This code section applies only to Town contracts for private sector services and Town employees.

The CPI measured the as-of-June-2023 cost of living increase of 2.9%, which results in a living wage of \$23.10 with employer-sponsored benefits, and \$26.40 without such benefits, based on the 2022 living wage.

For reference, the as-of-June-2022 cost of living increase was 6.8%, which resulted in a living wage of \$22.45 with employer-sponsored benefits, and \$25.66 without such benefits.
