

ABOUT THE MAP. This map shows the number, type, and distribution of open space areas in Santa Ana, with the majority representing parks and trails owned and operated by the City. The City also maintains joint-use agreements with schools to expand public parks and recreation resources. Golf course and cemetery areas provide a more limited form of recreation or open space. See Table OS-1, Open Space Resources, for a listing of parks and open space resources with numbering that is consistent with the labels on this figure.
