MOTIONS, ORDERS AND RESOLUTIONS

30. SULLIVAN -- Ordered that the City Council approve funding of \$18,000 in CPA funding for a Small Grant program. This would allow for up to 6 or more small grants, none to exceed \$3,000.

31. VACON -- that a legal opinion be provided that clarifies if a deed issued in the 1960's for map 190 lot 30 on Mountain Road prior to an ordinance (1970's) pertaining to the aquifer recharge area in the Mountain Road area establishing requirements for a building lot is grandfathered and remains a legal building lot. Also, if the land was sold after the ordinance was passed would it need to comply with the ordinance in effect at the time of the sale?
32. VACON -- Amend the zoning ordinance to read any home construction in a residential zone shall be greater than 50% living space. A special permit from CC is required if the home construction will have 50% or less living space.
- Recently home plans have been approved and it has been communicated from the Building Commissioner that our current residential zoning allows for construction of a home that is 80% garage and 20% living space.
33. VACON -- that traffic calming measures be recommended by our City Engineer for Bray Park Drive and access to the plaza. Install temporary speed humps on Bray Park Drive to slow traffic.
34. VACON -- that additional speed limit signs be posted on Homestead Ave, north and south of 202, locations to be determined by our City Engineer.
35. ANDERSON-BURGOS -- That the DPW install 2 blinking stop signs at the 3 way stop located where Claremont Ave and Hillside Ave intersect. The 2 blinking stop signs should replace the 2 stop signs located on Hillside Ave.
36. ANDERSON-BURGOS -- That the DPW Superintendent provide the City Council with an update on the tree list. Update should include how trees are prioritized and the obstacles the DPW faces in addressing them. This is a constituent request.
37. BARTLEY -- That the Honorable City Council, in accordance with M.G.L. ch. 30B and the Holyoke Procurement Ordinance, vote that the City of Holyoke accept the proposal and sell 12, 22 and 24 Main Street for \$31,900 to H&H Realty Holdings, LLC (Oliver Homberg and Yazan Haddad, Managers). 12, 22 and 24 Main Street are adjacent vacant lots totaling approximately 10,455 square feet in size. The properties are identified in the Holyoke Assessor's records as Map 033, Block 04, Parcels 011, 012 and 013, zoned General Industry (IG) and have a combined assessed value of

\$20,600.

38. BARTLEY -- That the Honorable City Council, in accordance with M.G.L. ch. 30B and the Holyoke Procurement Ordinance, vote that the City of Holyoke accept the proposal and sell 415 and 417 Main Street for \$10,000 to Elliott Fire Sprinkler Systems, LLC (Chris Elliott, Manager). 415 Main Street is a vacant three-story mixed-use building on an approximate 2,744 square foot lot. The adjacent 417 Main Street is a vacant lot approximately 2,744 square feet in size. The properties are identified in the Holyoke Assessor's records as Map 028-07-004 and 005, zoned Downtown business (BC) and have a combined assessed value of \$135,400.
39. BARTLEY -- The Law Department provide City Council with an updated legal opinion regarding the city's supervisors association and include within it, at a minimum, the following: whether the association is a union; if it is a union, when was this designation approved and by what authority; under what general law is it affiliated; and please specify the department heads who serve at the Mayor's pleasure. Further, please provide the specific department heads included within the association. Please provide any past legal opinions and relevant exhibits.
40. BARTLEY -- The Public Safety and ordinance committee review the "access road" to Peck School for on street parking recommendation. Peck school administration has safety's concern about the ability of 54 school buses to turn down the access road to the school.
41. BARTLEY -- The "access road" leading to peck school off Chapin St should be given a name. Refer to Ordinance, Mayor (see Ball Ave., Kaster St.)
42. BARTLEY -- Due to concerns at Metcalf school, ordain, : right turn only' when exiting the parking area.
43. BARTLEY -- The HPS now runs two schools, side by side, on the west side of Northampton Street between Hitchcock and Lawler St. and now is the time for DPW, City Engineer, HPD, and the Mayor's office to review and monitor this area and make some public safety decisions. Parents, Teachers and Administrators have called about derelict drivers, etc. Please refer to Public safety for a hearing and copy to HPS and the aforementioned departments.
44. HERNANDEZ -- That our City ensures to provide all Everbridge announcements to our constituents in both English and Spanish in an effort to improve access to essential services to persons with Limited English proficiency. Our population consists of more than 50 %

Latino/Indigenous descent people, a good majority are Spanish native speakers, this population being considered under the Limited English Proficiency (An LEP person is someone who does not speak English as their primary language and has limited ability to read, speak, and/or write English at a level that permits him/her to interact efficiently with English speakers or documents without language assistance). Most recently department heads have been reaching out to Bilingual residents of our town that volunteer their voice and record the English followed by the Spanish verbiage of the message, however it is not consistent nor is there a formal procedure in place to ensure that it goes out in both languages.

45. HERNANDEZ -- The crosswalk that was installed in Hampden Street next to Stop and Shop, to address our pedestrians but most importantly our blind residents, is missing essential functions and it would be most beneficial that a Spring-loaded In-Street Pedestrian Crosswalk Sign be placed in the middle with lines repainted that instill urgency to the motorist that they need to stop, slow down to allow our pedestrians to safely arrive to the other side. Currently motorists continue to speed up that hill ignoring the initial beep. It would be most beneficial to have a light such as that in South Street in front of Elmwood towers. Motorists that do stop to yield to pedestrians are most of the times almost rear ended by other speeding motorists and at times they try to dodge the stopped vehicle and go around creating a very unsafe atmosphere for pedestrians that now are obliged to step back out of the way.
46. HERNANDEZ -- Clinton & Dwight street corner in need of crosswalk or light and some kind of bump out to keep cars from parking up to corner blocking visibility for pedestrians, currently pedestrians have to walk to almost the middle of street to see incoming traffic. Vehicles constantly park in the -No parking zone-, not being enforced nor ticketed.
47. HERNANDEZ -- Intersection at West Franklin and Linden has a crosswalk that is routinely ignored creating a dangerous circumstance for our pedestrians, can a study be conducted to place flashing lights and or a middle signage that creates urgency to stop for pedestrians. Traffic needs to slow down in our City.
48. HERNANDEZ -- A study to address a possible right turning only lane, Hampden right turn only onto Pleasant is the goal.
49. LEAHY -- The Holyoke Police Department and the Superintendent/Receiver of the Public Schools add video surveillance immediately at the

Holyoke High/Robert's field Complex. This is regarding the recent vandalism at John F. Gilligan Field. The soccer goal was set on fire, and they burned the field. Also, the brand new scoreboard was vandalized as well.

50. LEBRON-MARTINEZ -- Ordered, that the City Council approve the Resolution for the Certified Housing Development Incentive Program Project and Local Tax Increment Exemption (TIE) Agreement with Canal Row, LLC for the housing development on land bound by Race and Main Streets (Assessors Map 030, Block 06, Parcels 001, 002, 004, 005, 006, 013 and 014) .
51. LEBRON-MARTINEZ -- Ordered, that the City Council approve the Resolution for the Certified Project and the Tax Increment Financing (TIF) Agreement with Canal Row, LLC for the commercial development on land bound by Race and Main Streets (Assessors Map 030, Block 06, Parcels 001, 002, 004, 005, 006, 013 and 014).
52. MCGEE -- That the Preliminary Election in the City of Holyoke for the choice of City Officers be and the same is hereby called to be held on Tuesday, September 21, 2021 in the several polling places as designated by the City Council. The polls will be opened at 7:00 a.m. in the forenoon and closed at 8:00 p.m. in the afternoon of said day, and all the voters in the several precincts in which they are entitled to vote, between said hours, may cast their votes by voting machines and paper ballots for the election of:
