

# TENNIS IN THE PARKS

Tennis in the Parks - The tennis program where kids play while they learn!

Led by an approved USTA tennis coach, the program will focus on developing the skills to serve, rally and play - so it's perfect for beginners and first-time players. Once the skills are there, participants will play fun matches with other players in the program. This program uses modified tennis balls, age-appropriate rackets, court sizes, and the latest fun and engaging activities that help players successfully learn and play the game quicker!

All players in their first session receive and keep a new age-appropriate racket, tennis ball, and a program t-shirt!
