RELATED GENERAL PLAN POLICIES

Each policy in the City of Santa Ana General Plan is listed under the most related goal and element. Some policies, however, also reinforce other goals housed in different elements.

To provide a more complete picture of all of the policies that support the goals of this element, Table LU-1 lists each Land Use goal in the far left column and, in columns to the right, identifies related policy numbers from other elements.

Goal LU-2, for example, is supported not only by the policies listed in this element (LU-2.1 through LU-2.10), but also by three policies identified in the Economic Prosperity Element, three policies identified in the Open Space Element, and two identified in the Housing Element.
