Sheet 39

2017 CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET	 A plan for all capital expenditures for the current fiscal year. If no Capital Budget is included, check the reason why: Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund Capital Line Items and Down Payments for Improvements. No bond ordinances are planned this year.
CAPITAL IMPROVEMENT PLAN	 A multi-year list of planned capital projects, including the current year. Check appropriate box for number of years covered, including current year:
	X 3 years. (Population under 10,000)
	6 years. (Over 10,000 and all county governments)
	years. (Exceeding minimum time period)
	Check if municipality is under 10,000, has not expensed more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

2017 NARRATIVE FOR CAPITAL IMPROVEMENT PLAN

The Capital Improvement Program, presented herewith, is an estimated projection of the capital projects for the next three years. The planned projects

are detailed on Sheet 40b-d.

Every effort has been made, and will be made, by the Mayor and Township Committee to plan improvements which are responsive to the needs of the community.

Should unanticipated needs arise, the Capital Program will be revised or amended accordingly.

Mayor and Township Committee of the

Township of Franklin
