Staff Review Meeting

The applicant is responsible for all review fees incurred by the Township staff during their technical review of the submission. The township staff includes, Township Engineer, Zoning Officer, York County Planning Commission Planner, Road Maintenance Supervisor, Landscape Architect or other technical advisors (as needed), and Sewage Enforcement Officer.

Township Engineer

The Township Engineer is not authorized to discuss Township matters with any residents without prior approval of the Board of Supervisors, with the exception of an applicant of a pending subdivision or land development plan, for which the applicant shall be billed actual costs.

The Engineer is not authorized to provide private consulting services, engineering services, or advice to residents of the Township.

The applicant shall be responsible for all engineering costs directly related to subdivision or land development review, including, but not limited to: site visits, travel time, photographs, engineering copies, engineering review, review letters and correspondence (including phone calls), planning commission meeting attendance, board of supervisors meeting attendance, and plan recording fees.

Township Solicitor

The Township Solicitor is not authorized to discuss township matters with any resident without prior approval of the Board of Supervisors, with the exception of an applicant with a pending subdivision or land development plan, for which the applicant shall be billed actual costs.
