

Name of Project	Location	Request [1]	CPC Recommendation	Presentation / Website	Elig Form	Applications	Proposal / Comments	Additional Information
Girls Inc. Headquarters & Program Center	480 Hampden St.	\$150,000		Girls Inc. Presentation	Girls Inc. Headquarters & Program Center	Girls Inc. Application	Restoration of building envelope (masonry restoration and slate repair). Bricks are literally falling off building from water damage. So this would be a historic preservation project.	Fundraising campaign in progress; financing under negotiation. Expected to start Spring 2022.
H.H. Richardson Train Station	12 Bowers St.	\$200,000		HH Richardson Website	Richardson Train Station	Richardson Train Station Application	Complete restoration of building & detached baggage annex (specifics unknown). Applicant has requested information about the required Preservation Restriction.	Preliminary work has begun. The train station is on the State Register of historic places so does not require a letter from the Historical Commission to be eligible.
New England Farm Workers' Council / 225 High Street	225 High St.	\$321,943		NEFW Presentation	225 High St.	NEFW 225 High St. Application	Exterior, interior and mechanical systems restorations. Windows: \$225,000; \$100,000 to repair/repoint exterior masonry. (Add'l work for overall project will include replacement of heating/ventilation & AC system; repair of roof and work on interior space). Project previously presented to acting Mayor during ARPA round 1. (Building use would be for TV entertainment - Latino community).	Building is on the State Register of Historic Places. Project previously presented to acting Mayor during ARPA round 1 (request was for \$416,950). Building use would serve Latino community.
Stained Glass Window Restoration - Phase 4	City Hall, 536 Dwight St.	\$160,000 [2]	\$80,000 (1 window)	Stained Glass Presentation	Stained Glass Windows	Stained Glass Application	Restoration of Window #1 & 2 in City Hall Ballroom. Windows currently in storage.	There are 5 remaining windows to restore after these 2 (4,5,6,7 & 13 at estimated cost of \$350,000).
Repainting Wistariahurst Museum	238 Cabot St.	\$125,000	Recommended in full	Wistariahurst Presentation	Repainting Wistariahurst Museum	Wistariahurst Exterior Application	Repaint exterior surfaces of main house & carriage house	Museum is on the State Register of Historic Places. Main house has not been painted for 12 yrs; carriage house 13 yrs. Repainting house helps preserve structure. Will seek donations from various companies. Total cost estimate: \$150-180,000.

Restoration of Lady Liberty Civil War Monument / War Memorial Commission*	Veterans Park	\$60,000	\$15,000	Lady Liberty Presentation	Lady Liberty Monument Application	Lady Liberty Monument Application	Restore Monument according to study (inscriptions and lighting)	*This proposal was submitted as an Emergency application and was already approved. Total budget of \$110,000 needed. Earmark fund obtained by John Velis for \$50,000. Earmark funds MUST be spent in FY22. MHC & CBG can't provide funds in timely fashion; only CPC. SEE STUDY
MIFA Victory Theater Sconces	Moveable (temporary exhibition with Murals in City Hall Ballroom).	\$113,000	2	MIFA Presentation	MIFA Sconces	MIFA Sconces Application	Scones removed/restored and exhibited with Murals in City Hall Ballroom; unclear if lighting would be included. (City Engineer not aware of proposal).	MIFA was originally granted an award of \$100,000 for their FY19 application based on the historic significance of the theater as a whole with the specification that the CPA award would go toward restoration of the 63 sconces. But funds could nto be obtained by the deadline required in the contract (Dec. 2021), so the previous contract is no longer valid.
TOTAL REQUEST		\$1,129,943						

[1] Confirmed requests in bold.

[2] \$80,000 - \$160,000 (based on MPPF funding).
