Todd McGee
City Council President
Holyoke City Council

Dear President McGee,

Effective on January 2, 2022, I hereby resign my position as a member of the Holyoke Water Works Commission.

I wish to extend my sincere gratitude to the City Council for the pleasure of allowing me to serve for the past 3 years in this capacity. I also extend my personal gratitude to David Conti, the Department's outstanding leader and his entire staff for their assistance in helping me carry out my duties. I also thank them for the great job they do for the people of Holyoke. Likewise, I would also like to thank my fellow Commissioners, John Barrett and Bill Harbilas, for the pleasure of working alongside them. We continue to mourn the loss of Par who was a larger than life man of the first order. Bill is as fine a person as I have ever met and is a tremendous credit to department and the people we serve.

I wish the Holyoke Water Works continued success!

Sincerely,

Kevin A. Jourdain
