Approval of Minutes

Motion to approve the January 9, 2020 minutes Re-Organization Meeting: Burgess Second: Repmann

All in favor. Motion carried.

Public Hearing

Septic System Alteration Waiver Application:
Kimberlee Goodwin, 1189 Croton Road, Block 37, Lot 24

The Township Attorney took the oath of the applicant and her engineer.

William Jupinka, P.E., applicant's engineer (Bayer-Risse Engineering, Inc.), explained the septic system, site conditions and the need for the septic waiver. Adam T. Wisniewski, representing the Township's Engineer (Maser Consulting, P.A.), further explained that the County's concerns had been addressed and the proposed septic system would improve upon existing conditions. He recommended approval of the septic waiver. Upon request of the Township Engineer, Mr. Jupinka explained the new aeration septic system and its anticipated noise levels. Committeewoman Burgess questioned how loss of power would affect the system. Mr. Jupinka explained that loss of power would affect both the septic system and the well. Chairman Koury questioned how the homeowner would know if something went wrong with the system. Mr. Jupinka explained that an alarm will sound if the system needs maintenance.
