

FREE HOME REPAIR APPLICATION

June 23-27, 2025

Workcamps are intensive one-week trips that help people grow in Christian faith through service. Individuals and youth from around the country will spend one week in our community performing hands-on home-repair projects for elderly, low-income, and disabled families. The work at each home will be done by five young people and at least one adult leader representing many Christian denominations.

Both labor and materials are free to qualifying households. To learn how your home might be included, please complete this confidential application and return to the address below where it will be reviewed and considered for the program. Not all applicants are guaranteed that they will be included in the workcamp, and will be notified by mail of their status for consideration.
