## Community Outreach Program: Lock Box Project

### Keep Your Home Secure - Gain Peace of Mind

Our Lock Box Project provides residents 65+ with a secure way for emergency responders to access their homes quickly without causing any damage in urgent situations.

#### What is a Lock Box?

The lock box is a secure, weather-resistant box installed at your residence containing a key. Only authorized emergency personnel can access this box to help you quickly when needed.

#### Who is Eligible?

If you are a resident of our community, aged 65 or older, you qualify to apply for this valuable program designed to protect your safety and peace of mind.

#### How Does It Work?

1. Apply: Complete the application form provided.
2. Submit: Mail the form or drop it off at 67 Quakertown Road, Pittstown, NJ 08867
3. Installation: Our team will coordinate with you to securely install the lock box

#### Why Participate?

- Quick, damage-free access in emergencies
- Reduces response time for emergency personnel
- Enhances safety for you and your loved ones
- Brings added peace of mind knowing help is near when needed
