

Open Enrollment for Group Health, Dental, Vision Insurance and Flexible Spending Account
May 2, 2022 – May 20, 2022

May 2, 2022

To: City of Holyoke active eligible employees (*regularly working @ least 20 hrs per wk & retirees eligible for coverage under HNE*)

This letter is to inform you that the City of Holyoke has completed its review of group health benefits for the new year. We are excited to announce that effective July 1, 2022, the City will remain with both Health New England (HNE) for medical and Blue Cross Blue Shield (BCBS) for dental. We have added a Voluntary Vision plan through BCBS.

If you are currently enrolled in a HNE medical and/or BCBS dental plan and do not wish to make any changes, your coverage will carry over into the new plan year. No action is needed.

If you are seeking to enroll, make changes to your existing coverage, or cancel coverage for **Health New England Health and/or Blue Cross Blue Shield Dental or Vision**. The completion of these forms and supporting documentation (birth certificate, marriage certificate, etc.) is required for changes and/or new enrollments.

If you wish to enroll or renew, the voluntary **Flexible Spending Account (FSA)** to reduce your taxable income while paying for medical and/or dependent expenses through TASC, complete the attached form. *The completion of this form is required every year regardless of enrollment or change status.*

We will continue to maintain the Health Reimbursement Arrangement (HRA) as an additional benefit for eligible employees. There has been no change in the cost of our Dental Plan. *There has been an increase in pharmacy co-pays for our Health Plan. Since the pharmacy co-pay has increased, the city has added an HRA Reimbursement for prescription co-pays.*

Please mail the completed forms to your corresponding Human Resources Department:
