Program (CIP). Although projects are authorized in the budget process, any agreements totaling more than \$25,000 come to the Council for approval before signature by the Town Manager. Generally, municipal budgets should be managed to the bottom line, meaning that the expenditures by line are estimates and importance is placed on staying within the greater policy goals and guidelines of the Council.

A Public Works Director was hired in August 2022, and he spent much of his time preparing for and responding to emergencies, completing several projects, and moving long-delayed projects forward, thus several planned larger projects were not completed. Because ambitions tend to be greater than staff capacity to implement programs, several other Fairfax departments spent less than anticipated as well, and revenues were higher than expected. For FY 22/23 we planned the budget to end the year with a 30% reserve, and in fact, the projected FY 22/23 reserve is now approximately 45%.

The proposed FY 23/24 budget shows that the projected reserve at the end of FY 23/24 to be just above 25%, consistent with the Council policy of 25% reserve. Additionally, revenues are projected to increase by approximately 3.6%. The Council and the community have voiced their desire to see projects completed and additional services provided. The FY 23/24 draft

budget reflects this, showing \$1 million in road repair work, and inflation escalation as appropriate for all categories. Drawdown of some reserves is needed to complete the proposed projects, and the FY 23/24 budget maintains a prudent 25.1% reserve, in alignment with Council policy. Of particular note, several significant infrastructure projects are planned, including road repairs, bridge rehabilitations, and beginning required interior work to the Fairfax Fire Station. ARPA funds are one-time monies in the amount of \$1.8 million; staff recommends that they be used for a significant eligible project, storm water handling to help prevent catastrophic flooding in downtown and at Town Hall. Mapping of the storm water system, and improved storm water handling projects have been drafted in the past year, bringing Fairfax closer to completion of the ARPA storm water project. Certain one-time or infrequent expenses are also included in the FY 23/24 proposed budget, including the Housing Element, and associated re-zoning will be completed in FY 23/24, which are appropriate to use reserve funding to complete.

Modest growth in staff and consultants is funded and very much needed to deliver the projects requested of the Town. One new Dispatcher is needed in the police department, a current part-time Planner position will be made full-time and one additional full-time Planner will be added as a Housing Specialist, as referred to in the draft Housing Element.

#### **FISCAL IMPACT**

The budget sets the resources available for Council priorities.

#### NOTES

Secured & Unsecured PropertyTaxes - Homes, businesses, and other taxable real and personal property are subject to levy of property taxes. The fixed statutory rate is 1% of assessed valuation. Assessed value is based on the 1975 property values with subsequent increases limited to 2% or CPI growth, whichever is less. Property tax is the biggest revenue source for the General Fund. Includes Marin Wildfire Prevention Authority (MWPA) tax of \$96,000 for local efforts.

Real Estate Transfer Tax - The city levies a \$0.55 fee for each \$1,000 value of real property transferred in the City; the County Recorder imposes these fees and remits them to the City. Estimates are based on historical experience.

Sales taxes are the General Fund's second largest revenue source. The Town's 1% Bradley Burns Sales Tax is levied on all merchandise. These funds are received directly from the State on a monthly basis. Measure D is the five year 1/2 cent sales tax passed in November, 2012 and expired April 2017. Measure C is the 10 yr renewal and increase of the add-on sales tax from 1/2 cent to 3/4 cent. Revenue estimates are based on projections from Avenu, the Town's sales tax consultant.

Franchise Fees - Garbage, Gas & Electric, Cable: The Town receives franchise fees from various public utilities and other corporations who furnish gas, electric, water, Cable TV, refuse or similar services to citizens living within town boundaries.

#### **ACTIVITY DESCRIPTION**

The Fairfax Fire Department was merged with the San Anselmo Fire Department to form the Ross Valley Fire Authority in July 1982. The Sleepy Hollow Fire Protection District subsequently joined, as did the The Town of Ross in July, 2012. The Authority is governed by a eight person board consisting of two representatives from each area. The annual budget is formulated by the Fire Chief and the Executive Officer. Funding for the Ross Valley Fire Dept operation budget is divided between the participating agencies. Fairfax's share is approximately 23.9% of the total. Each town owns and maintains their fire stations and is responsible for budgeting equipment replacement reserves and insurance on the station houses.

DEPT

715 MISCELLANEOUS

Measure A funds are generated from a 1/4 cent sales tax passed in November 2012 to care for Marin's existing parks and open spaces, support regional community parks projects and programs, and further farmland preservation. 15% of the revenue generated is available to the cities and towns to enhance and manage their parks, nature preserves, recreation programs, and vegetation to reduce wildfire risk. A Measure A committee consisting of councilmembers and representatives of FOSC, PARC and the Volunteer Board make annual workplan recommendations to the council for the use of funds. The council must approve and submit a workplan to the county each year.

DEPT

716 DEBT SERVICE

The Measure K Debt service fund exists to handle the debt payments on the Measure K General Obligation bonds issued between FY2000-2006 to fund capital improvements to community facilities, streets, and storm drains within the Town. Borrowed funds were spent from the Fund 54 Measure K capital Improvement fund. Revenues are raised property taxes designated for debt service at a rate adopted by council annually suffient to pay principal and interest on the bond issues. The 2000 series bonds were refinanced in 2008 which provided \$158,050 of additional project funds. The 2002 series bonds were refunded in 2012 which provided \$193,726 of additional capital for Measure K street purposes. The Town refunded the 2006 issue in May, 2016 reducing debt service (interest) costs to ratepayers (See Fund 46). The rate charged to ratepayers was .025 per \$100 of Assessed valuation (AV) in FY22-23. The rate in FY23-24 will be.0225 per \$100 of AV.

48 LEASE AGREEMENT 716 DEBT SERVICE

On January 18, 2017, the Town entered into a lease financing agreement with Capital One Public Funding, LLC to refinance a significant portion of its Unfunded Accrued Liability (UAL) owed to CalPERS for Miscellaneous and Safety pensions. The Lease was in the amount of \$3,860,000 which covered payoff in full of the Town's Retirement Side Funds and Pre-2013 UAL for both Miscellaneous and Safety employees. The lease was refinanced September 29, 2020 with the existing lease holder, which waived all prepayment provisions and agreed to add \$6,460,955 of additional UAL to lease debt increasing the issue to \$9,402,000. The refinanced UAL included the balances of the three highest PERS tiers, Public Safety Tiers 1&2, and Miscellaneous Employees Tier 1 at June 30, 2021. The "Taxable Lease Revenue Bond, Series 2020" holds an all-in interest cost of 3.66% resulting in an estimated total cash flow savings of \$4,280,615 and maturing on August 1,2036. By companson, the refinanced lease issue had an interest rate of 5.4% and the UAL with CalPERS was 7.0%. The issue began paying semi-annual principal and interest payments on February 1, 2021 and will continue 15 years to 7/15/36.

used each year, but the unused funds will not rollover into the FOSC fund balance.

Previous policy has been that whatever is not spent during the fiscal year is then allocated to the FOSC fund balance and another \$4,000 is budgeted for the next year. This has been revised so that the Town will replenish the funds

#### **MEASURE A WORKPLAN**

MEASURE A – PARKS is detailed in Fund 23 (on page 67)

#### **DESCRIPTION:**

Measure A is the one-quarter of one-percent sales tax originally approved by County voters in 2012 and approved again in June, 2022. As a condition of receiving the funds, the Town must submit a work plan to the County of Marin detailing the proposed uses of the funds.

Fairfax's Measure A Advisory Committee (Committee) meets annually to recommend allocations for the upcoming year. For FY23-24, the County estimates Fairfax will receive approximately \$70,873 in Measure A sales tax revenue in addition to the carryforward balance of \$179,354.

The Measure A Advisory Committee met in April 2023 to discuss the allocation of funds. Below is the Measure A Parks budget for FY23-24.

#### PAVEMENT MANAGEMENT PLAN

The Pavement Management Program (PMP) is a strategy designed to assist the Town with the maintenance and rehabilitation of its roads. The PMP focuses on maintenance treatments to extend the life cycle of roads. The PMP is developed based on a software system designed to take into account the overall condition of the Town's road network and annual street capital budget. The PMP recommends the most cost-effective approach for the Town to undertake to maintain its roads.

The following list identifies the road sections and maintenance treatment for the Town to undertake based on a budget of \$1,000,000 which also includes design costs. The list is intended to be guide for staff as field conditions may dedicate revisions to the type of road treatment (e.g., slurry seal, asphalt overlays) and which portions of the road to repair. The Town will be trying an asphalt rubber product which has a higher rubber content and may allow us to treat more roads for the same costs as rubberized asphalt.

For FY 2023-24 Roads planned for Pavement restoration and repair currently include

- Scenic Road between Azalea and Manor
- Claus Drive between Sir Francis Drake and Burdette
- Porteous Ave between Bolinas Road and Wood Lane

Pavement Maintenance Projects (minor work to extend life) include:

- Rocca Drive Crack Sealing
- Broadway Crack Sealing
- Ridge Road Patch Paving
- Bolinas Road Crack Sealing

Staff is currently working on an extended Five-Year Plan for Streets and Road Repair with overall goal of improving Pavement Condition Index for Town of Fairfax.
