RESOLUTION NO. 2023-13

WHEREAS, Hellam Township was awarded a Commonwealth of Pennsylvania Redevelopment Assistance Capital Program (RACP) Grant to fund a portion of a new municipal office. That construction is complete and the final paperwork is being filed to close out the grant. The project name is "Hellam Township Municipal Building" (2577-00). The new municipal office will house, not only administration, but also the police department which also provides service to Hallam Borough and Wrightsville Borough. Penn State Life Lion LLC will have its own space to enable them to provide EMS service to all residents in Hellam Township as well as Hallam Borough and Wrightsville Borough. The construction of the new facility allows the York County Library System to obtain rights to our old municipal facility and renovate so the Kreutz Creek Library will also have additional space to provide services to the Eastern York County Area.
