

RELATED GENERAL PLAN POLICIES

Each policy in the City of Santa Ana General Plan is listed under the most related goal and element. Some policies, however, also reinforce other goals housed in different Elements.

To provide a more complete picture of all of the policies that support the goals of this element, Table UD-1 lists each Urban Design goal in the far

left column and, in columns to the right, identifies related policy numbers from other elements.

Goal UD-3, for example, is supported not only by the policies listed in this Element (UD-3.1 through 3.11), but also by Policy EP-3.2 and Policy EP-3.11 in the Economic Prosperity Element.
