STAFF REPORT

June 7, 2023

TO: Mayor and Town Council

FROM: Heather Abrams, Town Manager and Michael Vivrette, Finance Director

SUBJECT: Conduct Public Hearing for Fiscal Year 2023-24 Proposed Operating and Capital Improvement Budget

RECOMMENDATION

Review and discuss the proposed budget for Fiscal Year (FY) 2023-2024.

BACKGROUND

The budget workshop on May 19, 2023 allowed the Council to discuss the draft budget and direct any changes before this budget hearing on June 7, 2023. At this hearing, the Council is expected to briefly review the budget and allow the Town to continue operating. At the regular Town Council meeting on July 12, 2023, the Council will consider adopting the FY 23-24 budget for the Fiscal Year beginning July 1, 2023 and ending June 30, 2024.

The attached proposed budget reflects the long-term strategic plan reviewed and directed by the Council at its retreat in March 2023 and the policy goals approved by the Council in April 2023. The town budget is a planning document that authorizes the use of public funds for staff and projects approved by the Council. It contains budgets by departments, staffing allocations, and the Capital Improvement Program (CIP). Although projects are authorized in the budget process, any agreements totaling more than \$25,000 must be reviewed by the Council for approval before signature by the Town Manager. Generally, municipal budgets should be managed to the bottom line, meaning that the expenditures by line are estimates and importance is placed on staying within the greater policy goals and guidelines of the Council.

For FY 22-23, Fairfax hired a Public Works Director and provided funds for major public works projects. Much of FY 22-23 has been focused on emergencies, several smaller projects have been completed, and three larger projects are in the planning stage.

DISCUSSION

At the end of FY 21-22 Fairfax had a 48.9% reserve. The attached proposed budget shows that the projected reserve for FY 22-23 is 45.6%. In FY 23-24, the proposed budget anticipates ending the year with a 26.1% reserve, still above the 25% reserve policy established by Council. Additionally, revenues are projected to increase over both actual and budgeted revenues for the last fiscal year. Council and the community have voiced their desire to see projects completed and additional services provided. The proposed FY 23-24 budget reflects this. Drawdown of some reserves is needed to complete the proposed projects, and the FY 23-24 budget maintains a prudent reserve, in alignment with Council

policy. Specifically, several significant infrastructure projects are planned, including \$1 million allocated to, road paving, other road repairs, bridge rehabilitations, beginning required interior work to the Fairfax Fire Station, and an all-electric kitchen for the Pavilion.

American Rescue Plan Act (ARPA) funds are one-time monies in the amount of \$1.8 million; the Town is planning to use ARPA funds for a significant eligible project—storm water handling to mitigate catastrophic flooding in downtown and at Town Hall. In addition, the Housing Element and Safety Element, and related rezoning will be completed in FY 23-24.

Modest growth in staff and consultants is funded and very much needed to deliver the projects requested by the Town. Included in this budget is one part-time assistant planner to be converted to a full-time position and one additional assistant planner will be hired as a housing specialist. Budgets in public safety have grown due to cost-of-living adjustments (COLAs) in labor agreements. The Climate and Environment budget has grown to include additional project funding.

FISCAL IMPACT

The budget sets the resources available for Council priorities.

NOTES:

Secured & Unsecured Property Taxes - Homes, businesses, and other taxable real and personal property are subject to levy of property taxes. The fixed statutory rate is 1% of assessed valuation. Assessed value is based on the 1975 property values with subsequent increases limited to 2% or CPI growth, whichever is less. Property tax is the biggest revenue source for the General Fund. Includes Marin Wildfire Prevention Authority (MWPA) tax of \$96,000 for local efforts.

Real Estate Transfer Tax - The city levies a \$0.55 fee for each \$1,000 value of real property transferred in the City; the County Recorder imposes these fees and remits them to the City. Estimates are based on historical experience.

Sales taxes are the General Fund's second largest revenue source. The Town's 1% Bradley Burns Sales Tax is levied on all merchandise. These funds are received directly from the State on a monthly basis. Measure D is the five year 1/2 cent sales tax passed in November, 2012 and expired April 2017. Measure C is the 10 yr renewal and increase of the add-on sales tax from 1/2 cent to 3/4 cent. Revenue estimates are based on projections from Avenu, the Town's sales tax consultant.

Franchise Fees - Garbage, Gas & Electric, Cable: The Town receives franchise fees from various public utilities and other corporations who furnish gas, electric, water, Cable TV, refuse or similar services to citizens living within town boundaries.

ROSS VALLEY FIRE DEPARTMENT

July 1, 1982, the Fairfax Fire Department merged with the San Anselmo Fire Department to form the Ross Valley Fire Department (RVFD), which is administered under joint powers agreement (JPA) to provide fire protection to Fairfax, San Anselmo, and the unincorporated county area known as Sleepy Hollow. Through June 30, 2010, the Department provided service to Sleepy Hollow through a contract for service with the Town of San Anselmo.

July 1, 2010, the Sleepy Hollow Fire Protection District became a full member of the joint powers agreement. With the addition of Sleepy Hollow, the percentage shares of the Fire Department budget for the three members were set at: Fairfax 30.4%, San Anselmo 52.9%, and Sleepy Hollow 16.7%.

July 1, 2012, the joint powers agreement was amended to include the Town of Ross. With the addition of the Town of Ross the percentage shares of the Fire Department budget for the four members are: Fairfax 23.30%, San Anselmo 40.53%, Ross 23.37% and Sleepy Hollow 12.80%.

ORGANIZATION

The JPA is governed by a Board of Directors consisting of eight (8) Directors, two from each agency. An Executive Officers position rotates between the Town Managers of each of the towns. The Executive Officer and the Fire Chief report directly to the Board of Directors.

The department is comprised of the following personnel:

- 1 Fire Chief (shared services model)
- 3 Battalion Chiefs
- 12 Captains
- 15 Engineers
- 1 Administrative Assistant
- 2 Fire Inspectors

Total: 34 full time employees plus volunteers

In FY18-19, the JPA contracted with Marin County Fire to provide the Fire Chief functions under contract with the JPA for a five-year term. San Anselmo currently provides the financial services to the JPA under a service agreement.

2023 - 2024 BUDGET

The Ross Valley Fire Department operating budget for FY 2023-24 is approximately \$13,537,798. The budget is primarily funded through member contributions (approx. \$12M), outside revenues in the form of contracts for service provided to County of Marin, fees for service related to plan checks and inspections, and reimbursement by Ross Valley Paramedic Authority for costs associated with paramedic services.

Overall, the Town's contribution to the JPA will increase by approximately \$143,017 or 5.19% from \$2,753,508 to \$2,896,525. The Town's contributions include the annual base contribution plus prior obligations of the JPA before Ross joined. The Fire budget also includes \$15,000 for annual facility maintenance costs. This cost is not included in the Town's annual contribution to the JPA.

Additional information regarding the Ross Valley Department is available at www.rossvalleyfire.org.

FUND 06 RETIREMENT
DEPT 715 MISCELLANEOUS

The Retirement Fund is the repository for retirement funds collected from the Pension Obligation Parcel Tax. The Pension Obligation Tax of \$.091 per \$100 of Assessed Valuation was established in the 1960's. Proceeds are transferred as needed to the General Fund to offset retirement expenses. The Town participates in the California Public Employee Retirement System (PERS) and has two plans: Safety, for sworn Police and Fire and Miscellaneous for those working over half time. To address rising pension costs, the Town adopted a second lower tier for employees hired after July 1, 2009. In 2012, The state created a third lower tier (PEPRA) for employees hired after January 1, 2013. As of FY14, Town employees contribute their full employee share of pension ranging from 6.5% to 9% of salary. As of FY18, Tier 1 Safety employees are contributing 1/3 (3% of 9%) of employer share of cost

DEPT 715 MISCELLANEOUS

Measure A funds are generated from a 1/4 cent sales tax passed in November 2012 to care for Marin's existing parks and open spaces, support regional community parks projects and programs, and further farmland preservation. 15% of the revenue generated is available to the cities and towns to enhance and manage their parks, nature preserves, recreation programs, and vegetation to reduce wildfire risk. A Measure A committee consisting of councilmembers and representatives of FOSC, PARC and the Volunteer Board make annual workplan recommendations to the council for the use of funds. The council must approve and submit a workplan to the county each year.

FUND 44-46 DEBT SERVICE MEASURE K
DEPT 716 DEBT SERVICE

The Measure K Debt service fund exists to handle the debt payments on the Measure K General Obligation bonds issued between FY2000-2006 to fund capital improvements to community facilities, streets, and storm drains within the Town. Borrowed funds were spent from the Fund 54 Measure K capital Improvement fund. Revenues are raised property taxes designated for debt service at a rate adopted by council annually sufficient to pay principal and interest on the bond issues. The 2000 series bonds were refinanced in 2008 which provided \$158,050 of additional project funds. The 2002 series bonds were refunded in 2012 which provided \$193,726 of additional capital for Measure K street purposes. The Town refunded the 2006 issue in May, 2016 reducing debt service (interest) costs to ratepayers (See Fund 46). The rate charged to ratepayers was .025 per \$100 of Assessed valuation (AV) in FY22-23. The rate in FY23-24 will be .0225 per \$100 of AV.

FUND 48 LEASE AGREEMENT
DEPT 716 DEBT SERVICE

On January 18, 2017, the Town entered into a lease financing agreement with Capital One Public Funding, LLC to refinance a significant portion of its Unfunded Accrued Liability (UAL) owed to CalPERS for Miscellaneous and Safety pensions. The Lease was in the amount of **\$3,860,000** which covered payoff in full of the Town's Retirement Side Funds and Pre-2013 UAL for both Miscellaneous and Safety employees. The lease was refinanced September 29, 2020 with the existing lease holder, which waived all prepayment provisions and agreed to add \$6,460,955 of additional UAL to lease debt increasing the issue to **\$9,402,000**. The refinanced UAL included the balances of the three highest PERS tiers, Public Safety Tiers 1&2, and Miscellaneous Employees Tier 1 at June 30, 2021. The "Taxable Lease Revenue Bond, Series 2020" holds an all-in interest cost of 3.66% resulting in an estimated total cash flow savings of \$4,280,615 and maturing on August 1, 2036. By comparison, the refinanced lease issue had an interest rate of 5.4% and the UAL with CalPERS was 7.0%. The issue began paying semi-annual principal and interest payments on February 1, 2021 and will continue 15 years to 7/15/36.

This has been revised so that the Town will replenish the funds used each year, but the unused funds will not rollover into the FOSC fund balance.

The Measure A committee has allocated \$100,000 of TAM park funds for open space acquisition in FY24.

MEASURE A WORKPLAN

MEASURE A – PARKS is detailed in Fund 23 (on page 67)

DESCRIPTION:

Measure A is the one-quarter of one-percent sales tax originally approved by County voters in 2012 and approved again in June, 2022. As a condition of receiving the funds, the Town must submit a work plan to the County of Marin detailing the proposed uses of the funds.

Fairfax’s Measure A Advisory Committee (Committee) meets annually to recommend allocations for the upcoming year. For FY23-24, the County estimates Fairfax will receive approximately \$70,873 in Measure A sales tax revenue in addition to the carryforward balance of \$179,354.

The Measure A Advisory Committee met in April 2023 to discuss the allocation of funds. Below is the Measure A Parks budget for FY23-24.

MEASURE A COMMITTEE RECOMMENDED ALLOCATION FOR FY 23-24

Column A (“Est. Expenditures”) reflects the estimated year end expenditures for a project.
Column B (“Carry-Over”) represents the funding allocated to a project in a previous year(s), but not spent in FY22-23. The County requires the Town to reallocate carryover funds each year.
Column C (“Proposed Allocation FY23-24”) includes the continuation or increase in allocation of two items also allocated in FY22-23
Column D (“Proposed Recommended Allocation w/Carryover”) includes the new allocation for funding for FY23-24 plus any carryover funding from previous years.

PAVEMENT MANAGEMENT PLAN

The Pavement Management Program (PMP) is a strategy designed to assist the Town with the maintenance and rehabilitation of its roads. The PMP focuses on maintenance treatments to extend the life cycle of roads. The PMP is developed based on a software system designed to take into account the overall condition of the Town's road network and annual street capital budget. The PMP recommends the most cost-effective approach for the Town to undertake to maintain its roads.

The following list identifies the road sections and maintenance treatment for the Town to undertake based on a budget of \$1,000,000 which also includes design costs. The list is intended to be guide for staff as field conditions may dedicate revisions to the type of road treatment (e.g., slurry seal, asphalt overlays) and which portions of the road to repair. The Town will be trying an asphalt rubber product which has a higher rubber content and may allow us to treat more roads for the same costs as rubberized asphalt.

For FY 2023-24 Roads planned for Pavement restoration and repair currently include

- Scenic Road between Azalea and Manor
- Claus Drive between Sir Francis Drake and Burdette
- Porteous Ave between Bolinas Road and Wood Lane

Pavement Maintenance Projects (minor work to extend life) include:

- Rocca Drive Crack Sealing
- Broadway Crack Sealing
- Ridge Road Patch Paving
- Bolinas Road Crack Sealing

Staff is currently working on an extended Five-Year Plan for Streets and Road Repair with overall goal of improving Pavement Condition Index for Town of Fairfax.
