

# RELATED GENERAL PLAN POLICIES

Each policy in the City of Santa Ana General Plan is listed under the most related goal and element. Some policies, however, also reinforce other goals housed in different elements.

To provide a more complete picture of all of the policies that support the goals of this element, Table S-1 lists each Safety Element goal in the far

left column and, in columns to the right, identifies related policy numbers from other elements.

Goal S-1, for example, is supported not only by the policies listed in this element (S-1.1 through S-3.4), but also by Policy PS-3.4 and Policy PS-3.5 in the Public Service Element.
